

# Commodores Drive at Park Road 22 Left Turn Lane Improvements

Council Presentation  
October 18, 2016

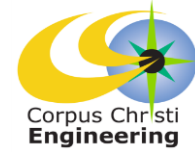

# Project Vicinity

# Project Location

## Existing Turn Lanes

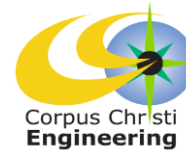

## Proposed Turn Lane Extensions

# Project Scope

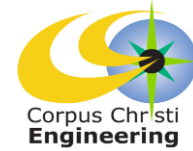

---

Part of the Bond 2014 Proposition 2 Traffic Signal and Lighting (City-Wide) Project. The project provides the following:

- Extends both left-hand turn lanes approximately 250LF on Commodores at the approach to the Park Road 22 intersection
  - Adds capacity to immediately reduce traffic congestion for traffic Removal of existing concrete median with relocation of existing street lights
  - New HMA pavement, markings, signage and flexible post lane delineators
- ❖ Future more comprehensive long-term improvements may be required with other projects and developments
-
