WHEREAS, the City Council (the *City Council*) of the City of Corpus Christi, Texas (the *City*) has heretofore issued, and there are currently outstanding revenue bonds (the *Previously Issued Junior Lien Obligations*) secured by a first and prior lien on and pledge of the Net Revenues (as hereinafter defined) of the City's combined utility systems (as further described and defined herein, the *System*); and

WHEREAS, in the City ordinances authorizing the issuance of the Previously Issued Junior Lien Obligations, the City reserved the right to issue revenue bonds on a parity with the Previously Issued Junior Lien Obligations from time to time outstanding; and

WHEREAS, the City Council has heretofore issued, and there are currently outstanding, obligations supported by a lien on and pledge of the Net Revenues of the System that are inferior to the lien thereon and pledge thereof securing the Junior Lien Obligations (the *Previously Issued Subordinate Lien Obligations*); and

WHEREAS, the City Council has determined for the purpose of improving the credit quality of its Junior Lien Obligations, which has become its primary lien for issuing System debt, that it will no longer issue "Priority Bonds" which were previously secured by a first and prior lien on and pledge of the Net Revenues of the System; and

WHEREAS, on the date hereof, no Priority Bonds remain outstanding, and all System revenue obligations previously subordinate and inferior to the Priority Bonds in priority of lien on and pledge of Net Revenues have been elevated in kind and priority as hereinbefore stated, and all revenue obligations herein and hereafter issued as Junior Lien Obligations shall be secured by a first and prior lien on and pledge of the Net Revenues on parity with the Previously Issued Junior Lien Obligations; and

WHEREAS, the City Council has determined that a new series of Junior Lien Obligations payable from and equally and ratably secured solely by a first and prior lien and pledge of the Net Revenues of the System on parity with the lien on and pledge of the Net Revenues securing the Previously Issued Junior Lien Obligations should be issued for the purpose of designing, planning, building, improving, extending, enlarging, and repairing the System; and

WHEREAS, pursuant to the provisions of Chapter 1502, as amended, Texas Government Code (*Chapter 1502*) and the City's Home Rule Charter, the City Council is authorized to issue revenue bonds;

WHEREAS, the Texas Water Development Board (the *Purchaser*) has agreed to purchase the revenue bonds herein authorized thereby making a loan to the City at an interest rate that is substantially below the current market rate for similar forms of indebtedness which will enable the City to undertake the proposed improvements to the System; and

WHEREAS, The Bank of New York Mellon Trust Company, N.A., Dallas, Texas, which is not a depository bank of the City, is appointed and will serve as the Paying Agent/Registrar (hereinafter defined) and Escrow Agent (hereinafter defined) for the revenue bonds; and

WHEREAS, the revenue bonds hereinafter authorized are to be issued and delivered pursuant to the laws of the State of Texas, including Chapter 1502, and the terms of this Ordinance (as hereinafter defined), for the purposes set forth in this Ordinance;

WHEREAS, the City Council hereby finds and determines that the issuance of the revenue bonds authorized herein and the adoption of this Ordinance is in the best interests of the citizens of the City; now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CORPUS CHRISTI, TEXAS:

SECTION 1. Authorization – Designation – Principal Amount – Purpose. Revenue improvement bonds of the City shall be and are hereby authorized to be issued in the aggregate principal amount of THREE MILLION FIVE HUNDRED SIXTY ONE THOUSAND AND NO/100 DOLLARS (\$3,561,000), to be designated and bear the title of CITY OF CORPUS CHRISTI, TEXAS UTILITY SYSTEM JUNIOR LIEN REVENUE IMPROVEMENT BONDS, NEW SERIES 2022A (the *Bonds*), pursuant to this ordinance adopted by the City Council (the *Ordinance*) for the purpose of (i) designing, planning, building, improving, extending, enlarging and repairing the System, and (ii) paying the costs of issuance relating thereto. The Bonds shall be payable from and equally and ratably secured solely by a lien on and pledge of the Junior Lien Pledged Revenues, which includes a first and prior lien on and pledge of Net Revenues that is on parity with the lien thereon and pledge thereof securing the repayment of the Previously Issued Junior Lien Obligations and is senior and superior to the lien thereon and pledge thereof securing the repayment of the Subordinate Lien Obligations and the Inferior Lien Obligations. The Bonds are authorized to be issued pursuant to the authority conferred by and in conformity with the laws of the State of Texas, including, particularly, Chapter 1502, the City’s Home Rule Charter, and this Ordinance.

SECTION 3. Payment of Bonds – Interest Payments – Paying Agent/Registrar. The principal of, premium, if any, and interest on the Bonds, due and payable by reason of Stated Maturity, redemption, or otherwise, shall be payable in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts, and such payment of principal of and interest on the Bonds shall be without exchange or collection charges to the Holder (as hereinafter defined) of the Bonds.

The Bonds shall bear interest on the unpaid principal amount thereof at the per annum rates shown above in Section 2, computed on the basis of a 360-day year of twelve 30-day months, and interest thereon shall be payable semiannually on January 15 and July 15 of each year (each, an *Interest Payment Date*), commencing January 15, 2023 while the Bonds are Outstanding. Interest on each Bond issued and delivered to a Holder shall accrue from the Closing Date (anticipated to occur on or about June 22, 2022) or from the latest Interest Payment Date that interest on such Bond (or its Predecessor Bond) has been paid that precedes the registration date appearing on such Bond in the “Registration Certificate of Paying Agent/Registrar” (Section 8D hereof), unless the registration date appearing thereon is an Interest Payment Date for which interest is being paid, in which case interest on such Bond shall accrue from the registration date appearing thereon and provided further that with respect to the initial payment of interest on a Bond.

The selection and appointment of The Bank of New York Mellon Trust Company, N.A., Dallas, Texas, to serve as the initial Paying Agent/Registrar (the *Paying Agent/Registrar*) for the Bonds is hereby approved and confirmed, and the City agrees and covenants to cause to be kept and maintained at the corporate trust office of the Paying Agent/Registrar books and records (the *Security Register*) for the registration, payment, and transfer of the Bonds, all as provided herein, in accordance with the terms and provisions of a Paying Agent/Registrar Agreement, attached, in substantially final form, as Exhibit A hereto, and such reasonable rules and regulations as the Paying Agent/Registrar and the City may prescribe. The City covenants to maintain and provide a Paying Agent/Registrar at all times while the Bonds are Outstanding, and any successor Paying

Agent/Registrar shall be (i) a national or state banking institution or (ii) an association or a corporation organized and doing business under the laws of the United States of America or of any state, authorized under such laws to exercise trust powers. Such Paying Agent/Registrar shall be subject to supervision or examination by federal or state authority and authorized by law to serve as a Paying Agent/Registrar.

The City reserves the right to appoint a successor Paying Agent/Registrar upon providing the previous Paying Agent/Registrar with a certified copy of a resolution or ordinance terminating such agency. Additionally, the City agrees to promptly cause a written notice of this substitution to be sent to each Holder of the Bonds by United States mail, first-class postage prepaid, which notice shall also give the address of the new Paying Agent/Registrar.

Both principal of, premium, if any, and interest on the Bonds, due and payable by reason of Stated Maturity, redemption or otherwise, shall be payable only to the registered owner of the Bonds appearing on the Security Register (the *Holder* or *Holder*s) maintained on behalf of the City by the Paying Agent/Registrar as hereinafter provided (i) on the Record Date (defined herein) for purposes of payment of interest thereon and (ii) on the date of surrender of the Bonds for purposes of receiving payment of principal thereof at the Bonds' Stated Maturity or upon prior redemption of the Bonds. The City and the Paying Agent/Registrar, and any agent of either, shall treat the Holder as the owner of a Bond for purposes of receiving payment and all other purposes whatsoever, and neither the City nor the Paying Agent/Registrar, or any agent of either, shall be affected by notice to the contrary.

Principal of, and premium, if any, on the Bonds shall be payable only upon presentation and surrender of the Bonds to the Paying Agent/Registrar at its corporate trust office. Interest on the Bonds shall be paid to the Holder whose name appears in the Security Register at the close of business on the last business day of the month next preceding an Interest Payment Date for the Bonds (the *Record Date*) and shall be paid (i) by check sent by United States mail, first-class postage prepaid, by the Paying Agent/Registrar, to the address of the Holder appearing in the Security Register or (ii) by such other method, acceptable to the Paying Agent/Registrar, requested in writing by the Holder at the Holder's risk and expense. While the Bonds are held by the Purchaser, payment of principal of, premium, if any, and interest on the Bonds shall be made by federal funds wire transfer, at no cost to the Purchaser, to an account at a financial institution located in the United States designated by the Purchaser.

If the date for the payment of the principal of, premium, if any, or interest on the Bonds shall be a Saturday, Sunday, a legal holiday, or a day on which banking institutions in the city where the corporate trust office of the Paying Agent/Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not such a day. The payment on such date shall have the same force and effect as if made on the original date any such payment on the Bonds was due.

In the event of a non-payment of interest on a scheduled payment date, and for thirty (30) days thereafter, a new record date for such interest payment (a *Special Record Date*) will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (the *Special Payment Date* - which shall be fifteen (15) days after the

Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States Mail, first-class postage prepaid, to the address of each Holder appearing on the Security Register at the close of business on the last business day next preceding the date of mailing of such notice.

SECTION 4. Redemption.

A. Special Mandatory Redemption. In the event that the Purchaser at such time remains the sole holder of the Bonds and the final accounting delivered by the City to the Purchaser in the form and manner specified in Section 29 of this Ordinance evidences that the total cost of the project or projects to be financed with Bond proceeds is less than the amount of Bond proceeds available for paying such costs or if the Executive Administrator of the Purchaser disapproves construction of any portion of such project or projects as not being in accordance with the plans and specifications, then the City shall, unless an alternative is permitted under Section 29 hereof, immediately, with the filing of the final accounting, redeem Bonds in the amount of such excess and/or cost determined by the Executive Administrator of the Purchaser relating to the parts of such project or projects not built in accordance with the plans and specifications, to the nearest multiple of the authorized denomination for the Bonds. Bonds redeemed pursuant to this provision shall be redeemable on any date, as a whole or in part, in principal amounts of \$1,000 or any integral multiple of \$1,000 in excess thereof (and if within a Stated Maturity, selected at random and by lot by the Paying Agent/Registrar), at the redemption price of par plus accrued interest to the date of redemption.

B. Optional Redemption. The Bonds having Stated Maturities on and after July 15, 2033 shall be subject to redemption prior to Stated Maturity, at the option of the City, on July 15, 2032, or any date thereafter, as a whole or in part, in principal amounts of \$1,000 or any integral multiple of \$1,000 in excess thereof (and if within a Stated Maturity selected at random and by lot by the Paying Agent/Registrar), at the redemption price of par plus accrued interest to the date of redemption.

C. Exercise of Redemption Option. At least forty-five (45) days prior to a date set for the redemption of Bonds (unless a shorter notification period shall be satisfactory to the Paying Agent/Registrar), the City shall notify the Paying Agent/Registrar of its decision to exercise the right or of the requirement, as applicable, to redeem Bonds, the principal amount of each Stated Maturity to be redeemed, and the date set for the redemption thereof. The decision of the City to exercise the right to redeem Bonds shall be entered in the minutes of the City Council.

