City Code Requirement

As a board, commission, or committee member, you will be asked to adhere to: City Code of Ordinances, Section 2-65, states that all members of city boards and commissions, including ad hoc committees, appointed by the city, must be residents of the city. A move outside the city limits of the city by any member shall constitute automatic resignation from the particular board or commission on which such member served. City Code of Ordinances, Section 2-61, provides that absences from more than 25% of regularly scheduled meetings during a term year on the part of any board, commission or committee member shall result in an automatic termination. An absence shall be deemed unexcused unless excused by the board, commission or committee for good cause no later than its next meeting after the absence.

☒ I Agree

Consent for Release of Information

I understand that if any member of the public makes a request for information included in this application for appointment must be disclosed under the Public Information Act. I also understand that it may not be legally possible to maintain the confidentiality of such information, and I hereby release the City of Corpus Christi, and its agents, employees and officers, from any and all liability whatsoever if the information must be released pursuant to the Public Information Act.

☒ I Agree

Oath

I swear that all of the statements included in my application are true and correct.

Budgeting

Financial planning and analysis

Training and Teaching
Computer and Internet savvy
Marketing and sales
P & L analysis

EXPERINCE:

May 2009 – Present Registered Principle/Owner – Freedom Investment Counsel LLC

Established my own independent financial advisory practice to continue performing duties and responsibilities similar to those performed while employed in the financial services industry described below.

Apr 1997- May 2009 Financial Advisor & Investment Management Consultant
UBS PaineWebber, Corpus Christi, TX

Developed new client relationships. Serviced clients in the areas of personal financial plans, employer sponsored retirement plans, securities and insurance sales. Supervised customer service and support staff. Achieved advanced professional designation as an Investment Management Consultant. Developed and maintained a personal business plan. Managed investment strategies in over 200 client relationships working to educate and assist clients in the investment decision making process. Daily activities include financial planning, investment performance analysis, marketing plan implementation, substantial client contact and frequent coordination with outside vendors or product managers. Assisted with new employee selection and training. Grew capital responsibility and personal production for six consecutive years. Current capital responsibility \$30,000,000+. Trailing 12 month production \$215,000. Awarded special corporate recognition in 1998 for qualifying in the top 10% of peer group for new accounts and new assets under management.

Nov 1995-Apr 1997 Account Executive, Dean Witter, Corpus Christi, TX

New client development, securities sales and marketing. (See above)

Jul 1994-Jan 1997 Air Carrier Pilot, Part 135 Operations, Aero Pak, San Antonio, TX

Pilot for an overnight air freight operator.

Aug 1991-Jul 1994 Aviation Division Chief, Fifth U.S. Army, Ft. Sam Houston, TX

Supervised a 5-person management evaluation team validating aviation organization's training, safety, standardization and maintenance programs in an eight-state area. Inspected compliance with established regulations and policies. Insured internal controls and budget expenditure reporting procedures. Participated in formulation of policy and operational plans. Provided oversight and inspection

Jan 1991-Aug 1991 Executive Officer, 4th BN 228th Aviation Regt., Soto Cano AB, Honduras

Supervised a management team responsible for aviation operations in 5 Central American countries with 30 helicopters and 300 employees. Developed a goal oriented aviation maintenance management program, improving aircraft availability rates by over 10% allowing increased operating tempo. Developed and implemented organizational structure changes to enhance aviation support in Central America.

Jan 1990-Jan 1991 Aviation Operations Officer, U.S. Army South, Ft. Clayton, Panama

Provided staff oversight and support of aviation operations for a major military headquarters during and after Operation Just Cause. Organized and conducted frequent formal decision briefings and informative presentations for senior executive leadership and high level political and government leaders. Selected principal escort officer for Secretary of the Army and U.S. Army Chief of Staff on two separate command visits. Utilized persuasive skills in the corporate decision process.

Feb 1986-Jan 1990 Inspector General, Headquarters USAG, Ft. Sam Houston, TX

Personal advisor to the chief executive officer of a major military installation. Responsible for formulation and interpretation of policies and regulations. Established a systematic inspection program to insure compliance with prescribed operating procedures. Received, evaluated and recommended action on special issues raised by employees and customers. Identified, analyzed and developed solutions for systemic problems related to the efficient management of a major military community with an annual budget in excess of \$20 million. Supervised 5 staff specialists.

