| 3.                 |                              |                          |

**OUTSIDE PRESENTER(S):**

| <b><u>Name</u></b> | <b><u>Title/Position</u></b> | <b><u>Organization</u></b> |
|--------------------|------------------------------|----------------------------|
| 1.                 |                              |                            |
| 2.                 |                              |                            |
| 3.                 |                              |                            |

**BACKGROUND:**

Fire Station 18 was approved by the voters in a bond package in 2008. However, the approval of the construction of this station did not include operational staffing costs or capital equipment needs required for opening a new fire station. This briefing will include five alternatives to cover operational staffing and capital equipment costs.
