

City Wide Park Upgrades Oak Park Playground (CDBG)

Council Presentation
October 14, 2025

Project Scope

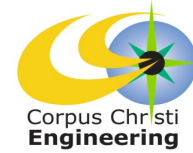

Scope of Work:

- Installation of a Picket Playground Structure (for ages 2 to 5 years)
- Installation of a Square Hip Shade Structure 44x40 (height 14')
- Installation of Poured-in-Place Playground Surface
- Installation of a 4" sidewalk, Concrete Base, and New Header Curb. Includes minor grading around the sidewalk and the north end of the playground.
- The work is to be completed within 90 days.
