

# Department of Public Works

## CCTV Services Contract

Council Presentation  
May 14, 2024

## Why Is CCTV Necessary?

- 680 Miles of Storm Water Lines City-Wide
- No Past Inventory or Assessment of the System
- Currently a Reactive Activity When It Comes to Replacement
- CCTV Data Will Generate a Management Plan to Become Pro-Active in Replacement
- Plans for a dedicated MOL Construction Crew to Begin This Process of Replacement