City Code Requirement

As a board, commission, or committee member, you will be asked to adhere to: City Code of Ordinances, Section 2-65, states that all members of city boards and commissions, including ad hoc committees, appointed by the city, must be residents of the city. A move outside the city limits of the city by any member shall constitute automatic resignation from the particular board or commission on which such member served. City Code of Ordinances, Section 2-61, provides that absences from more than 25% of regularly scheduled meetings during a term year on the part of any board, commission or committee member shall result in an automatic termination. An absence shall be deemed unexcused unless excused by the board, commission or committee for good cause no later than its next meeting after the absence.

☒ I Agree

Consent for Release of Information

I understand that if any member of the public makes a request for information included in this application for appointment must be disclosed under the Public Information Act. I also understand that it may not be legally possible to maintain the confidentiality of such information, and I hereby release the City of Corpus Christi, and its agents, employees and officers, from any and all liability whatsoever if the information must be released pursuant to the Public Information Act.

Sabre Tower Facility Chief
Duties, Accomplishments and Related Skills:
Served as a Facility Chief/Air Traffic Control Specialist (Terminated) at Sabre Army Helicopter Tower. Responsible for the safe, orderly and expeditious flow of aircraft operating in Sabre Tower area of responsibility. Utilized tower radar and visual flight rules, instrument flight rules, special and covert VFR to effect separation between arriving, departing and enroute air traffic. Checked proposed route of flight for crossing dangerous or restricted areas and for ATC information required for proper entry into the correct controlling agency. Received and transmitted all weather and safety warnings. Alerted crash crew in the event of emergency. Maintained files on flying

regulations, information publications, and navigational air information. Maintained both Individual Flight Records Folder and Individual Aircrew Training Folder (AW FM 1-308 and AR 93-1). Posted and updated the NOTAM file daily. Relayed weather information as received from NAS Weather Office, etc. that could affect the flight to include weather warnings, advisories, observations, and forecasts. Provided OJT instruction and guidance to trainee controllers involved in qualification training for their FAA CTI certificate. Counseled soldiers on performance, act performance standards and made formal appraisal of subordinates' work performance. Recommended soldiers for promotion and/or reassignment. Reviewed job description for currency and accuracy and made necessary changes. Counseled soldiers on problems and reported informal complaints through discussion with the soldier. Initiated proposals for formal disciplinary action as needed.

Air Traffic Control Specialist Shift Leader

Duties, Accomplishments and Related Skills:

Served as Air Traffic Control Specialist for a Visual Flight Rule (VFR) tower and a Precision Approach Control Radar Approach. Alternately performed radar control and tower responsibilities. Was assigned in other positions as operation as required, in include shift supervisor and training supervisor.

Controlled aircraft using radar, ensuring precise alignment of both search and precision radar screens. Established and maintained positive radar identification of aircraft, issuing orders and altitude so as to establish and maintain appropriate separations. Vectored aircraft to the final approach course by issuing glide path and altitude information. On final approach, ensured that aircraft being vectored remained within the airfield's designated airspace. Considered radar equipment capabilities, aircraft position, speed, and altitude in respect to terrain clearance, control tower traffic density, priorities, emergencies, weather and wind, lost communication and lost radar procedures, how approach unit's resources, and airfield conditions. Made decisions involving the order of departures and arrivals, designation of active runway and possible simultaneous use of runway and other landing areas.

Issued instructions and clearances to aircraft operating in the tower's area of responsibility. Considered the position, type, speed, direction, number and capabilities of aircraft wishing to depart from or land at this airport. Considered the pattern, direction, condition of runways, approaches in progress, noise abatement requirements, wake turbulence and traffic information. Made decisions involving the time and direction of departures/arrivals. Issued Instrument Flight Rules (IFR) clearances received

from FAI Approach Control to provide initial separation between IFR
arrivals/departures and between successive visual flight rule
arrivals/departures
