The City's Contract Administrator for this Agreement is as follows:

Name: Maria Morales

Department: Gas Operations

Phone: (361) 885-6945

Email: MariaM@cctexas.com

- 5. Insurance. Before performance can begin under this Agreement, the Contractor must deliver a certificate of insurance ("COI"), as proof of the required insurance coverages, to the City's Risk Manager and the Contract Administrator. Additionally, the COI must state that the City will be given at least 30 days' advance written notice of cancellation, material change in coverage, or intent not to renew any of the policies. To the extent of risks and liabilities expressly assumed by Contractor in this Agreement, the City must be named as an additional insured. The City Attorney must be given copies of all insurance policies within 10 days of the City Manager's written request. Insurance requirements are as stated in Attachment C, the content of which is incorporated by reference into this Agreement as if fully set out here in its entirety.
- 6. Purchase Release Order. For multiple-release purchases of products to be provided by the Contractor over a period of time, the City will exercise its right to specify time, place and quantity of products to be delivered in the following manner: any City department or division may send to Contractor a purchase release order signed by an authorized agent of the department or division. The purchase release order must refer to this Agreement, and products will remain with the Contractor until such time as the products are delivered and accepted by the City.
- 7. Inspection and Acceptance. City may inspect all products supplied before acceptance, but such inspection and/or acceptance shall occur no later than thirty (30) days after delivery after which all products supplied will be deemed accepted. Any products that are delivered but not accepted by the City must be corrected or replaced within the cure period as set forth in Section 19(A) of this Agreement at no charge to the City. If immediate correction or replacement at no charge within this period cannot be made by the Contractor, a replacement product may be bought by the City on the open market and any costs incurred,

including additional costs over the item's bid price, must be paid by the Contractor within 30 days of receipt of City's invoice.

8. Delivery. Contractor shall deliver the Goods - F.O.B. Destination, Freight Prepaid and Added (charged back to the City on invoice), and risk of loss of Goods shall pass to the City when Goods are placed at the City's disposal for unloading at the destination address. The Contractor warrants that it has clear title to the products and that the products are free of liens or encumbrances.
- (B) Contractor's warranties hereunder exclude remedy for damage or defect caused by abuse, casualty, negligence, modifications or repair not performed by Contractor, improper or insufficient maintenance, improper storage, improper operation, including contrary to Contractor's instructions or warnings, or normal wear and tear. In respect of Goods provided but not manufactured and/or not designed by Contractor, Contractor's liability shall be limited to passing through to the City the benefit of any warranty provided by the vendor(s) of such products. Contractor shall cooperate with the efforts of the City to enforce such warranties with any such vendors, and Contractor shall assign, without cost to the City, all such warranties from vendors.
- (C) The products purchased under this Agreement shall be warranted by the Contractor or, if indicated in Attachment D by the manufacturer, for the warranty period and subject to warranty disclaimers stated therein. Attachment D is attached to this Agreement and is incorporated by reference into this Agreement as if fully set out here in its entirety.
- 10. Quality/Quantity Adjustments. Any quantities indicated on the Bid/Pricing Schedule are estimates only and do not obligate the City to order or accept more than the City's actual requirements nor do the estimates restrict the City from ordering less than its actual needs during the term of the Agreement and including any Option Period. Substitutions and deviations from the City's product requirements or specifications are prohibited without the prior written approval of the Contract Administrator.
- 11. Non-Appropriation. The continuation of this Agreement after the close of any fiscal year of the City, which fiscal year ends on September 30th annually, is subject to appropriations and budget approval specifically covering this Agreement as an expenditure in said budget, and it is within the sole discretion of the City's City Council to determine whether or not to fund this Agreement. The City does not

- represent that this budget item will be adopted, as said determination is within the City Council's sole discretion when adopting each budget.

When using subcontractors, however, the Contractor must obtain prior written approval from the Contract Administrator unless the subcontractors were named in the bid or in an attachment to this Agreement. In using subcontractors, the Contractor is responsible for all their acts and omissions to the same extent as if the subcontractor and its employees were employees of the Contractor. All requirements set forth as part of this Agreement, including the necessity of providing a COI in advance to the City, are applicable to all subcontractors and their employees to the same extent as if the Contractor and its employees had performed the work.
- **14. Amendments.** This Agreement may be amended or modified only in writing executed by authorized representatives of both parties.
- **15. Waiver.** No waiver by either party of any breach of any term or condition of this Agreement waives any subsequent breach of the same.
- 16. Taxes. The Contractor covenants to pay payroll taxes, Medicare taxes, FICA taxes, unemployment taxes and all other applicable taxes. Upon request, the City Manager shall be provided proof of payment of these taxes within 15 days of such request. The City must provide Contractor on annual basis with valid tax certificate(s) to enable Contractor to be exempt from paying any sales and/or use taxes on any Goods, otherwise the Contractor shall be entitled to invoice the City and City shall be obligated to compensate Contractor the amount of such taxes.
- 17. Notice. Any notice required under this Agreement must be given by fax, hand delivery, or certified mail, postage prepaid, and is deemed received on the day faxed or hand-delivered or on the third day after postmark if sent by certified mail. Notice must be sent as follows:
