

SECOND AMENDMENT TO THE INTERLOCAL COOPERATION AGREEMENT BETWEEN CITY OF CORPUS CHRISTI, CITY OF PORT ARANSAS, AND COUNTY OF NUECES RELATING TO THE MUSTANG AND NORTH PADRE ISLANDS BEACH PARKING PERMIT SYSTEM

This amends the Interlocal Cooperation Agreement between the City of Corpus Christi, City of Port Aransas, and County of Nueces relating to the Mustang and North Padre Islands beach parking permit system (Agreement) and First Amended Attachment C, incorporated by reference.

NOW, THEREFORE, the parties hereto agree to amend the Agreement as follows:

1. Section II Participant Funding is amended as follows:

II. PARTICIPANT FUNDING. The funding for the Beach Parking Permit System will come exclusively from the beach parking permit sale revenues. Prior to the first calendar year following Texas General Land Office (GLO) approval of a Beach Parking Permit fee of \$20, the revenues received will be distributed to the parties based on the linear beach frontage of beach each party is responsible for maintaining under State law. Any beaches within Federal or State parks will be excluded. Attachment A lists the distance each party is responsible for as of the date of this agreement. It will be updated at the time of any boundary changes. Attachment B is a collection of maps showing the fee and free parking areas within each jurisdiction.

Beginning the first calendar year following Texas GLO approval of a Beach Parking Permit fee of \$20, Port Aransas will receive 84% and the County will receive 16% of all revenue from permit sales physically sold within the Port Aransas city limits. Corpus Christi will receive 84% and County will receive 16% of all revenue from permit sales physically sold outside the Port Aransas city limits, including within the Corpus Christi city limits.

2. Second Amended Attachment C, as attached, replaces the First Amended Attachment C, beginning the first calendar year following Texas GLO approval of a Beach Parking Permit fee of \$20,

Attachment: Second Amended Attachment C

EXECUTED on the ____ day of _____, 2025.

SECOND AMENDED
ATTACHMENT C

TO THE INTERLOCAL COOPERATION AGREEMENT BETWEEN CITY OF CORPUS CHRISTI, CITY OF PORT ARANSAS, AND COUNTY OF NUECES RELATING TO THE MUSTANG AND NORTH PADRE ISLANDS BEACH PARKING PERMIT SYSTEM STANDARD OPERATING PROCEDURES

This Second Amended Attachment C "Mustang and North Padre Islands Beach Parking Permit System Standard Operating Procedures" replaces the First Amended Attachment C and original Attachment C in its entirety.

This attachment to the interlocal cooperation agreement between the City of Corpus Christi, the City of Port Aransas, and Nueces County, relating to the sale and enforcement of beach parking permits, establishes the standard operating procedures for the Mustang and North Padre Islands beach parking system.

1. An annual beach parking fee of \$20 is instituted based on the calendar year.
(To be effective the first calendar year following Texas GLO approval of a Beach Parking Permit fee of \$20)
2. The three entities will make their best efforts and coordinate with each other to encourage and foster the sale of beach parking permits.
3. Either Corpus Christi or Port Aransas can establish their own discounts for vendors, sellers, or purchasers of beach parking permits.
4. To ensure uniformity in beach parking permits purchased and displayed, Corpus Christi will be responsible for generating all annual beach parking permits. Port Aransas will reimburse Corpus Christi for the actual cost of permits issued for sale within Port Aransas city limits for each calendar year, within 30 days of invoice.
