<u>Name</u>	<u>Title/Position</u>	<u>Organization</u>
1.		
2.		
3.		

BACKGROUND :

In 2008 the voters passed a referendum to authorize City Council to restrict driving in front of the Padre Island Seawall where the beach width 150' or less.

In 2010 City Council passed an ordinance requiring the City manager to close the beach in accordance with a bollard plan that identified driving lanes and closing the beach at the 150' mark, which was north of the Windward Parking lot at that time.

This presentation will provide an overview of the challenges posed by the previous 2010 ordinance and options to evaluate moving forward.
