2. CITGO is located in Census Tract 6, Block Group 2, as defined by the most recent federal decennial census available at the time of designation; and
3. There has been and will continue to be a high level of cooperation between public, private, and neighborhood entities within the area; and
4. The designation of CITGO as an enterprise project will contribute significantly to the achievement of the plans of the City for development and revitalization of the area;

WHEREAS, the City finds that CITGO meets the criteria for tax relief and other incentives adopted by the City and nominates CITGO for an enterprise project status on the grounds that it will be located at a qualified business site and will create a higher level of employment, economic activity, and stability; and

WHEREAS, the City finds that it is in the best interest of the City to nominate CITGO as an enterprise project pursuant to the Act;
