Board-specific questions (if applicable)

Question applies to CONSTRUCTION TRADE ADVISORY & APPEALS BOARD

The Construction Trade Advisory & Appeals Board must include representatives from certain categories. Do you qualify for any of the following categories? *

☒ General Contractor

Verification

City Code Requirement - Residency

As a board, commission, or committee member, you will be asked to adhere to City Code of Ordinances, Section 2-65, which states that all members of City boards and commissions, including ad hoc committees, appointed by the City, must be residents of the city. A move outside the city limits of the city by any member shall constitute automatic resignation from the particular board or commission on which such member served.

☒ I Agree

City Code Requirement - Attendance

As a board, commission, or committee member, you will be asked to adhere to City Code of Ordinances, Section 2-61, which provides that absences from more than 25% of regularly scheduled meetings during a term year on the part of any board, commission, or committee member shall result in an automatic termination. An absence shall be deemed unexcused unless excused by the board, commission or committee for good cause no later than its next meeting after the absence.

☒ I Agree

Consent for Release of Information

I understand that if any member of the public makes a request for information included in this application or in any attachment (e.g. resume or supporting documentation) for appointment it is subject to and must be disclosed under the Texas Public Information Act. I understand that under the Texas Public Information Act, my home address and home telephone number is subject to public disclosure unless I am elected or appointed to the position which I seek. I hereby consent to the release of my home address and home telephone number should it be requested under the Texas Public Information Act prior to my possible appointment or election. I hereby release the City of Corpus Christi, and its agents, employees and officers, from any and all liability whatsoever if the information must be released pursuant to the Texas Public Information Act.

☒ I Agree

Oath

I swear that all of the statements included in my application and attached documents, if any, are true and correct.

☒ I Agree

MARIE T. GUAJARDO

Corpus Christi, TX ▪ (361) 215-0869 ▪ [REDACTED]

EDUCATION

The University of Texas-San Antonio - Bachelors of Business Administration

Texas Economic Development Council - Basic Training in Economic Development

Member of: ***MindLinx, San Antonio***
 Landmark Commission
 Coastal Bend P-16 Council
 Coastal Bend Literacy Council

CAREER EXPERIENCE

CarCalmly, San Antonio, TX

Vice President Sales

November 2016 - Present

- Introduced CarCalmly to local business owners and built professional relationships with owners to better serve them and their clients through the CarCalmly application.
- Listened carefully to the business owners' needs and goals to reach and attain clients.
- Collaborated with the CEO and COO to create a two-market business model.
- Collaborated with the COO to create a sales plan in support of organization strategy and objectives.
- Recommended sales strategies for improvement based on market research and competitor analysis.
- Worked to execute sales and service initiatives to promote sales growth and customer satisfaction.

Carrillo International Export Management Company, Corpus Christi, TX

Global Business & Marketing Director (America & Europe)

February 2013 - March 2015

- Developed, and maintained domestic and international relationships.
- Promoted /Introduced U.S. manufactured goods (small businesses, minority-owned businesses, women-owned businesses) in international markets.
- Correlated with U.S. Embassy throughout the world to conduct primary research on behalf of small businesses.
- Analyzed reports to understand the needs of the international markets.
- Collaborated with U.S. companies that met the demands of the global markets.
- Worked with logistics to assure timely, cost-efficient movement of goods.
- Collaborated closely with the International Trade Center, U.S. Commercial Service and the U.S. Department of Commerce.

Coastal Bend Partners for College and Career Readiness Corpus Christi, TX

Director of Marketing - Generation Texas

February 2012- December 2012 (Grant Funded)

- Trained community members in using Gen TX and education materials.
- Coordinated training events, assembled material, and provided skilled training.
- Communicated professionally with public outreach, volunteers, and program directors.
- Gathered, maintained, analyzed, and reported data on Gen TX events and projects.
- Assisted with the Gen TX project management, followed-up; maintained, and executed multiple projects on budget and schedule.
- Assisted in re-designing the P-16 Council's website to incorporate Gen TX co-branding and kept the P-16 website updated; managed Facebook and Twitter accounts.
- Interacted successfully with different groups of people, including students, parents, educators, community members, and business leaders.
- Worked with marketing consultants to design and implement a local advertising campaign strategy
- Spearheaded the search for the Coastal Compass logo and advertising campaign.
- Sought, developed, attained, and maintained partnerships with different organizations to provide information to community members.

Corpus Christi Regional Economic Development Corporation (CCREDC) Corpus Christi, TX

Research Analyst Manager

September 2008-February 2011

- Assisted with the development of the CCREDC business qualification model that defined the creditworthiness and financial capacity of a company moving into the Corpus Christi area.
- Collaborated with team members to produce the Portland Profile.
- Collaborated with team members to produce the monthly CCREDC newsletter.
- Collaborated with team members to create a marketing piece to target specific audiences.
- Collaborated closely with team members to produce quarterly ACCRA cost of living.
- Worked closely with the Executive Vice President of Marketing and Attraction.
- Worked closely with the Vice President of Finance/Compliance to assure all projects were in compliance.
- Represented the CCREDC at various luncheons, committees, and community outreach activities.
- Utilized strong interpersonal skills in community interaction, working with the general public, government staff, and the board of directors.