D. Selection of Bonds for Redemption. If less than all Outstanding Bonds of the same Stated Maturity are to be redeemed on a redemption date, the Paying Agent/Registrar shall select at random and by lot the Bonds to be redeemed, provided that if less than the entire principal amount of a Bond is to be redeemed, the Paying Agent/Registrar shall treat such Bond then subject to redemption as representing the number of Bonds Outstanding which is obtained by dividing the principal amount of such Bond by \$1,000.

E. Notice of Redemption. Not less than thirty (30) days prior to a redemption date for the Bonds, a notice of redemption shall be sent by United States Mail, first-class postage prepaid,

in the name of the City and at the City's expense, by the Paying Agent/Registrar to each Holder of a Bond to be redeemed, in whole or in part, at the address of the Holder appearing on the Security Register at the close of business on the business day next preceding the date of mailing such notice, and any notice of redemption so mailed shall be conclusively presumed to have been duly given irrespective of whether received by the Holder. This notice may also be published once in a financial publication, journal, or reporter of general circulation among securities dealers in the City of New York, New York (including, but not limited to, *The Bond Buyer* and *The Wall Street Journal*), or in the State of Texas (including, but not limited to, *The Texas Bond Reporter*).

All notices of redemption shall (i) specify the date of redemption for the Bonds, (ii) identify the Bonds to be redeemed and, in the case of a portion of the principal amount to be redeemed, the principal amount thereof to be redeemed, (iii) state the redemption price, (iv) state that the Bonds, or the portion of the principal amount thereof to be redeemed, shall become due and payable on the redemption date specified, and the interest thereon, or on the portion of the principal amount thereof to be redeemed, shall cease to accrue from and after the redemption date, and (v) specify that payment of the redemption price for the Bonds, or the principal amount thereof to be redeemed, shall be made at the corporate trust office of the Paying Agent/Registrar only upon presentation and surrender thereof by the Holder. If a Bond is subject by its terms to redemption and has been called for redemption and notice of redemption thereof has been duly given or waived as herein provided, such Bond (or the principal amount thereof to be redeemed) so called for redemption shall become due and payable, and if money sufficient for the payment of such Bonds (or of the principal amount thereof to be redeemed) at the then applicable redemption price is held for the purpose of such payment by the Paying Agent/Registrar, then on the redemption date designated in such notice, interest on said Bonds (or the principal amount thereof to be redeemed) called for redemption shall cease to accrue, and such Bonds shall not be deemed to be Outstanding in accordance with the provisions of this Ordinance.

F. Transfer/Exchange. Neither the City nor the Paying Agent/Registrar shall be required (i) to transfer or exchange any Bond during a period beginning forty-five (45) days prior to the date fixed for redemption of the Bonds or (ii) to transfer or exchange any Bond selected for redemption, provided; however, such limitation of transfer shall not be applicable to an exchange by the Holder of the unredeemed balance of a Bond which is subject to redemption in part.

SECTION 5. Execution – Registration. The Bonds shall be executed on behalf of the City by its Mayor or Mayor Pro Tem, its seal reproduced or impressed thereon, and attested by the City Secretary. The signature of either officer on the Bonds may be manual or facsimile. Bonds bearing the manual or facsimile signatures of individuals who were, at the time of the Dated Date, the proper officers of the City shall bind the City, notwithstanding that such individuals or either of them shall cease to hold such offices prior to the delivery of the Bonds to the Purchaser, all as authorized and provided in Chapter 1201, as amended, Texas Government Code.

No Holder of a Bond shall be entitled to any right or benefit under this Ordinance, or be valid or obligatory for any purpose, unless there appears on such Bond either a certificate of registration substantially in the form provided in Section 8C, executed by the Comptroller of Public Accounts of the State of Texas or his duly authorized agent by manual signature for the Initial Bond only, or a certificate of registration substantially in the form provided in Section 8D for Bonds other than the Initial Bond, executed by the Paying Agent/Registrar by manual signature,

and either such certificate upon any Bond shall be conclusive evidence, and the only evidence, that such Bond has been duly certified or registered and delivered.

SECTION 6. Registration – Transfer – Exchange of Bonds – Predecessor Bonds. The Paying Agent/Registrar shall obtain, record, and maintain in the Security Register the name and address of every owner of the Bonds, or, if appropriate, the nominee thereof. Any Bond may, in accordance with its terms and the terms hereof, be transferred or exchanged for Bonds of other authorized denominations upon the Security Register by the Holder, in person or by his duly authorized agent, upon surrender of such Bond to the Paying Agent/Registrar for cancellation, accompanied by a written instrument of transfer or request for exchange duly executed by the Holder or by his duly authorized agent, in form satisfactory to the Paying Agent/Registrar.

Upon surrender for transfer of any Bond at the corporate trust office of the Paying Agent/Registrar, the City shall execute and the Paying Agent/Registrar shall register and deliver, in the name of the designated transferee or transferees, one or more new Bonds of authorized denomination and having the same Stated Maturity and of a like interest rate and aggregate principal amount as the Bond or Bonds surrendered for transfer.

At the option of the Holder, Bonds may be exchanged for other Bonds and of authorized denominations and having the same Stated Maturity, bearing the same rate of interest and of like aggregate principal amount as the Bonds surrendered for exchange upon surrender of the Bonds to be exchanged at the corporate trust office of the Paying Agent/Registrar. Whenever any Bonds are so surrendered for exchange, the City shall execute, and the Paying Agent/Registrar shall register and deliver, the Bonds, to the Holder requesting the exchange.

All Bonds issued upon any transfer or exchange of Bonds shall be delivered at the corporate trust office of the Paying Agent/Registrar, or be sent by registered mail to the Holder at his request, risk, and expense, and upon the delivery thereof, the same shall be the valid and binding obligations of the City, evidencing the same obligation to pay, and entitled to the same benefits under this Ordinance, as the Bonds surrendered upon such transfer or exchange.

All transfers or exchanges of Bonds pursuant to this Section shall be made without expense or service charge to the Holder, except as otherwise herein provided, and except that the Paying Agent/Registrar shall require payment by the Holder requesting such transfer or exchange of any fee, tax or other governmental charges required to be paid with respect to such transfer or exchange.

Bonds canceled by reason of an exchange or transfer pursuant to the provisions hereof are hereby defined to be Predecessor Bonds, evidencing all or a portion, as the case may be, of the same debt evidenced by the new Bond or Bonds registered and delivered in the exchange or transfer therefor. Additionally, the term Predecessor Bonds shall include any Bond registered and delivered pursuant to Section 27 in lieu of a mutilated, lost, destroyed, or stolen Bond which shall be deemed to evidence the same obligation as the mutilated, lost, destroyed, or stolen Bond.

SECTION 7. Initial Bond. The Bonds herein authorized shall be issued initially either (i) as a single fully-registered Bond in the total principal amount of \$3,561,000 with principal installments to become due and payable as provided in Section 2 and numbered T-1, or (ii) as one

(1) fully-registered Bond for each year of Stated Maturity in the applicable principal amount and denomination and to be numbered consecutively from T-1 and upward (the *Initial Bond*) and, in either case, the Initial Bond shall be registered in the name of the Purchaser or the designee thereof. The Initial Bond shall be the Bond submitted to the Office of the Attorney General of the State of Texas for approval, certified and registered by the Office of the Comptroller of Public Accounts of the State of Texas and delivered to the Purchaser. Any time after the delivery of the Initial Bond, the Paying Agent/Registrar shall cancel the Initial Bond delivered hereunder and exchange therefor definitive Bonds of authorized denominations, Stated Maturities, principal amounts and bearing applicable interest rates for transfer and delivery to the Holders named at the addresses identified therefor; all pursuant to and in accordance with such written instructions from the Purchaser, or the designee thereof, and such other information and documentation as the Paying Agent/Registrar may reasonably require.

SECTION 8. Forms.

A. Forms Generally. The Bonds, the Registration Certificate of the Comptroller of Public Accounts of the State of Texas, the Certificate of Paying Agent/Registrar, and the form of Assignment to be printed on each of the Bonds shall be substantially in the forms set forth in this Section with such appropriate insertions, omissions, substitutions, and other variations as are permitted or required by this Ordinance and may have such letters, numbers, or other marks of identification (including insurance legends in the event the Bonds, or any Stated Maturities thereof, are insured and identifying numbers and letters of the Committee on Uniform Securities Identification Procedures of the American Bankers Association) and such legends and endorsements (including any reproduction of an opinion of Bond Counsel (hereinafter referenced)) thereon as may, consistent herewith, be established by the City or determined by the officers executing the Bonds as evidenced by their execution thereof. Any portion of the text of any Bond may be set forth on the reverse thereof, with an appropriate reference thereto on the face of the Bond.

The definitive Bonds shall be printed, lithographed, or engraved, produced by any combination of these methods, or produced in any other similar manner, all as determined by the officers executing the Bonds as evidenced by their execution thereof, but the Initial Bond submitted to the Attorney General of Texas may be typewritten or photocopied or otherwise reproduced.

The Bonds having Stated Maturities on and after July 15, 2033 shall be subject to redemption prior to Stated Maturity, at the option of the City, on July 15, 2032, or any date thereafter, as a whole or in part, in principal amounts of \$1,000 or any integral multiple of \$1,000 in excess thereof (and if within a Stated Maturity selected at random and by lot by the Paying Agent/Registrar), at the redemption price of par plus accrued interest to the date of redemption.

In the event that the Purchaser at such time remains the sole holder of the Bonds and the final accounting delivered by the City to the Purchaser in the form and manner specified in the Ordinance evidences that the total cost of the project to be financed with Bond proceeds is less than the amount of Bond proceeds available for paying such costs or if the Executive Administrator of the Purchaser disapproves construction of any portion of such project or projects as not being in accordance with the plans and specifications, then the City shall, unless the Ordinance permits another use of such excess funds, immediately, with the filing of the final accounting, redeem Bonds in the amount of such excess and/or cost determined by the Executive Administrator of the Purchaser relating to the parts of such project or projects not built in accordance with the plans and specifications to the nearest multiple of the authorized denomination for the Bonds. Bonds redeemed pursuant to this provision shall be redeemable on any date, as a whole or in part, in principal amounts of \$1,000 or any integral multiple of \$1,000 in excess thereof (and if within a Stated Maturity, selected at random and by lot by the Paying Agent/Registrar), at the redemption price of par plus accrued interest to the date of redemption.

If this Bond (or any portion of the principal sum hereof) shall have been duly called for redemption and notice of such redemption duly given, then upon such redemption date this Bond (or the portion of the principal sum hereof to be redeemed) shall become due and payable, and, if money for the payment of the redemption price and the interest accrued on the principal amount to be redeemed to the date of redemption is held for the purpose of such payment by the Paying Agent/Registrar, interest shall cease to accrue and be payable hereon from and after the redemption date on the principal amount hereof to be redeemed. In the event of a partial redemption of the principal amount of this Bond, payment of the redemption price of such principal amount shall be made to the registered owner only upon presentation and surrender of this Bond to the corporate trust office of the Paying Agent/Registrar and, there shall be issued to the registered owner hereof, without charge, a new Bond or Bonds of like maturity and interest rate in any authorized

denominations provided in the Ordinance for the then unredeemed balance of the principal sum hereof. If this Bond is called for redemption, in whole or in part, the City or the Paying Agent/Registrar shall not be required to issue, transfer, or exchange this Bond within forty-five (45) days of the date fixed for redemption; provided, however, such limitation of transfer shall not be applicable to an exchange by the Holder of the unredeemed balance hereof in the event of its redemption in part.

