Ordinance Renaming of Bufferhead Drive to Bufflehead Drive and waiving the fees requirement under Street Renaming Process

### **CAPTION:**

Ordinance changing the name of Bufferhead Drive to Bufflehead Drive between Eider Drive and Goldeneye Drive

### **PURPOSE:**

In 1973, the Club Estates Unit 1 Subdivision was platted. Street names were named after ducks, with one exception, Bufferhead. The proper duck name is Bufflehead.

### **BACKGROUND AND FINDINGS:**

The City has approved the request for the street renaming of Bufferhead Drive to Bufflehead Drive. Research conducted by City Traffic Engineer showed that this street was erroneously platted by the developer as Bufferhead Drive in lieu of Bufflehead Drive. The City Ordinance governing this process provides that all affected property owners be contacted to determine whether they support or oppose the street renaming. The survey results showed that 75% or more of the total property owners responded in support of the proposal.

### **ALTERNATIVES:**

1. Approve Renaming of street name. (recommended)
2. Do not approve Renaming of street name. (not recommended)
