**TO:** Peter Zaroni, City Manager  
**FROM:** Amy Cowley, Director of Management & Budget  
Amyc1@cctexas.com  
361-826-3792

**FY 2027 General Fund Financial Forecast Briefing**

**STAFF PRESENTER(S):**

<u>Name</u>	<u>Title/Position</u>	<u>Department</u>
1. Amy Cowley	Director of Management & Budget	Management & Budget

**BACKGROUND:**

The Office of Management & Budget has been working with departments and monitoring the economy as we begin the budget process for FY 2027. This presentation will provide an overview of the budget process, an update on the General Fund, and a review of assumptions utilized to forecast FY 2027 General Fund revenues and expenses.

Following this briefing, the next step is to identify the City Council's priorities regarding the budget for FY 2027 at a City Council budget goal setting session in May. During the months of May, June and July, the Office of Management & Budget will collaborate closely with all City Departments and City Leadership to draft a proposed budget that is balanced.

On July 28, 2026 the City Manager will recommend a proposed budget to City Council. August will be dedicated to collecting feedback from the community and City Council through community input sessions and City Council budget workshops. Any changes made to the budget based on feedback received will be incorporated and delivered to City Council on September 1 for the first reading of the budget. The second reading of the FY 2027 Budget is scheduled for September 8, 2026.
