Please take the number of photos required to show the condition of the property before and after cleaning. Photos showing condition of the property before and after must be submitted prior to receiving payment for the work. Failure to submit photos will lead to appropriate action up to and including suspension from participating in the program. All work completed by Contractor shall be subject to the approval of the area Code Compliance Officer or departmental designee. The Code Compliance Officer shall have the right to require the Contractor to re-mow, re-trim, re-edge, re-sweep, or re-board openings. Properties which have not been boarded adequately will be re-done before payment authorization is approved.

Leave all fencing and signs intact and in same state of repair as existing unless otherwise specified.
 Cut all weeds, grass, brush, bushes (except ornamentals), and stumps to ground level.
 Mow and trim (cut) around buildings, trees and fences.
 Scrape & sweep all growth on sidewalks, curbs, gutters and street.
 The cleaning of the lot includes the area between the front property line and the edge of the roadway. This includes ditches and easements.
 None of the materials pertaining to the foregoing may be placed or otherwise located on adjoining properties.
 Removal and disposition of salvage material must be approved by a Code Compliance Officer in writing.
 All debris such as but not limited to paper, cans, bottles, tree limbs, mowed grass/weeds and other unsightly matter must be disposed of at the City's landfill and a receipt from the landfill submitted prior to receiving payment.
 Do not leave any rubbish, debris, auto parts, fallen trees and furniture etc. on property.
 Trim trees 7 ft from ground and less than 13 feet over the street.
 Contractor must hand mow and rake where needed.
 Follow all clean-up specifications and contact Compliance Officer Luis Garza with any questions.