The Bonds of this series are special obligations of the City, issued as Junior Lien Obligations, payable from and equally and ratably secured by a lien on and pledge of the Junior Lien Pledged Revenues, being (primarily) a first and prior lien on and pledge of the Net Revenues derived from the operation of the City's combined utility systems (as further described in the Ordinance, the *System*) that is on parity with the lien thereon and pledge thereof securing the repayment of the Previously Issued Junior Lien Obligations and that is senior and superior to the lien thereon and pledge thereof securing the repayment of the Subordinate Lien Obligations and the Inferior Lien Obligations. In the Ordinance, the City reserves and retains the right to issue Additional Junior Lien Obligations, Subordinate Lien Obligations, and Inferior Lien Obligations without limitation as to principal amount but subject to any terms, conditions, or restrictions set forth in the Ordinance or as may be applicable thereto under law or otherwise. The Bonds do not constitute a legal or equitable pledge, charge, lien, or encumbrance upon any property of the City or System, except with respect to the Junior Lien Pledged Revenues.

The Holder hereof shall never have the right to demand payment of this obligation out of any funds raised or to be raised by taxation.

Reference is hereby made to the Ordinance, a copy of which is on file in the corporate trust office of the Paying Agent/Registrar, and to all of the provisions of which the Holder by his acceptance hereof hereby assents, for definitions of terms; the description and nature of the Junior Lien Pledged Revenues pledged for the payment of the Bonds; the terms and conditions under which the City may issue Additional Junior Lien Obligations, Additional Subordinate Lien Obligations and Inferior Lien Obligations; the terms and conditions relating to the transfer or exchange of the Bonds; the conditions upon which the Ordinance may be amended or supplemented with or without the consent of the Holders; the rights, duties, and obligations of the City and the Paying Agent/Registrar; the terms and provisions upon which this Bond may be redeemed or discharged at or prior to the Stated Maturity thereof, and deemed to be no longer Outstanding thereunder; and for the other terms and provisions specified in the Ordinance. Capitalized terms used herein have the same meanings assigned in the Ordinance.

This Bond, subject to certain limitations contained in the Ordinance, may be transferred on the Security Register upon presentation and surrender at the corporate trust office of the Paying Agent/Registrar, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Paying Agent/Registrar duly executed by the Holder hereof, or his duly authorized agent, and thereupon one or more new fully registered Bonds of the same Stated Maturity, of authorized denominations, bearing the same rate of interest, and of the same aggregate principal amount will be issued to the designated transferee or transferees.

The City and the Paying Agent/Registrar, and any agent of either, shall treat the Holder hereof whose name appears on the Security Register (i) on the Record Date as the owner hereof

for purposes of receiving payment of interest hereon, (ii) on the date of surrender of this Bond as the owner hereof for purposes of receiving payment of principal hereof at its Stated Maturity, or its redemption, in whole or in part, and (iii) on any other date as the owner hereof for all other purposes, and neither the City nor the Paying Agent/Registrar, or any such agent of either, shall be affected by notice to the contrary. In the event of a non-payment of interest on a scheduled payment date, and for thirty (30) days thereafter, a new record date for such interest payment (a *Special Record Date*) will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (the *Special Payment Date* - which shall be fifteen (15) days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States mail, first-class postage prepaid, to the address of each Holder appearing on the Security Register at the close of business on the last business day next preceding the date of mailing of such notice.

It is hereby certified, covenanted, and represented that all acts, conditions, and things required to be performed, exist, and be done precedent to the issuance of this Bond in order to render the same a legal, valid, and binding special obligation of the City have been performed, exist, and have been done, in regular and due time, form, and manner, as required by law, and that issuance of the Bonds does not exceed any constitutional or statutory limitation; and that due provision has been made for the payment of the principal of and interest on the Bonds by a pledge of and lien on the Junior Lien Pledged Revenues. In case any provision in this Bond or any application thereof shall be deemed invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions and applications shall not in any way be affected or impaired thereby. The terms and provisions of this Bond and the Ordinance shall be construed in accordance with and shall be governed by the laws of the State of Texas.

MM. The term *Special Project* shall mean, to the extent permitted by law, any water, sewer, wastewater reuse, or municipal drainage system property, improvement, or facility declared by the City, upon the recommendation of the City Council, not to be part of the System, for which the costs of acquisition, construction, and installation are paid from proceeds of Special Project Bonds (as hereinafter defined) being a financing transaction other than the issuance of bonds payable from ad valorem taxes, Net Revenues, or Junior Lien Pledged Revenues, and for which all maintenance and operation expenses are payable from sources other than ad valorem taxes, Net Revenues, or Junior Lien Pledged Revenues, but only to the extent that and for so long as all or any part of the revenues or proceeds of which are or will be pledged to secure the payment or repayment of such costs of acquisition, construction, and installation under such Special Project Bonds.

NN. The term *Stated Maturity* shall mean the annual principal payments of the Bonds payable on July 15 of each year, as set forth in Section 2 of this Ordinance.

OO. The term *Subordinate Lien Obligations* shall mean (i) the Previously Issued Subordinate Lien Obligations, (ii) any Additional Subordinate Lien Obligations, and (iii) any obligations issued to refund the foregoing payable and equally and ratably secured from a lien on and pledge of the Net Revenues that is subordinate and inferior to the lien thereon and pledge

thereof that is included in Junior Lien Pledged Revenues but superior to the lien thereon and pledge thereof securing the payment of the Inferior Lien Obligations, as determined by the City Council in accordance with any applicable law.

PP. The term *System* shall mean and include, whether now existing or hereinafter added, the City's existing combined waterworks system, wastewater disposal system and gas system, together with all future extensions, improvements, enlargements, and additions thereto, including, to the extent permitted by law (and to be added at the sole discretion of the City), storm sewer and drainage within the waterworks system, solid waste disposal system, additional utility (including electricity), telecommunications, technology, and any other similar enterprise services, and all replacements, additions, and improvements to any of the foregoing, within or without the City limits; provided that, notwithstanding the foregoing, and to the extent now or hereafter authorized or permitted by law, the term System shall not include any waterworks, wastewater or gas facilities which are declared by the City to be a Special Project and not a part of the System and which are hereafter acquired or constructed by the City with the proceeds from the issuance of Special Project Bonds, which are hereby defined as being special revenue obligations of the City which are not secured by or payable from all or part of the Net Revenues and/or Junior Lien Pledged Revenues, but which are secured by and payable solely from special contract revenues, or payments received from the City or any other legal entity, or any combination thereof, in connection with such facilities; and such revenues or payments shall not be considered as or constitute Gross Revenues of the System, unless and to the extent otherwise provided in the ordinance or ordinances authorizing the issuance of such Special Project Bonds.

QQ. The term *System Fund* shall have the meaning given such term in Section 12 of this Ordinance.

SECTION 10. Pledge of Junior Lien Pledged Revenues.

A. The City hereby covenants and agrees that the Junior Lien Pledged Revenues of the System are hereby irrevocably pledged to the payment and security of the Junior Lien Obligations, including the establishment and maintenance of the special funds or accounts created for the payment and security thereof, all as hereinafter provided; and it is hereby ordained that the Junior Lien Obligations, and the interest thereon, shall constitute a lien on and pledge of the Junior Lien Pledged Revenues and be valid and binding without any physical delivery thereof or further act by the City, and the lien created hereby on the Junior Lien Pledged Revenues for the payment and security of the Junior Lien Obligations, shall be prior in right and claim as to any other indebtedness, liability, or obligation of the City or the System. The Junior Lien Obligations are and will be secured by and payable only from the Junior Lien Pledged Revenues, and are not secured by or payable from a mortgage or deed of trust on any properties whether real, personal, or mixed, constituting the System.

B. Chapter 1208, as amended, Texas Government Code, applies to the issuance of the Bonds and the pledge of Junior Lien Pledged Revenues granted by the City under subsection A of this Section, and such pledge is therefore valid, effective, and perfected. If Texas law is amended at any time while the Junior Lien Obligations are Outstanding and unpaid such that the pledge of the Junior Lien Pledged Revenues granted by the City is to be subject to the filing requirements of Chapter 9, Texas Business & Commerce Code, then in order to preserve to the registered owners

of the Junior Lien Obligations the perfection of the security interest in this pledge, the City Council agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, as amended, Texas Business & Commerce Code and enable a filing to perfect the security interest in this pledge to occur.

SECTION 11. Rates and Charges. For the benefit of the Holders of the Bonds and in addition to all provisions and covenants in the laws of the State of Texas and in this Ordinance, the City hereby expressly stipulates and agrees, while any of the Junior Lien Obligations are Outstanding, to establish and maintain rates and charges for facilities and services afforded by the System that are reasonably expected, on the basis of available information and experience and with due allowance for contingencies, to produce Gross Revenues in each Fiscal Year sufficient:

A. To pay all Operating Expenses, or any expenses required by statute to be a first claim on and charge against the Gross Revenues of the System.

B. To produce Net Revenues, together with any other lawfully available funds, equal to at least 1.15 times Average Annual Debt Service Requirements on the then-Outstanding Junior Lien Obligations and to deposit the amounts required to be deposited in any reserve or contingency fund or account created for the payment and security of the Junior Lien Obligations, and any other obligations or evidences of indebtedness issued or incurred that are payable from and secured solely by a first and prior lien on and pledge of the Net Revenues, including the Junior Lien Pledged Revenues, that is senior and superior to the lien thereon and pledge thereof securing the repayment of the Subordinate Lien Obligations and the Inferior Lien Obligations;

C. To produce Net Revenues, together with any other lawfully available funds, sufficient to pay the amounts that may be deposited in the special funds established for the payment of the Subordinate Lien Obligations;

D. To produce Net Revenues, together with any other lawfully available funds, sufficient to pay the principal of and interest on the Inferior Lien Obligations as the same become due and payable and to deposit the amounts required to be deposited in any reserve or contingency fund or account created for the payment and security of the Inferior Lien Obligations, and any other obligations or evidences of indebtedness issued or incurred that are payable from and secured solely by a lien on and pledge of the Net Revenues that is subordinate and inferior to the lien thereon and pledge thereof securing the repayment of the Junior Lien Obligations and the Subordinate Lien Obligations; and

E. To pay, together with any other lawfully available funds, any other legally incurred Debt payable from the Net Revenues of the System and/or secured by a lien on any part of the System.

The determination of the amount of principal of and interest on any obligations identified in this Section for the purpose of confirming the sufficiency of System rates and charges shall be made after giving consideration as an offset to debt service the receipt or anticipated receipt of a refundable tax credit or similar payment relating to any series of obligations irrevocably designated as refundable tax credit bonds pursuant to the City ordinance authorizing their issuance or otherwise relating thereto.

