Leopard Street (From Rose Street to Pierpont Street) - Parking Prohibition

CAPTION:

Ordinance amending the Code of Ordinances, Chapter 53, Section 53-252 Schedule III – Parking prohibited at all times on certain streets by adding Leopard Street, south side, from Rose Street to Pierpont Street.

PURPOSE:

This ordinance would prohibit parking at all times along south side of Leopard Street (3100 block) from Rose Street to Pierpont Street.

BACKGROUND AND FINDINGS:

The Corpus Christi Fire Department (CCFD) requests prohibited parking in front of Fire Station No. 5 located at 3105 Leopard Street. Safe transit of emergency vehicles exiting and entering the Fire Station is blocked by parked vehicles whenever events are held at the adjacent Buccaneer Stadium. The CCFD's frontage along Leopard is also blocked during street events such as the Buc Day Parade.

City Traffic Engineer recommends prohibited parking for better public safety. The inconvenience to residents, businesses, and Roy Miller High School is negligible. The City's Traffic Engineering Division distributed letters to affected property owners and invited them to voice their input at the City's Transportation Advisory Commission (CTAC) meeting. No objections were raised.

City Transportation Advisory Commission (CCTAC) reviewed the item on its October 26, 2015, meeting. CTAC recommended the parking prohibition approval.
