

Defense Economic Adjustment Assistance Grant – Naval Air Station Corpus Christi Wastewater and Manholes Replacement

Council Presentation
July 15, 2025

Project Location

Project Scope

A summary of proposed improvements is as follows:

Replacement of approximately 4,500 linear feet of 12-inch to 24-inch wastewater lines and installation of 21 manholes along Ocean Drive, 1st Street, and Avenue D at the Naval Air Station Corpus Christi.

Project is a grant awarded to City of Corpus Christi from the State of Texas to replace the failing and deteriorated wastewater system and manholes at the NASCC. The Texas Legislature appropriated \$30 million in the biennium to the Texas Military Preparedness Commission (TMPC) DEAAG fund to assist defense communities that a past or future Base Realignment and Closure action have impacted.

Project Construction Budget

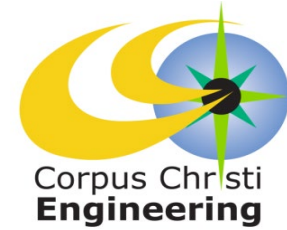

In an effort to streamline the project, NASCC has submitted an Order of Work and Service to the City of Corpus Christi for the remaining portion of their cost share for the project.

Funding Source	Amount
DEAAG State Grant	\$1,611,159.00
Navy Contribution	\$2,951,340.62
Total Construction Cost	\$4,562,499.62

Project Schedule

2024 - 2025	2025			2025 - 2026
May - March	A	M	J	July - March
Design	Bid/Award			Construction

Projected Schedule reflects City Council award in June 2025 with anticipated completion in March 2026.