SECTION 12. System Fund. The City hereby covenants, agrees, and ratifies its prior covenants and agreements that the Gross Revenues of the System shall be deposited, as collected and received, into a separate Fund or account (previously created and established and to be maintained with the Depository) known as the “City of Corpus Christi, Texas Utility System Revenue Fund” (the *System Fund*) and that the Gross Revenues of the System shall be kept separate and apart from all other funds of the City. All Gross Revenues deposited into the System Fund shall be pledged and appropriated to the extent required for the following uses and in the order of priority shown:

A. First: To the payment of all necessary and reasonable Operating Expenses or other expenses required by statute to be a first charge on and claim against the revenues of the System.

B. Second: To the payment of the amounts required to be deposited into the special funds and accounts created and established for the payment, security and benefit of the Previously Issued Junior Lien Obligations, the Bonds, and any Additional Junior Lien Obligations hereafter issued by the City.

C. Third: To the payment of the amounts required to be deposited into the special funds and accounts created and established for the payment, security and benefit the Previously Issued Subordinate Lien Obligations and any Additional Subordinate Lien Obligations hereafter issued by the City.

D. Fourth: To the payment of the amounts that must be deposited in any special funds and accounts created and established for the payment, security, and benefit any Inferior Lien Obligations hereafter issued by the City.

Any Net Revenues remaining in the System Fund following such transfers may be used by the City for payment of other obligations of the System, and for any other lawful purpose.

SECTION 13. Bond Fund - Excess Funds. For purposes of providing funds to pay the principal of and interest on the currently Outstanding Junior Lien Obligations as the same become due and payable, the City agrees to maintain, at the Depository, a separate and special Fund or account to be created and known as the “City of Corpus Christi, Texas Utility System Junior Lien Revenue Improvement Bonds Interest and Sinking Fund” (the *Bond Fund*). The City covenants that there shall be deposited by an Authorized Official into the Bond Fund prior to each principal and interest payment date from the available Net Revenues an amount equal to one hundred per cent (100%) of the amount required to fully pay the interest on and the principal of the currently Outstanding Junior Lien Obligations then falling due and payable, such deposits to pay maturing principal and accrued interest on the currently Outstanding Junior Lien Obligations to be made in substantially equal monthly installments on or before the 10th day of each month, beginning on or before the 10th day of the month next following the delivery of the Bonds to the Purchasers. As described further in Section 15 hereof, if the Junior Lien Pledged Revenues in any month are insufficient to make the required payments into the Bond Fund, then the amount of any deficiency in such payment shall be added to the amount otherwise required to be paid into the Bond Fund in the next month.

The required monthly deposits to the Bond Fund for the payment of principal of and interest on the currently Outstanding Junior Lien Obligations shall continue to be made as hereinabove provided until such time as (i) the total amount on deposit in the Bond Fund and Reserve Fund is equal to the amount required to fully pay and discharge all Outstanding Junior Lien Obligations (principal and interest) or (ii) the Junior Lien Obligations are no longer Outstanding.

Any proceeds of the Bonds, and investment income thereon, not expended for authorized purposes shall be deposited into the Bond Fund and shall be taken into consideration and reduce the amount of monthly deposits required to be deposited into the Bond Fund from the Net Revenues of the System.

Any surplus proceeds from the sale of the Bonds, including investment income thereon, not expended for authorized purposes shall be deposited in the Bond Fund, and such amounts so deposited shall reduce the sums otherwise required to be deposited in such Fund from the Junior Lien Pledged Revenues.

SECTION 14. Reserve Fund. To accumulate and maintain a reserve for the payment of the Bonds equal to 100% of the Average Annual Debt Service Requirements or such lesser amount as restricted by the Code (calculated by the City Council at the beginning of each Fiscal Year and as of the date of issuance of the Bonds and each series of Additional Junior Lien Obligations) for the Bonds (the *Required Reserve Amount*), the City hereby creates and establishes, and shall maintain at a Depository a separate and special fund known as the "Corpus Christi, Texas Utility System Junior Lien Revenue Improvement Bonds Reserve Fund" (the *Reserve Fund*). Earnings and income derived from the investment of amounts held for the credit of the Reserve Fund shall be retained in the Reserve Fund until the Reserve Fund contains the Required Reserve Amount; thereafter, such earnings and income shall be deposited to the credit of the System Fund. All funds deposited into the Reserve Fund shall be used solely for the payment of the principal of and interest on the Bonds, when and to the extent other funds available for such purposes are insufficient, and, in addition, may be used to retire the last Stated Maturity or Stated Maturities of or interest on the Bonds.

The City may acquire a Credit Facility or Facilities issued by a Credit Provider in amounts equal to all or part of the Required Reserve Amount for the Bonds in lieu of depositing cash into the Reserve Fund; provided, however, that no such Credit Facility may be so substituted unless the substitution of the Credit Facility will not, in and of itself, cause any ratings then assigned to the Bonds by any nationally recognized rating agency to be lowered and the resolution authorizing the substitution of the Credit Facility for all or part of the Required Reserve Amount for the Bonds contains (i) a finding that such substitution is cost effective and (ii) a provision that the interest due on any repayment obligation of the City by reason of payments made under such Credit Facility does not exceed the highest lawful rate of interest which may be paid by the City at the time of the delivery of the Credit Facility. The City reserves the right to use Junior Lien Pledged Revenues to fund the payment of (1) periodic premiums on the Credit Facility as a part of the payment of the City's Operating Expenses, and (2) any repayment obligation incurred by the City (including interest) to the Credit Provider, the payment of which will result in the reinstatement of such Credit Facility, prior to making payments required to be made to the Reserve Fund pursuant to the provisions of this Section to restore the balance in such fund the Required Reserve Amount for the Bonds.

Until the issuance of any Additional Junior Lien Obligations (or as from time to time recalculated by the City as provided in the first paragraph of this Section), the Required Reserve Amount is \$ _____ (inclusive of the Bonds). Of this amount, \$ _____, representing the increase in the Required Reserve Amount attributable to the issuance of the Bonds, shall be deposited to the Reserve Fund at such time as may be required pursuant to the provisions of this Section from Revenues, paid from the System Fund at such level of priority as specified in Section 12, by the deposit of monthly installments, made on or before the 10th day of each month following the month in which such obligation to fund the Reserve Fund arises, of not less than 1/60th of the amount to be maintained in the Reserve Fund.

As and when Additional Junior Lien Obligations are delivered or incurred, the Required Reserve Amount shall be increased, if required, to an amount calculated in the manner provided in the first paragraph of this Section. Any additional amount required to be maintained in the Reserve Fund shall be so accumulated by the deposit of all or a portion of the necessary amount from the proceeds of the issue or other lawfully available funds in the Reserve Fund immediately after the delivery of the then proposed Additional Junior Lien Obligations, or, at the option of the City, by the deposit of monthly installments, made on or before the business day before the 10th day of each month following the month of delivery of the then proposed Additional Junior Lien Obligations, of not less than 1/60th of the additional amount to be maintained in the Reserve Fund by reason of the issuance of the Additional Junior Lien Obligations then being issued (or 1/60th of the balance of the additional amount not deposited immediately in cash) (such deposits, the *Required Reserve Fund Deposits*), thereby ensuring the accumulation in the Reserve Fund of the appropriate Required Reserve Amount.

When and for so long as the cash and investments in the Reserve Fund equal the Required Reserve Amount, no deposits need be made to the credit of the Reserve Fund; but, if and when the Reserve Fund at any time contains less than the Required Reserve Amount (other than as the result of the issuance of Additional Junior Lien Obligations as provided in the preceding paragraph), the City covenants and agrees to cure the deficiency in the Required Reserve Amount by resuming the Required Reserve Fund Deposits to the Reserve Fund from the Junior Lien Pledged Revenues in monthly deposit amounts equal to not less than 1/60th of the Required Reserve Amount covenanted by the City to be maintained in the Reserve Fund. Any such deficiency payments shall be made on or before the 10th day of each month until the Required Reserve Amount has been fully restored. The City further covenants and agrees that, subject only to the prior payments to be made to the Bond Fund, the Junior Lien Pledged Revenues shall be applied and appropriated and used to establish and maintain the Required Reserve Amount and to cure any deficiency in such amounts as required by the terms of this Ordinance and any other ordinance pertaining to the issuance of Additional Junior Lien Obligations.

During such time as the Reserve Fund contains the Required Reserve Amount, the City Council may, at its option, withdraw all surplus funds in the Reserve Fund in excess of the Required Reserve Amount. Any such withdrawn surplus shall be deposited to the Bond Fund or used by the City for any other lawful purpose; provided, however, to the extent that such excess amount represents Bond proceeds, then such amount must be transferred to the Bond Fund or be otherwise used in accordance with then-applicable State law.

In the event a Credit Facility issued to satisfy all or a part of the City's obligation with respect to the Reserve Fund causes the amount then on deposit in the Reserve Fund to exceed the Required Reserve Amount for the Bonds, the City may transfer such excess amount to any fund or funds established for the payment of or security for the Bonds (including any escrow established for the final payment of any such obligations pursuant to the provisions of Chapter 1207, as amended, Texas Government Code), or be used for any lawful purposes; provided, however, to the extent that such excess amount represents Bond proceeds, then such amount must be transferred to the Bond Fund or be otherwise used in accordance with then-applicable State law.

Notwithstanding anything to the contrary contained in this Section, the requirements set forth above to fund the Reserve Fund in the amount of the Required Reserve Amount shall be suspended for such time as the Junior Lien Pledged Revenues for each Fiscal Year are equal to at least 110% of the Average Annual Debt Service Requirements. In the event that the Junior Lien Pledged Revenues for any two consecutive Fiscal Years are less than 110% (unless such percentage is below 100% in any Fiscal Year, in which case the hereinafter-specified requirements will commence after such Fiscal Year) of the Average Annual Debt Service Requirements, the City will be required to commence making the deposits to the Reserve Fund, as provided above, and to continue making such deposits until the earlier of (i) such time as the Reserve Fund contains the Required Reserve Amount or (ii) the Junior Lien Pledged Revenues for a Fiscal Year have been equal to not less than 110% of the Average Annual Debt Service Requirements.

SECTION 15. Deficiencies – Excess Junior Lien Pledged Revenues.

A. If on any occasion there shall not be sufficient Junior Lien Pledged Revenues to make the required deposits into the Bond Fund, then such deficiency shall be cured as soon as possible from the next available unallocated Junior Lien Pledged Revenues, or from any other sources available for such purpose, and such payments shall be in addition to the amounts required to be paid into these Funds or accounts during such month or months.

B. Subject to making the required deposits to the Bond Fund when and as required by any ordinance or resolution authorizing the issuance of the Junior Lien Obligations, the Subordinate Lien Obligations and any Inferior Lien Obligations, the excess Net Revenues of the System may be used by the City for any lawful purpose (as further provided in Section 12 hereof).