Dimensions Contracting General Contractors

Cost Estimating Assistant, San Antonio, TX

March 2006-September 2008

- Worked closely with Chief Estimator to assure accurate, competitive proposals were prepared for clients.
- Strong background in bid proposals, RFI, RFP's.
- Organized proposal data to present to clients, and prepared cost estimates using in-house estimator software.
- Scheduled and coordinated with subcontractors to assure timely delivery of bids.
- Assisted with Value Engineering to assure clients received quality work at a reasonable rate.
- Executed several proposals simultaneously.
- Ensured timely delivery of proposals and executed critical deadlines.
- Maintained successful relationships with sub-contractors, building owners, and property managers.
- Developed and maintained favorable professional relationships with clients.
- Coordinated a new corporate identity to capture local market share.
- Developed and implemented the marketing strategy to assure the target market was captured.
- Developed marketing tools to market Dimensions specialties and quality of work.
- Assisted with new website design and development and utilized it to retain and attain new clients.
- Took part on several committees to represent Dimensions.

If you applied for multiple boards, which boards are you most interested in serving on, in order of preference? (Limit to top three)

1. Arts & Cultural Commission 2. Nueces County Parks & Recreation Advisory Committee 3. Construction Trade Advisory & Appeals Board 4. Tax Appraisal District

Why are you interested in serving on a City board, commission or committee?

As a lifelong resident of Corpus Christi, I'm deeply invested in the city's success. My extensive experience in the engineering and construction industry, particularly with leading national firms, has provided me with a strong understanding of project management, cost control, and efficient execution across a wide range of project sizes (from \$50 million to \$5 billion). This experience has also given me valuable insights into the best practices employed by world-class organizations. I'm passionate about leveraging this expertise to contribute to our city's growth and development. Serving on a board, commission, or committee would allow me to directly participate in shaping a thriving future for Corpus Christi and its citizens.

Professional Summary

Highly motivated and results-oriented Contract Development Engineer with 5+ years of experience in: Wind Solar & Battery Energy Storage Systems (BESS) design, development, and implementation. Proven ability to manage all technical aspects of projects from conception to operation, ensuring adherence to Company internal and National guidelines and industry standards. Expertise in lithium-ion battery technologies and a strong commitment to collaborating effectively within a diverse team environment.

Education

Texas A&M University-Corpus Christi
Bachelor of Science in Mechanical Engineering

Related Experience

Enel Green Power North America

2022 - Present

- **Current Role: Contract Development engineer**

- Contract development, execution and management for all North American Region facilities dealing with cross technology lines (Solar/Wind/BESS/Geothermal). Clear understanding of all facets of engineering, procurement, project construction and execution and safety as highest priority. Lead the execution and management of contracts for renewable energy facilities across North America, ensuring compliance with engineering, procurement, and safety standards.
- Lead the development and execution of BESS projects for North American renewable energy facilities, utilizing lithium-ion battery technology. Manage all technical aspects from design inception to operation, ensuring successful project delivery within budget and adhering to industry standards (NEC, IEEE) and company guidelines. Collaborate with internal teams and external stakeholders to navigate permitting processes and secure project approvals, designs and costs are met.
- Identify and mitigate project risks through comprehensive risk assessments, resulting in a reduction in cost overruns.
- Effectively collaborate with diverse stakeholders, including internal teams, contractors, and regulatory agencies, to achieve project milestones on time and within budget.

Kiewit Energy

Field/Office Engineer

2019 - 2022

- **Environment Permitting**

Research Federal contract permitting requirements for Renewable Energy projects based on client needs. Create condition reports based on client contracts and regulatory committees such as FERC & Army Corps of Engineers and many more organizations based on Federal, State and regional levels. Discipline preplanning with clients for project execution, budget and forecasting. Capture regulatory and permit changes across all disciplines. Review calculated emissions. Plan for all project cycles.

- **Indirects Estimate lead/Subject Matter Expert** for EPC estimates
- **Mechanical Estimator** for static and rotational equipment, lending support to multiple Engineering Procurement Construction job bids from \$300 million to \$4.5 Billion budget scope of work for Renewable Energy, Oil, Gas & Chemical industries. Create material & equipment lift plans utilizing supplied software programs. Read, revise & interpret client supplied drawings (P&ID's, PFD's etc.) for estimate bidding process.
- **Mechanical Estimate Lead** managing EPC job estimates of up to 50 Million scope of work.
- **Field Engineer** tracking weekly progress, manage craft leads and team man hours, cost, material handling, equipment management & installation for disciplines such as: structural, Supports, E&I & Piping for Offshore fabrication. Plan Project Schedule forecasting & Execution. Current project goals include managing key contractual risks and build a lasting legacy with our clients. Currently on pace to complete the current project on time, under budget and without any safety incidents.

- Drone mission planning & execution for evaluating progress through video data, 3D model implementation & plot plan integration
