# Project Scope

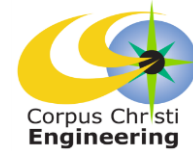

This provides for the award of the “RE-BID” for the project. In August 2015, staff presented the initial bids that exceeded the approved project budget and received direction from City Council to re-scope the project within or closer to the approved Bond 2012 budget. The following is the summary of the REBID scope and respective bids:

- Full depth reconstruction of the 2-lane road with designated left-turn lanes at intersections and new 5’ sidewalks on both sides (deletes continuous center turn lane)
- Maintain rural roadside design (deletes curb & gutter)
- Re-grading roadside ditches (deletes underground drainage – no curb & gutter)
- Delete wastewater line replacement (conflicts eliminated with drainage revisions)
- Delete 24” waterline replacement (conflicts eliminated with drainage revisions)