SECTION 16. Payment of Bonds. While any of the Bonds are Outstanding, an Authorized Official shall cause to be transferred to the Paying Agent/Registrar therefor, from funds on deposit in the Bond Fund, amounts sufficient to fully pay and discharge promptly each installment of interest on and principal of the Bonds as such installment accrues or matures; such transfer of funds must be made in such manner as will cause immediately available funds to be deposited with the Paying Agent/Registrar for the Bonds at the close of the business day next preceding the date a debt service payment is due on the Bonds.

SECTION 17. Investments. Funds held in any Fund or account created, established, or maintained pursuant to this Ordinance shall, at the option of the City, be placed in time deposits, certificates of deposit, guaranteed investment contracts or similar contractual agreements as permitted by the provisions of the Public Funds Investment Act, as amended, Chapter 2256, Texas Government Code (collateralized pursuant to the Public Funds Collateral Act, as amended,

Chapter 2257, Texas Government Code), or any other law, and secured (to the extent not insured by the Federal Deposit Insurance Corporation) by obligations of the type hereinafter described, including investments held in book-entry form, in securities including, but not limited to, direct obligations of the United States of America, obligations guaranteed or insured by the United States of America, which, in the opinion of the Attorney General of the United States, are backed by its full faith and credit or represent its general obligations, or invested in indirect obligations of the United States of America, including, but not limited to, evidences of indebtedness issued, insured, or guaranteed by such governmental agencies as the Federal Land Banks, Federal Intermediate Credit Banks, Banks for Cooperatives, Federal Home Loan Banks, Government National Mortgage Association, Farmers Home Administration, Federal Home Loan Mortgage Association, or Federal Housing Association; provided that all such deposits and investments shall be made in such a manner that the money required to be expended from any Fund or account will be available at the proper time or times. Such investments (except State and Local Government Series investments held in book entry form, which shall at all times be valued at cost) shall be valued in terms of current market value within 45 days of the close of each Fiscal Year. All interest and income derived from deposits and investments in the Bond Fund immediately shall be credited to, and any losses debited to, the Bond Fund. All such investments shall be sold promptly when necessary to prevent any default in connection with the Bonds.

SECTION 18. Covenants. It is expressly recognized that prior to the issuance of any Additional Junior Lien Obligations, Additional Subordinate Lien Obligations, or Inferior Lien Obligations, that the City must comply with each of the conditions precedent contained in this Ordinance and the City ordinances.

A. *Performance*. It will faithfully perform at all times any and all covenants, undertakings, stipulations, and provisions contained in this Ordinance, and each ordinance authorizing the issuance of Junior Lien Obligations; it will promptly pay or cause to be paid the principal amount of and interest on all Debt, on the dates and in the places and manner prescribed in such ordinances and such Debt; and it will, at the time and in the manner prescribed, deposit or cause to be deposited the amounts required to be deposited into the System Fund and the Funds herein created; and any registered owner of any Debt may require the City, its officials and employees to carry out, respect or enforce the covenants and obligations of this Ordinance, or any ordinance authorizing the issuance of Debt, by all legal and equitable means, including specifically, but without limitation, the use and filing of mandamus proceedings, in any court of competent jurisdiction, against the City, its officials and employees.

B. *City's Legal Authority*. It is a duly created and existing home rule city of the State of Texas, and is duly authorized under the laws of the State of Texas to issue the Bonds; that all action on its part for the issuance of the Bonds has been duly and effectively taken, and that the Bonds in the hands of the owners thereof are and will be valid and enforceable special obligations of the City in accordance with their terms.

C. *Acquisition and Construction; Operation and Maintenance*. D. *Title.* It has or will obtain lawful title, whether such title is in fee or lesser interest, to the lands, buildings, structures and facilities constituting the System, that it warrants that it will defend the title to all the aforesaid lands, buildings, structures and facilities, and every part thereof, for the benefit of the owners of the Junior Lien Obligations, against the claims and demands of all persons whomsoever, that it is lawfully qualified to pledge the Junior Lien Pledged Revenues to the payment of the Junior Lien Obligations in the manner prescribed herein, and has lawfully exercised such rights.

E. *Liens.* It will from time to time and before the same become delinquent pay and discharge all taxes, assessments and governmental charges, if any, which shall be lawfully imposed upon it, or the System; it will pay all lawful claims for rents, royalties, labor, materials and supplies which if unpaid might by law become a lien or charge thereon, the lien of which would be prior to or interfere with the liens hereof, so that the priority of the liens granted hereunder shall be fully preserved in the manner provided herein, and it will not create or suffer to be created any mechanic's, laborer's, materialman's or other lien or charge which might or could be prior to the liens hereof, or do or suffer any matter or thing whereby the liens hereof might or could be impaired; provided however, that no such tax, assessment or charge, and that no such claims which might be used as the basis of a mechanic's, laborer's, materialman's or other lien or charge, shall be required to be paid so long as the validity of the same shall be contested in good faith by the City.

F. *No Free Service.* No free service or service otherwise than in accordance with the established rate schedule shall be furnished, directly or indirectly, by the System to any person, firm, corporation or other entity, other than the City. No part of the salary of any official or employee of the City or his replacement shall be paid from Junior Lien Pledged Revenues unless and only to the extent the duties and performances of such official or employee or his replacement appertain directly to the System. To the extent the City receives the services of the System, such services shall be accounted for according to the established rate schedule.

G. *Further Encumbrance.* It will not additionally encumber the Net Revenues of the System in any manner, except as permitted in this Ordinance (which provisions are also included in other City ordinances authorizing other series of Junior Lien Obligations).

H. *Sale, Lease or Disposal of Property.* No part of the System shall be sold, leased, mortgaged, demolished, removed or otherwise disposed of, except as follows:

- (1) To the extent permitted by law, the City may sell or exchange at any time and from time to time any property or facilities constituting part of the System only if (A) it shall determine such property or facilities are not useful in the operation of the System, or (B) the proceeds of such sale are \$250,000 or less, or it shall have received a certificate

The proceeds of any such sale or exchange not used to acquire other property necessary or desirable for the safe or efficient operation of the System shall forthwith, at the option of the City (i) be used to redeem or purchase Debt, or (ii) otherwise be used to provide for the payment of Debt. The foregoing notwithstanding, if such property or facilities sold or exchanged constituted property or facilities comprising all or a part of a system within the System, the acquisition, improvement or extension of such system having not been financed by the City in any manner with the proceeds of Debt, or with the proceeds of obligations which were refunded in whole or in part with the proceeds of Debt, then the City may utilize the proceeds of such sale or exchange for any lawful purpose; and

(2) To the extent permitted by law, the City may lease or make contracts or grant licenses for the operation of, or make arrangements for the use of, or grant easements or other rights with respect to, any part of the System, provided that any such lease, contract, license, arrangement, easement or right (A) does not impede the operation by the City of the System and (B) does not in any manner impair or adversely affect the rights or security of the owners of the Debt under this Ordinance; and provided, further, that if the depreciated cost of the property to be covered by any such lease, contract, license, arrangement, easement or other right is in excess of \$500,000, the City shall have received a certificate executed by an Engineer and the City Manager that the action of the City with respect thereto does not result in a breach of the conditions under this clause (2). Any payments received by the City under or in connection with any such lease, contract, license, arrangement, easement or right in respect of the System or any part thereof shall constitute Gross Revenues.

I. *Books, Records and Accounts.* It shall keep proper books, records and accounts separate and apart from all other records and accounts, in which complete and correct entries shall be made of all transactions relating to the System and the City shall cause said books and accounts to be audited annually as of the close of each Fiscal Year by the Accountant.

J. *Insurance.*

Public liability and property damage insurance shall also be carried unless the City Attorney gives a written opinion to the effect that the City is not liable for claims which would be protected by such insurance. At any time while any contractor engaged in

construction work shall be fully responsible therefor, the City shall not be required to carry insurance on the work being constructed if the contractor is required to carry appropriate insurance. All such policies shall be open to the inspection of the bondholders and their representatives at all reasonable times. In no event shall the amount of insurance maintained on the projects financed with the proceeds of the Bonds be less than the amount necessary to protect the Purchaser's interest.

(2) In lieu of obtaining policies for insurance as provided above, the City may self-insure against risks, accidents, claims or casualties described in clause (1) above.

(3) The annual audit hereinafter required shall contain a section commenting on whether or not the City has complied with the requirements of this Section with respect to the maintenance of insurance, and listing the areas of insurance for which the City is self-insuring, all policies carried, and whether or not all insurance premiums upon the insurance policies to which reference is hereinbefore made have been paid.

K. *Audits.* After the close of each Fiscal Year while any Debt is Outstanding, an audit will be made of the books and accounts relating to the System and the Net Revenues by the Accountant. M. *No Competition.* To the extent it legally may, it will not grant any franchise or permit for the acquisition, construction or operation of any competing facilities which might be used as a substitute for the System's facilities, and, to the extent that it legally may, the City will prohibit any such competing facilities.

N. *Rights of Inspection.* The Engineer or any registered owner of \$100,000 in aggregate principal amount of the Debt then Outstanding shall have the right at all reasonable times to inspect the System and all records, accounts and data of the City relating thereto, and upon request the City shall furnish to an Engineer or such registered owner, as the case may be, such financial statements, reports and other information relating to the City and the System as an Engineer or such registered owner may from time to time reasonably request.

SECTION 19. Issuance of Additional Junior Lien Obligations, Additional Subordinate Lien Obligations, and Inferior Lien Obligations. The City hereby expressly reserves the right to hereafter issue bonds, notes, warrants, certificates of obligation, or similar obligations, payable, wholly or in part, as appropriate, from and secured by a pledge of and lien on the Net Revenues of the System with the following priorities, without limitation as to principal amount, but subject to any terms, conditions, or restrictions applicable thereto under existing ordinances, laws, or otherwise:

A. Additional Junior Lien Obligations, secured by and payable from the Junior Lien Pledged Revenues, which includes (primarily) a first and prior lien on and pledge of Net Revenues that is senior and superior to the lien there on and pledge thereof securing the repayment of the Subordinate Lien Obligations and any Inferior Lien Obligations, upon satisfying each of the following conditions precedent:

(1) The City Manager (or other officer of the City then having the responsibility for the financial affairs of the City) shall have executed a certificate stating (i) that the City is not then in default as to any covenant, obligation or agreement contained in any ordinance or other proceeding relating to any obligations of the City payable from and secured by a lien on and pledge of the Net Revenues and (ii) that the amounts on deposit in all Funds or Accounts created and established for the payment and security of all Outstanding obligations payable from and secured by a lien on and pledge of the Net Revenues are the amounts then required to be deposited therein. Such certificate shall be dated on or before the date of delivery of such Additional Junior Lien Obligations, but such certificate shall not be dated prior to the date an ordinance is passed authorizing the issuance of such Additional Junior Lien Obligations.

