

GOVERNOR GREG ABBOTT

June 21, 2023

Ms. Wendy Herman  
Grant Manager  
City of Corpus Christi – Army Depot  
1201 Leopard Street  
Corpus Christi, Texas 78468-9277

Dear Ms. Herman:

I am pleased to announce that the Texas Military Preparedness Commission in my office voted to award the City of Corpus Christi a Defense Economic Adjustment Assistance Grant in the amount of \$175,000.00 for acquisition of portable solar-powered electric vehicle charging stations in support of the Corpus Christi Army Depot.

The State of Texas places a high value on military installations and the defense communities that support them. The 15 military installations in Texas, along with Army Futures Command, have an impact of over \$114 billion on the Texas economy. We look forward to watching this project develop and we will continue to support the U.S. Army as an instrumental part of the military community in Texas.

Please reply to this correspondence with a letter, sent to Keith Graf, Executive Director of the TMPC, informing my office whether the City of Corpus Christi accepts or rejects the grant award. If the City of Corpus Christi accepts the grant award, TMPC staff will work with your designated point of contact to begin processing the grant award and executing an agreement detailing the grant's required terms and conditions.

Thank you for supporting your local military installation.

Sincerely,

A handwritten signature in black ink that reads "Greg Abbott".

Greg Abbott  
Governor
