<p>Action to Schedule Two Public Hearings Related To Fiscal Year 2017-2018 Property Tax</p>
---

### **CAPTION:**

Motion setting a public hearing on the ad valorem tax rate for August 22, 2017 and a second public hearing for August 29, 2017 during the City Council meeting beginning at 11:30 a.m. at City Hall, 1201 Leopard Street, Corpus Christi, Texas.

### **PURPOSE:**

The fiscal year 2017-2018 proposed operating budget utilizes a tax rate of \$0.606264 per \$100 valuation in the determination of ad valorem tax revenue for fiscal year 2017-2018. This is the same property tax rate as was used in fiscal year 2016-2017. Final assessed values should be received from the Nueces County Appraisal District by July 25<sup>th</sup> at which time the effective tax rate and rollback rate will be computed. This agenda item is needed for the City to be in compliance with "truth-in-taxation" as it relates to the Tax Code in the event that the City's fiscal year 2017-2018 proposed tax rate exceeds the lower of the effective tax rate or the rollback rate.

### **BACKGROUND AND FINDINGS:**

If a proposed property tax rate exceeds the effective tax rate or the rollback rate, whichever is lower, the Tax Code requires that the governing body must vote to place a proposal to adopt the tax rate on the agenda of a future meeting as an action item. This vote must be recorded. If the motion passes, then the governing body must schedule two public hearings on the proposal.

The Nueces County Tax Office will be providing the City with the effective tax rate worksheet during the first week of August. In the event that the proposed fiscal year 2017-2018 tax rate of \$0.606264 per \$100 valuation exceeds the lower of the effective tax rate or the rollback rate, the Tax Code requires the governing body to take a vote to place a proposal to adopt the tax rate on the agenda of a future meeting as an action item, and the vote must be recorded.

Two public hearings must also be held. If needed, we are planning on holding the first public hearing on August 22, 2017, and the second public hearing on August 29, 2017. Then the vote for the final adoption of the tax rate is scheduled to be held on September 12, 2017. Additionally in compliance with the "truth-in-taxation" guidelines, the proposed property tax rate, effective tax rate, and rollback rate must be published at least seven (7) days before the public hearings. We are planning on publishing in the Corpus Christi Caller-Times on August 13, 2017.

The last step in the "truth-in-taxation process" will be the approval of the tax levy in October once the tax rate is adopted and the property tax bills are processed by the Nueces County Tax Office.