(2) Conditions Precedent for Issuance of Additional Junior Lien Obligations – Capital Improvements and for any other Lawful Purpose except for Capital Additions or for Refunding. The City covenants and agrees that Additional Junior Lien Obligations will not be issued for the purpose of financing Capital Improvements, or for any other lawful purpose (except for Capital Additions or for refunding, which are to be issued in accordance with the provisions of Subsection (3) of this Section and Section 20 hereof, respectively) unless and until the conditions precedent in Subsection (1) above have been satisfied and, in addition thereto, the City has secured a certification of the City Manager to the effect that, according to the books and records of the City, the Net Earnings (as hereinafter defined) for the preceding Fiscal Year or for 12 consecutive months out of the 15 months immediately preceding the month the ordinance authorizing the Additional Junior Lien Obligations is adopted are at least equal to 1.15 times the Average Annual Debt Service Requirements for all then-Outstanding Junior Lien Obligations after giving effect to the Additional Junior Lien Obligations then proposed. The foregoing notwithstanding, the City covenants and agrees that Additional Junior Lien Obligations may not be issued for the purpose of financing Capital Improvements when other Outstanding Junior Lien Obligations which have been issued for the purpose of financing Capital Additions and for which capitalized interest for such other Junior Lien Obligations has been provided for at least the twelve months subsequent to the date of issuance of the Additional Junior Lien Obligations then proposed to be issued, unless the conditions precedent in Subsection (1) above have been satisfied and, in addition thereto, the City has either (1) complied with the relevant conditions in this Subsection as set forth above, or (2) if the relevant conditions of this Subsection (2) as set forth above cannot be satisfied, the City has satisfied the conditions precedent in Subsection (3)(i) and (ii) of this Section (but, for purposes of such clauses, the term Capital Improvements shall be substituted for the term Capital Additions where the term Capital Additions appears therein to the extent necessary to give recognition to the fact that Capital Improvements, rather than Capital Additions, are then to be financed) and has secured a certification of the City Manager to the effect that, according to the books and records of the City, the Net Earnings for the preceding Fiscal Year or

for 12 consecutive months out of the 15 months immediately preceding the month the ordinance authorizing the Additional Junior Lien Obligations is adopted are at least equal to 1.15 times the Average Annual Debt Service Requirements for all then-Outstanding Junior Lien Obligations (other than Junior Lien Obligations issued for Capital Additions for which capitalized interest has been provided for at least the twelve months subsequent to the date of issuance of the Additional Junior Lien Obligations proposed to be issued) after giving effect to the Additional Junior Lien Obligations then proposed to be issued.

(3) Conditions Precedent for Issuance of Additional Junior Lien Obligations – Capital Additions: Initial Issue. The City covenants and agrees that Additional Junior Lien Obligations will not be issued for the purpose of financing Capital Additions, unless the same conditions precedent specified in Subsection (1) above have been satisfied and, in addition thereto, either the relevant conditions precedent specified in Subsection (1) above are satisfied or, in the alternative, the City shall have obtained: (i) from an Engineer a comprehensive engineering report for each Capital Addition to be financed, which report shall (A) contain (1) detailed estimates of the cost of acquiring and constructing the Capital Addition, (2) the estimated date the acquisition and construction of the Capital Addition will be completed and commercially operative, and (3) a detailed analysis of the impact of the Capital Addition on the financial operations of the system for which the Capital Addition is to be integrated and to the System as a whole during the construction thereof and for at least five Fiscal Years after the date the Capital Addition becomes commercially operative, and (B) conclude that (1) the Capital Addition is necessary and will substantially increase the capacity, or is needed to replace existing facilities, to meet current and projected demands for the service or product to be provided thereby, and (2) the estimated cost of providing the service or product from the Capital Addition will be reasonable in comparison with projected costs for furnishing such service or product from other reasonably available sources; and (ii) a certificate of an Engineer to the effect that, based on an engineering report prepared thereby for each Capital Addition, the projected Net Earnings for each of the five Fiscal Years subsequent to the date the Capital Addition becomes commercially operative (as estimated in the engineering report) will be equal to at least 1.15 times the Average Annual Debt Service Requirements for the currently Outstanding Junior Lien Obligations or incurred and all Additional Junior Lien Obligations estimated to be issued, if any, for all Capital Improvements and for all Capital Additions then in progress or then being initiated, during the period from the date the first series of obligations for the Capital Additions is to be delivered through the fifth Fiscal Year subsequent to the date the Capital Addition is estimated to become commercially operative.

(4) Completion Issues. Once a Capital Addition has been initiated by meeting the conditions precedent specified in Subsection (3)(i) and (ii) above and the initial Junior Lien Obligations issued therefor are delivered, the City reserves the right to issue Additional Junior Lien Obligations to finance the remaining costs of such Capital Addition in such amounts as may be necessary to complete the acquisition and construction thereof and make the same commercially operative without satisfaction of any condition precedent under Subsection (3)(i) and (ii) or Subsection (1) of this Section but subject to satisfaction of the following conditions precedent: (i) the City makes a forecast (the *Forecast*) of the operations of the System demonstrating the System's ability to pay all obligations, payable from the Net Revenues of the System to be Outstanding after the issuance of the Additional

Junior Lien Obligations then being issued for the period (the *Forecast Period*) of each ensuing Fiscal Year through the fifth Fiscal Year subsequent to the latest estimated date such Capital Addition is expected to be commercially operative; and (ii) an Engineer reviews such Forecast and executes a certificate to the effect that (A) such Forecast is reasonable, and based thereon (and such other factors deemed to be relevant), the Net Revenues of the System will be adequate to pay all the obligations, payable from the Junior Lien Pledged Revenues of the System to be Outstanding after the issuance of the Additional Junior Lien Obligations then being issued for the Forecast Period and (B) the proceeds from the sale of such Additional Junior Lien Obligations are estimated to be sufficient to complete such acquisition and construction.

(5) Computations; Reports. With reference to Junior Lien Obligations anticipated and estimated to be issued or incurred, the Average Annual Debt Service Requirements therefor shall be those reasonably estimated and computed by the City's Director of Financial Services (or other officer of the City then having the primary responsibility for the financial affairs of the City) after giving effect to the receipt or anticipated receipt of a refundable tax credit or similar payment relating to any series of Junior Lien Obligations irrevocably designated as refundable tax credit bonds, which payment shall be treated as an offset to regularly scheduled debt service of the series of Junior Lien Obligations to which it relates. In the preparation of the engineering report required in Subsection (3)(i) above, an Engineer may rely on other experts or professionals, including those in the employment of the City, provided such engineering report discloses the extent of such reliance and concludes it is reasonable so to rely. In connection with the issuance of Junior Lien Obligations for Capital Additions, the certification of the City Manager and an Engineer, together with the engineering report for the initial issue and the Forecast for a subsequent issue, shall be conclusive evidence and the only evidence required to show compliance with the provisions and requirements and this clause of this Section.

(6) Combination Issues. Junior Lien Obligations for Capital Additions may be combined in a single issue with Junior Lien Obligations for Capital Improvements or for any lawful purpose provided the conditions precedent set forth in Subsection (2) through (4) are complied with as the same relate to the appropriate purpose.

(7) Definition of Net Earnings. As used in this Section, the term *Net Earnings* shall mean the Gross Revenues of the System after deducting the Operating Expenses of the System and those items identified in the SECOND level of priority in Section 12 hereof, but not expenditures which, under standard accounting practice, should be charged to capital expenditures.

(8) Determination of Net Earnings. In making a determination of Net Earnings for any of the purposes described in this Section, the City Manager may take into consideration a change in the rates and charges for services and facilities afforded by the System that became effective at least 60 days prior to the last day of the period for which Net Earnings are determined and, for purposes of satisfying any of the Net Earnings test described above, make a pro forma determination of the Net Earnings of the System for the period of time covered by the City Manager's certification or opinion based on such

change in rates and charges being in effect for the entire period covered by the City Manager's certificate or opinion.

B. The City may issue Additional Subordinate Lien Obligations secured by a lien on and pledge of the Net Revenues of the System subordinate and inferior to the lien thereon and pledge thereof securing the Junior Lien Obligations and that is included in the Junior Lien Pledged Revenues, respectively, and senior and superior to the lien there on and pledge thereof securing the repayment of the Inferior Lien Obligations, on the terms and conditions desired by the City, subject only to the limitations imposed by applicable law and upon satisfying each of the conditions precedent contained in this Ordinance and the Previously Issued Subordinate Lien Obligations.

C. The City may issue Inferior Lien Obligations secured by a lien on and pledge of the Net Revenues of the System subordinate and inferior to the lien thereon and pledge thereof securing the Junior Lien Obligations and Subordinate Lien Obligations and that is included in the Junior Lien Pledged Revenues, respectively, on the terms and conditions desired by the City, subject only to the limitations imposed by applicable law and upon satisfying each of the conditions precedent contained in the ordinances authorizing the issuance of this Ordinance.

SECTION 20. Refunding Bonds. The City reserves the right to issue refunding bonds to refund all or any part of the currently Outstanding Debt, pursuant to any applicable law then available, upon such terms and conditions as the City Council may deem to be in the best interest of the City, and if less than all such currently Outstanding Debt are refunded, the conditions precedent prescribed for the issuance of Additional Junior Lien Obligations set forth in Section 19 of this Ordinance shall be satisfied and the City Managers' certification required in Section 19 shall give effect to the Debt Service Requirements of the proposed refunding bonds (but shall not give effect to the Debt Service Requirements of the obligations being refunded following their cancellation or provision being made for their payment).

SECTION 21. Issuance of Special Project Bonds. Nothing in this Ordinance shall be construed to deny the City the right and it shall retain the right to issue Special Project Bonds, provided, however, the City will not issue Special Project Bonds unless the City concludes, upon recommendation of the City Council, that (i) the plan for developing the Special Project is consistent with sound planning, (ii) the Special Project would not materially and adversely interfere with the operation of the System, (iii) the Special Project can be economically and efficiently operated and maintained, and (iv) the Special Project can be economically and efficiently utilized by the City to meet combined utility system requirements and the cost of such will be reasonable.

SECTION 22. Security of Funds. All money on deposit in the funds or accounts for which this Ordinance makes provision (except any portion thereof as may be at any time properly invested as provided herein) shall be secured in the manner and to the fullest extent required by the laws of Texas for the security of public funds, and money on deposit in such Funds or accounts shall be used only for the purposes permitted by this Ordinance.

SECTION 23. Remedies in Event of Default. The Purchasers may exercise all rights and remedies available to it in law or equity, and any provision of the Bonds that restricts or limits the Purchasers' full exercise of these remedies shall be of no force and effect.

In addition to all the rights and remedies provided by the laws of the State of Texas, the City covenants and agrees particularly that in the event the City (a) defaults in the payments to be made to the Bond Fund, or (b) defaults in the observance or performance of any other of the covenants, conditions, or obligations set forth in this Ordinance, the Holders of any of the Bonds shall be entitled to seek a writ of mandamus issued by a court of proper jurisdiction compelling and requiring the governing body of the City and other officers of the City to observe and perform any covenant, condition, or obligation prescribed in this Ordinance.

No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient. The specific remedy herein provided shall be cumulative of all other existing remedies and the specification of such remedy shall not be deemed to be exclusive.

SECTION 24. Notices to Holders Waiver. Wherever this Ordinance provides for notice to Holders of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and sent by United States Mail, first-class postage prepaid, to the address of each Holder as it appears in the Security Register.

