Staff Recommendation

Approval of the “IL/SP” Light Industrial District
with Special Permit.

Special Permit Conditions

1. The only use permitted under this Special Permit, other than those allowed by right in the “IL” Industrial District, is resource extraction as described herein; the extraction of sand, gravel, dirt, stockpiling thereof and accessory uses including the storage of equipment and structures necessary to conduct operations.
2. Erosion and dust control shall be in accordance with all City, State, and Federal requirements and specifications.
3. Vehicular access shall be allowed as per the approved site plan and excavation permit.

Special Permit Conditions

4. Hours of operation shall be limited to the hours between 7:00 A.M. and 5:00 P.M.
5. Time Limit: This Special Permit shall expire in three years or upon termination of the excavation permit, whichever comes first.
