

Rodd Field Road Expansion BOND 2014 Proposition 2

Council Presentation
December 15, 2015

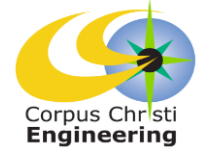

Project Location

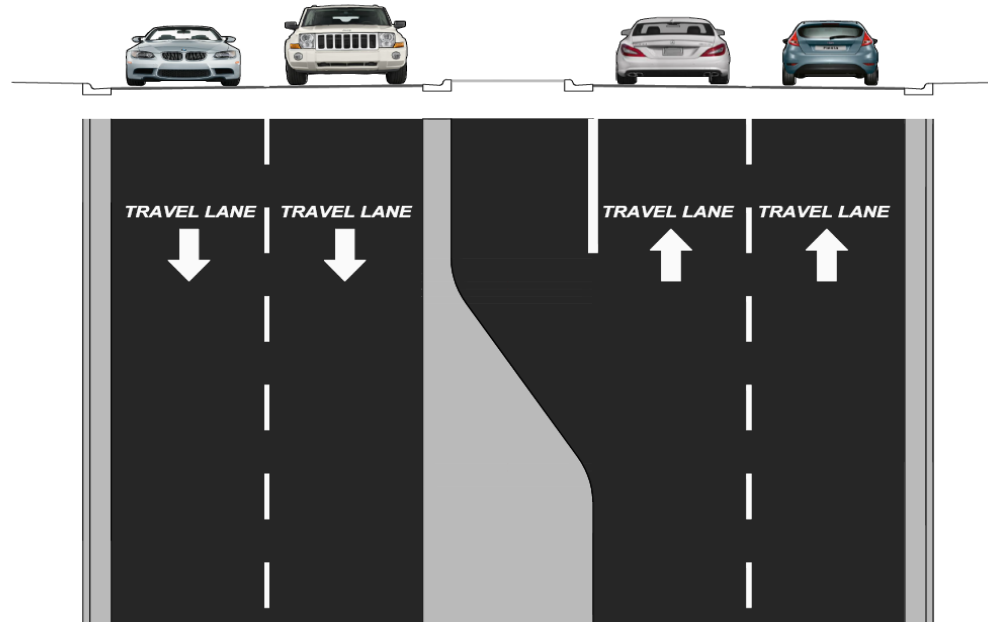

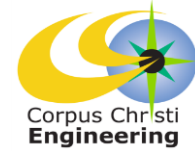

Project Location

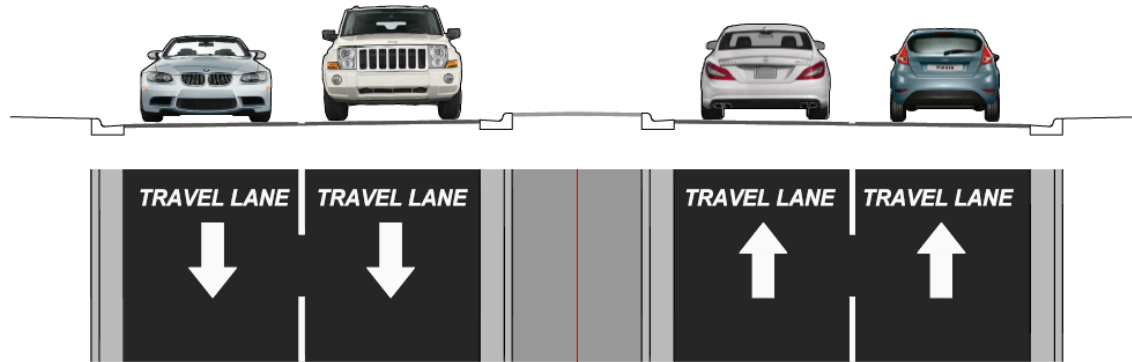

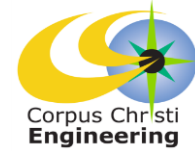

Project Layout

Project Layout

Project Scope

Project includes:

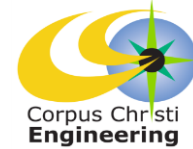

- Full-depth construction of a 5- lane roadway, 4-travel lanes and a controlled access median
- ADA compliant curb-ramps, sidewalks and pavement markings
- 10' concrete multi-use paths (each side of roadway) to include pedestrian and bicycle traffic
- Utilities with new wastewater, water, storm water and gas lines

Addition proposed work includes:

- **New intersection with signal**