In any case where notice to Holders is given by mail, neither the failure to mail such notice to any particular Holders, nor any defect in any notice so mailed, shall affect the sufficiency of such notice with respect to all other Holders. Where this Ordinance provides for notice in any manner, such notice may be waived in writing by the Holder entitled to receive such notice, either before or after the event with respect to which such notice is given, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Paying Agent/Registrar, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

SECTION 25. Bonds Are Negotiable Instruments. Each of the Bonds authorized herein shall be deemed and construed to be a "security" and as such a negotiable instrument with the meaning of the Chapter 8 of the Texas Uniform Commercial Code.

SECTION 26. Cancellation. All Bonds surrendered for payment, transfer, redemption, exchange, or replacement, if surrendered to the Paying Agent/Registrar, shall be promptly canceled by it and, if surrendered to the City, shall be delivered to the Paying Agent/Registrar and, if not already canceled, shall be promptly canceled by the Paying Agent/Registrar. The City may at any time deliver to the Paying Agent/Registrar for cancellation any Bonds previously certified or registered and delivered which the City may have acquired in any manner whatsoever, and all Bonds so delivered shall be promptly canceled by the Paying Agent/Registrar. All canceled Bonds held by the Paying Agent/Registrar shall be destroyed as directed by the City.

SECTION 27. Mutilated, Destroyed, Lost, and Stolen Bonds. If (i) any mutilated Bond is surrendered to the Paying Agent/Registrar, or the City and the Paying Agent/Registrar receive evidence to their satisfaction of the destruction, loss, or theft of any Bond, and (ii) there is delivered

to the City and the Paying Agent/Registrar such security or indemnity as may be required to save each of them harmless, then, in the absence of notice to the City or the Paying Agent/Registrar that such Bond has been acquired by a bona fide purchaser, the City shall execute and, upon its request, the Paying Agent/Registrar shall register and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost, or stolen Bond, a new Bond of the same Stated Maturity and interest rate and of like tenor and principal amount, bearing a number not contemporaneously Outstanding.

In case any such mutilated, destroyed, lost, or stolen Bond has become or is about to become due and payable, the City in its discretion may, instead of issuing a new Bond, pay such Bond.

Upon the issuance of any new Bond or payment in lieu thereof, under this Section, the City may require payment by the Holder of a sum sufficient to cover any tax or other governmental charge imposed in relation thereto and any other expenses (including attorney's fees and the fees and expenses of the Paying Agent/Registrar) connected therewith.

Every new Bond issued pursuant to this Section in lieu of any mutilated, destroyed, lost, or stolen Bond shall constitute a replacement of the prior obligation of the City, whether or not the mutilated, destroyed, lost, or stolen Bond shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Ordinance equally and ratably with all other Outstanding Bonds.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement and payment of mutilated, destroyed, lost, or stolen Bonds.

SECTION 28. Confirmation of Sale; Approval of Private Placement Memorandum. The sale of the Bonds to the Texas Water Development Board (the *Purchaser*) for the purchase price of \$3,561,000, which represents a purchase price of par, less the Purchaser's origination fee of \$ ___ and no accrued interest, pursuant to a loan commitment received from the Purchaser, is hereby confirmed. The pricing and terms of the Bonds are hereby found and determined to be the most advantageous reasonably obtained from the City. Delivery of the Bonds shall be made to the Purchaser as soon as practicable after the adoption of this Ordinance, upon payment therefor by federal funds wire transfer, at no cost to the Purchaser, in accordance with the terms of sale.

Furthermore, the City hereby approves in all respects the City's Private Placement Memorandum prepared in conjunction with the sale of the Bonds and to be delivered to the Purchaser on the Closing Date. The Mayor or Mayor Pro Tem and/or City Secretary are further authorized and directed to manually execute and deliver for and on behalf of the City copies of the Private Placement Memorandum in final form as may be required by the Purchaser, and such final Private Placement Memorandum in the form and content manually executed by said officials shall be deemed to be approved by the City Council and constitute the Private Placement Memorandum authorized for deliver to the Purchaser.

SECTION 29. Compliance with Purchaser's Rules and Regulations. The City will comply with all of the requirements contained in the resolution or resolutions adopted by the Purchaser with respect to the issuance of the Bonds. In addition, in compliance with the Purchaser's Clean

Water State Revolving Fund for Texas Program Rules, the City agrees and covenants so long as the Purchaser is the sole Holder of the Bonds:

A. The commitment of the TWDB to purchase the Bonds is contingent on a future sale of bonds by the TWDB or on the availability of funds on hand.

B. The commitment of the TWDB to purchase the Bonds is contingent upon the issuance of a written approving opinion of the Attorney General of the State of Texas that all of the requirements of the laws under which the Bonds were issued have been complied with; that the Bonds were issued in conformity with the Constitution and laws of the State of Texas; and that the Bonds are valid and binding obligations of the City.

C. The commitment of the TWDB to purchase the Bonds is contingent upon the City's compliance with all applicable requirements contained in 31 TAC Chapter 375.

D. The Bonds may be called for early redemption on any date beginning on or after the first interest payment date which is ten (10) years from the Dated Date, at a redemption price of par, together with accrued interest to the date fixed for redemption, as provided in Section 4.

E. The City shall comply with the requirements of the Rule as if the TWDB were a "Participating Underwriter" within the meaning of the Rule, as provided in Section 30. The City shall further annually submit an audit, prepared by a certified public accountant or firm of certified public accountants, to the TWDB, as provided in Section 18.

F. The City shall levy a tax and/or maintain and collect sufficient rates and charges to produce System revenues in an amount necessary to meet the debt service requirements of all outstanding debt obligations and to maintain the funds established and required by the Bonds, as provided in Section 11.

G. The City shall use any loan proceeds evidenced by the Bonds that are determined to be "remaining unused funds", which are those funds unspent after the projects financed with the proceeds of the Bonds (as approved by TWDB) are completed, for enhancements to the projects financed with the proceeds of the Bonds that are explicitly approved by the Executive Administrator of the TWDB or, if no enhancements are authorized by the Executive Administrator, the City shall submit a final accounting and disposition of any unused funds. In determining "remaining unused funds", the City agrees to account for all amounts deposited to the credit of the Construction Fund, including all loan funds extended by the TWDB, all other funds available from the projects financed with the proceeds of the Bonds as described in the project engineer's or fiscal representative's sufficiency of funds statement, and all interest earned by the City on money in the Construction Fund.

H. The City shall use any loan proceeds evidenced by the Bonds that are determined to be "surplus funds" remaining after completion of the projects financed with the proceeds of the Bonds and completion of a final accounting in a manner as approved by the Executive Administrator.

I. For so long as the TWDB is a Holder of the Bonds, the TWDB may exercise all remedies available to it in law or equity, and any provision of the Bonds that restricts or limits the TWDB's full exercise of these remedies shall be of no force and effect, as provided in Section 23.

J. Loan proceeds evidenced by the Bonds are public funds and, as such, shall be held at a designated State depository institution or other properly chartered and authorized institution in accordance with the Public Funds Investment Act, Chapter 2256, as amended, Texas Government Code, and the Public Funds Collateral Act, Chapter 2257, as amended, Texas Government Code, as provided in Section 10 and in the Escrow Agreement authorized in Section 44 and attached hereto, in substantially final form, as Exhibit B.

K. Loan proceeds evidenced by the Bonds shall not be used by the City when sampling, testing, removing, or disposing of contaminated soils and/or media at the projects financed with the proceeds of the Bonds site. The City agrees, to the extent permitted by law, to indemnify, hold harmless and protect the TWDB from any and all claims, causes of action or damages to the person or property of third parties arising from the sampling, analysis, transport, storage, treatment, and disposition of any contaminated sewage sludge, contaminated sediments and/or contaminated media that may be generated by the City, its contractors, consultants, agents, officials, and employees as a result of activities relating to the projects financed with the proceeds of the Bonds.

L. Prior to the Closing Date, the City shall submit documentation evidencing the adoption and implementation of sufficient System rates and charges.

M. Prior to the Closing Date, and if not previously provided with the Application, the City shall submit executed contracts for engineering and, if applicable, Financial Advisor and Bond Counsel contracts, for the projects financed with the proceeds of the Bonds that are satisfactory to the Executive Administrator. Fees to be reimbursed under the contracts shall be reasonable in relation to the services performed, reflected in the contract, and acceptable to the Executive Administrator.

N. Prior to the Closing Date, the City shall execute the Escrow Agreement, approved as to form and substance by the Executive Administrator, and shall submit that executed Escrow Agreement to the TWDB. The Escrow Agreement is authorized herein pursuant to Section 44 and attached hereto, in substantially final form, as Exhibit B.

O. The City shall, if required by the Executive Administrator, execute a separate financing agreement in form and substance acceptable to the Executive Administrator.

P. The City shall comply with all condictions as specified in the final environmental finding of the Executive Administrator when issued, including the standard emergency discovery conditions for threatened and endangered species and cultural resources.

Q. The City's Bond Counsel shall prepare a written opinion that states that the interest on the Bonds is excludable from gross income or is exempt from federal taxation. Bond Counsel may rely on covenants and representations of the City when rendering this opinion.

R. The opinion of Bond Counsel shall also state that the Bonds are not “private activity bonds” within the meaning of section 141 of the Code and the Regulations and rulings thereunder. Bond Counsel may rely on covenants and representations of the City when rendering this opinion.

S. The City shall not use the proceeds of the loan evidenced by the Bonds in a matter that would cause the Bonds to become “private activity bonds” within the meaning of section 141 of the Code and the Regulations and rulings thereunder, as provided in Section 31C.

T. No portion of the proceeds of the loan evidenced by the Bonds will be used, directly or indirectly, in a manner that would cause the Bonds to be “arbitrage bonds” within the meaning of section 141 of the Code and the Regulations and rulings thereunder, including to acquire or to replace funds which were used, directly or indirectly, to acquire Nonpurpose Investments (as defined in the Code and Regulations) which produce a yield materially higher than the yield on the TWDB’s bonds that are issued to provide financing for the loan (the *Source Series Bonds*), other than Nonpurpose Investments acquired with:

(1) proceeds of the Source Series Bonds invested for a reasonable temporary period of up to three (3) years (reduced by the period of investment by the Purchasers) until such proceeds are needed for the facilities to be financed;

(2) amounts invested in a bona fide debt service fund, within the meaning of §1.148-1(b) of the Regulations; and

(3) amounts deposited in any reasonably required reserve or replacement fund to the extent such amounts do not exceed the least of maximum annual debt service on the Bonds, 125% of average annual debt service on the Bonds, or 10% of the stated principal amount (or, in the case of a discount, the issue price) of the Bonds.

U. The City shall take all necessary steps to comply with the requirement that certain amounts earned on the investment of gross proceeds of the Bonds be rebated to the federal government in order to satisfy the requirements of section 148 of the Code, as provided in Section 31H.

V. The City shall not take any action that would cause interest on the Bonds to be includable in gross income for federal income tax purposes, as provided in Section 31B.

W. The City will not cause or permit the Bonds to be treated as “federally guaranteed” obligations within the meaning of section 149(b) of the Code, as provided in Section 31F.

