## Education, Professional and/or Community Activity (Present)

University of Houston Bachelors Degree, Real Estate Broker, Retired Certified Property Manager, Member of the Art Museum. Frequent Del Mar Events with my wife, Janet, who has taught English and ESOL there for 24 years. Frequent the Art Museum and local parks. As a commercial real estate lender and property manager I have done market studies in Dallas, Houston, San Antonio, Denver, Phoenix, Los Angeles, Atlanta, Macon, Jacksonville, Orlando, Tampa, St. Petersburg, Pensacola, and Ft. Walton Beach, in which I evaluated city's amenities and how they influenced property values. These studies made me acutely aware of the importance of public space and park and recreation facilities, and how they bear on a city's image for tourism and keeping and attracting good citizens and businesses. When evaluating Corpus Christi for a business relocation or start-up, a business will always consider the reaction of top talent to the prospect of living in the new location. The quality of public space is an important element. I have a unique perspective on that element due to the study of many cities over the span of my 40+ years in real estate lending and property management.
