

Resolution amending and extending the FY2020-2025 Infrastructure Management Plan to include Fiscal Years 2026-2028 and to focus more on street rehabilitation and preventative maintenance utilizing a pavement only approach for the remaining years of the Infrastructure Management Plan.

WHEREAS, on October 27, 2020, the Public Works Department of the City of Corpus Christi presented City Council with a five-year infrastructure management plan (“IMP”);

WHEREAS, the first two years of the IMP are fully planned and underway, projects scheduled for FY2021 are 85% complete and the projects scheduled for FY2022 are 55% complete;

WHEREAS, on April 18, 2023, the City Council approved a Resolution amending the FY2020-2025 IMP Plan to allow Staff to move forward with a pavement only approach on the streets included in the IMP Plan. The New IMP scope or work will consist of mill and overlay with base repairs where required.

WHEREAS, the Public Works Department has determined that in order to rehabilitate more residential streets in the City, they need to focus on rehabilitation and preventative maintenance utilizing a pavement only approach on the remaining streets listed in the IMP for the remaining three years of the Program.

Be it resolved by the City Council of the City of Corpus Christi, Texas, that:

Section 1. The City Council specifically finds that the foregoing statements included in the preamble of this resolution are true and correct and adopts such findings for all intents and purposes.

Section 2. The City Council hereby adopts the FY2024-2028 Infrastructure Management Plan Amendments to the FY2020-2025 IMP Plan which is attached hereto and incorporated herein as Exhibit “A.”
