April 16, 2024

Dear Daniel McGinn and Keren Costanzo,

Habitat for Humanity Corpus Christi, Inc. is excited to participate in the project known as the Lamar Site Property Development Plan. This proposed development fits the mission of Habitat for Humanity to provide affordable housing to those in need. HFHCC has built several homes in this area with HFHCC homeowners still residing in the homes.

The planning of this development will create a community feel to the neighborhood with assets such as parks, a nearby bus stop, schools, health center, childcare, and other community amenities within walking distance.

HFHCC looks forward to being a participant in this partnership.

Respectfully,

**Cheryl Andrews**

Cheryl Andrews, Interim ED, and the BOD of HFHCC
