Public Health District
Interim Director Dr. Dante Gonzalez

April 15, 2025

Resolution

Resolution authorizing an Interlocal Cooperation Agreement with Texas A&M University - Corpus Christi (TAMUCC) in an amount of up to \$125,551.00 for performing air quality monitoring services through December 31, 2025, with funding from a Texas Commission on Environmental Quality (TCEQ) Air Quality grant.

City Council
April 15, 2025

Summary Information

The 88th Texas legislature at Article VI of the General Appropriation Act ("Rider 7") made funds available to the Texas Commission on Environmental Quality (TCEQ) to conduct air quality planning activities in areas (including Corpus Christi) considered to be near non-attainment for compliance with the federal ozone standard.

The City of Corpus Christi has been awarded grant contracts from TCEQ to perform air quality monitoring activities, most recently TCEQ contract no. 582-24-01390, approved by the City Council on July 16, 2024, for an award amount of \$139,501.
