Council Briefing

Amy Granberry

Advisory Council

The Advisory Council was formed by City leadership to reduce the duplication of local resources in Mental Health, Substance Abuse and Homeless Intervention.

Advisory Council Priorities

The Mission of the Advisory Council is to bring community leaders together
to identify and support the programs, practices and financial models that will
work for our community to address community concerns of homelessness,
mental illness and substance abuse. The Advisory Council will gather and
analyze examples from other communities, learn from their successes and
failures, and implement solutions for our community.

Community Environment

Corpus Christi has a number of local resource providers who are involved in helping the Homeless, but not all providers are created equal! Each provider has specific funding mandates, priorities and skills that *can* be amplified if successfully coordinated.

Local Government

- Ordinances & Laws
- Zoning
- Program Funding

Mental Health

- Counseling
- Education
- Emergency Shelter

Homeless Charities

- Feeding
- Temporary Shelter
- Financial Assistance

Substance Abuse

- Drug & Alcohol Treatment
- Inpatient Treatment
- Detoxification
- Recovery Housing

- 1. Ordinances
- 2. Zoning
- 3. Funding

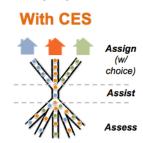

Coordinated Entry

- **Coordinated entry** is a process developed to ensure that all people experiencing a housing crisis have fair and equal access and are quickly identified, assessed for, referred, and connected to housing and assistance based on their strengths and needs.
- Required to continue receiving continuum of care funding and to be eligible for Emergency Solutions Grant-TDHCA
- Working with City and Texas Homeless Network to implement before January 2018
- 4 key components
 - Access
 - Assessment
 - Prioritization
 - Referral
- Create System change

Coordinated Entry System

Parks & Recreation Homeless Workers Program

- Based on The City of Albuquerque's "There's a Better Way" **Program**
- Workers will pickup trash and beautify the City
- Other local agencies can support
- This Concept CAN work in conjunction with the Community Service Workers program the Parks & Recreation Department has established with the Municipal Courts.
- Pilot Program For less than \$100,000! (5 workers 1 day per week)

Calls & Donations

Tent City / Tiny Homes

- City Locations
- City could partner by providing land and CDBG funding to build bathrooms and showers
- Partner with businesses to build tiny home community on city donated land
- Popular solution for homeless veterans
- Those who will benefit should participate in the build
- Rent would be charged and be very reasonable

Family Reunification Program

Based on Municipal Reunification Programs Across the Country

Denver, Portland, San Francisco

Corpus Christi is geographically Isolated from other Municipal Resources

- Corpus Christi's Beach Atmosphere is Attractive to Homeless in other Cities
- There are many more seasonal employers in Corpus Christi than other cities

Reuniting Homeless with Supportive Family Outside of Corpus Christi

- Must prove established support in new location
- Must abide by program guidelines: (TBD)
- · One time use only

SAMHSA Grant provides up to \$15,000 annually for 1 Part Time City Employee to facilitate the Homeless Advisory Committee.

This is an eligible expense under Emergency Solutions Grant