X. The closing transcript of the City shall contain a “No Arbitrage Certificate” or similar “Federal Tax Certificate” setting forth the City’s reasonable expectations regarding the use, expenditure and investment of the proceeds of the Bonds.

Y. The City shall not use proceeds of the Bonds or proceeds of any prior bonds to pay debt service on another issue more than 90 days after the date of issue of the Bonds in contravention of the requirements of section 149(d) of the Code (related to “advance refundings”).

Z. The closing transcript shall include evidence that the information reporting requirements of section 149(e) of the Code will be satisfied, as provided in Section 31G.

AA. Neither the City nor a related party thereto will acquire any of the TWDB's Source Series Bonds in an amount related to the amount of the Bonds to be acquired from the City by the TWDB.

BB. The City shall submit outlay reports with sufficient supporting documentation on costs (e.g., invoices, receipts) on a quarterly or monthly basis in accordance with TWDB outlay report guidelines.

CC. All laborers and mechanics employed by contractors and subcontractors for the projects financed with the proceeds of the Bonds shall be paid wages at rates not less than those prevailing on projects of a similar character in the locality in accordance with the Davis-Bacon Act, and the US Department of Labor's implementing regulations. The City, all contractors, and all sub-contractors shall ensure that all project contracts mandate compliance with the Davis-Bacon Act. All contracts and subcontracts from the construction of the projects financed with the proceeds of the Bonds carried out in whole or in part with financial assistance made available by the TWDB to the City as evidenced by the Bonds shall insert in full in any contract in excess of \$2,000 the contracts clauses as provided by the TWDB.

DD. The City shall provide the TWDB with all information required to be reported in accordance with the Federal Funding Accountability and Transparency Act of 2006, Pub. L. 109-282, as amended by Pub. L. 110-252. The City shall obtain a Data Universal Numbering System (*DUNS*) Number and shall register with the System for Award Management (*SAM*), and maintain current registration at all times during which the Bonds are Outstanding.

EE. All loan proceeds evidenced by the Bonds will be timely and expeditiously used, as required by 40 CFR §35.3135(d), and the City will adhere to the approved project schedule.

FF. The City shall abide by all applicable construction requirements related to the use of iron and steel products produced in the United States, as required by 31 TAC §375.3(g) and 33 U.S.C. §1388, and related State Revolving Fund Policy Guidelines.

GG. the City will comply with the requirements set forth in 33 U.S.C. §1382 *et seq.* related to maintaining project accounts containing financial assistance for planning, design, acquisition, or construction, as applicable, in accordance with generally accepted accounting principles. These standards and principles also apply to the reporting of underlying infrastructure assets.

HH. The City shall submit, prior to the release of funds, a schedule of the useful life of the projects financed with the proceeds of the Bonds components prepared by an engineer as well as a certification by the applicant that the average weighted maturity of the Bonds purchased by the TWDB does not exceed 130% of the average projected useful life of the projects financed with the proceeds of the Bonds, as determined by the schedule.

II. Prior to or on the Closing Date, the City shall pay an origination fee to the TWDB calculated pursuant to 31 TAC Chapter 375 and the applicable Intended Use Plan, as provided in Section 28;

JJ. At the TWDB's option, the TWDB may fund the financial assistance evidenced by the Bonds with either available cash-on-hand or from bond proceeds. If the financial assistance evidenced by the Bonds is funded with available cash-on-hand, the TWDB reserves the right to change the designated source of funds to bond proceeds issued for the purpose of reimbursing funds used to provide the financial assistance evidenced by the Bonds.

KK. Prior to release of funds for professional consultants including, but not limited to, the engineer, Financial Advisor, and Bond Counsel, as appropriate, the City shall provide documentation that it has met all applicable state procurement requirements as well as all federal procurement requirements under the Disadvantaged Business Enterprise program.

LL. Prior to the release of funds for professional services related to architecture or engineering, including but not limited to, contracts for program management, construction management, feasibility studies, preliminary engineering, design, engineering, surveying, mapping, or other architectural and engineering services as defined in 40 U.S.C. §1102(2)(A)(C), the City shall provide documentation that it has met all applicable federal procurement requirements.

MM. The City will provide the TWDB with copies of "as built plans" pertaining to the projects financed, in whole or in part, with any funds of the TWDB.

NN. The Bonds shall be governed by the additional debt test and reserve requirement as provided in the outstanding \$2,750,000 City of Corpus Christi, Texas Utility System Junior Lien Revenue Improvement Bonds, Series 2017 (L17070) and \$11,425,000 City of Corpus Christi, Texas Utility Junior Lien Revenue Improvement Bonds, New Series 2020C (LM201158).

SECTION 30. Application of Bond Proceeds.

A. Proceeds from the sale of the Bonds shall, promptly upon receipt by the City, be applied as follows:

(1) An amount identified in instructions from any Authorized Official shall be deposited in the Construction Fund for the payment of certain costs of issuance relating to the Bonds and certain other costs relating to the improvement of the System and such amount may be deposited in the Escrow Agreement authorized by the provisions of Section 44 hereof.

(2) The amount identified in Section 14, if any, shall be deposited to the Reserve Fund to satisfy the increase in the Required Reserve Amount attributable to the issuance of the Bonds.

Any proceeds of the Bonds remaining after making all such deposits and payments shall be deposited into the Bond Fund.

SECTION 31. Covenants to Maintain Tax-Exempt Status.

A. Definitions. When used in this Section, the following terms have the following meanings:

Code means the Internal Revenue Code of 1986, as amended by all legislation, if any, effective on or before the Closing Date.

Computation Date has the meaning set forth in Section 1.148-1(b) of the Regulations.

Gross Proceeds means any proceeds as defined in Section 1.148-1(b) of the Regulations, and any replacement proceeds as defined in Section 1.148-1(c) of the Regulations, of the Bonds.

Investment has the meaning set forth in Section 1.148-1(b) of the Regulations.

Nonpurpose Investment means any investment property, as defined in section 148(b) of the Code, in which Gross Proceeds of the Bonds are invested and which is not acquired to carry out the governmental purposes of the Bonds.

Rebate Amount has the meaning set forth in Section 1.148-1(b) of the Regulations.

Regulations means any proposed, temporary, or final Income Tax Regulations issued pursuant to sections 103 and 141 through 150 of the Code, and 103 of the Internal Revenue Code of 1954, which are applicable to the Bonds. Any reference to any specific Regulation shall also mean, as appropriate, any proposed, temporary or final Income Tax Regulation designed to supplement, amend or replace the specific Regulation referenced.

Yield of

(1) any Investment has the meaning set forth in Section 1.148-5 of the Regulations; and

(2) the Bonds means the yield on the Bonds, calculated in the manner set forth in Section 1.148-4 of the Regulations.

B. Not to Cause Interest to Become Taxable. The City shall not use, permit the use of, or omit to use Gross Proceeds or any other amounts (or any property the acquisition, construction or improvement of which is to be financed directly or indirectly with Gross Proceeds) in a manner which if made or omitted, respectively, would cause the interest on any Bond to become includable in the gross income, as defined in section 61 of the Code, of the owner thereof for federal income tax purposes. Without limiting the generality of the foregoing, unless and until the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that failure to comply with such covenant will not adversely affect the exemption from federal income tax of the interest on any Bond, the City shall comply with each of the specific covenants in this Section.

C. No Private Use or Private Payments. Except to the extent it will not cause the Bonds to become “private activity bonds” within the meaning of section 141 of the Code and the Regulations and rulings thereunder, the City shall at all times prior to the last Stated Maturity of Bonds:

a. exclusively own, operate and possess all property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with Gross Proceeds of the Bonds, and not use or permit the use of such Gross Proceeds (including all contractual arrangements with terms different than those applicable to the general public) or any property acquired, constructed or improved with such Gross Proceeds in any activity carried on by any person or entity (including the United States or any agency, department and instrumentality thereof) other than a state or local government, unless such use is solely as a member of the general public; and

b. not directly or indirectly impose or accept any charge or other payment by any person or entity who is treated as using Gross Proceeds of the Bonds or any property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with such Gross Proceeds, other than taxes of general application within the City or interest earned on investments acquired with such Gross Proceeds pending application for their intended purposes.

D. No Private Loan. Except to the extent it will not cause the Bonds to become “private activity bonds” within the meaning of section 141 of the Code and the Regulations and rulings thereunder, the City shall not use Gross Proceeds of the Bonds, to make or finance loans to any person or entity other than a state or local government. For purposes of the foregoing covenant, such Gross Proceeds are considered to be “loaned” to a person or entity if: (1) property acquired, constructed or improved with such Gross Proceeds is sold or leased to such person or entity in a transaction which creates a debt for federal income tax purposes; (2) capacity in or service from such property is committed to such person or entity under a take-or-pay, output or similar contract or arrangement; or (3) indirect benefits, or burdens and benefits of ownership, of such Gross Proceeds or any property acquired, constructed or improved with such Gross Proceeds are otherwise transferred in a transaction which is the economic equivalent of a loan.

E. Not to Invest at Higher Yield. Except to the extent it will not cause the Bonds to become “arbitrage bonds” within the meaning of section 148 of the Code and the Regulations and rulings thereunder, the City shall not at any time prior to the final Stated Maturity of the Bonds directly or indirectly invest Gross Proceeds in any Investment, if as a result of such investment the Yield of any Investment acquired with Gross Proceeds, whether then held or previously disposed of, materially exceeds the Yield of the Bonds.

F. Not Federally Guaranteed. Except to the extent permitted by section 149(b) of the Code and the Regulations and rulings thereunder, the City shall not take or omit to take any action which would cause the Bonds to be federally guaranteed within the meaning of section 149(b) of the Code and the Regulations and rulings thereunder.

G. Information Report. The City shall timely file the information required by section 149(e) of the Code with the Secretary of the Treasury on Form 8038-G or such other form and in such place as the Secretary may prescribe.

H. Rebate of Arbitrage Profits. Except to the extent otherwise provided in section 148(f) of the Code and the Regulations and rulings thereunder:

a. The City shall account for all Gross Proceeds (including all receipts, expenditures and investments thereof) on its books of account separately and apart from all other funds (and receipts, expenditures and investments thereof) and shall retain all records of accounting for at least six years after the day on which the last Outstanding Bond is discharged. However, to the extent permitted by law, the City may commingle Gross Proceeds of the Bonds with other money of the City, provided that the City separately accounts for each receipt and expenditure of Gross Proceeds and the obligations acquired therewith.

b. Not less frequently than each Computation Date, the City shall calculate the Rebate Amount in accordance with rules set forth in section 148(f) of the Code and the Regulations and rulings thereunder. The City shall maintain such calculations with its official transcript of proceedings relating to the issuance of the Bonds until six years after the final Computation Date.

c. As additional consideration for the purchase of the Bonds by the Purchaser and the loan of the money represented thereby and in order to induce such purchase by measures designed to insure the excludability of the interest thereon from the gross income of the owners thereof for federal income tax purposes, the City shall pay to the United States out of the Bond Fund or its general fund, as permitted by applicable Texas statute, regulation or opinion of the Attorney General of the State of Texas, the amount that when added to the future value of previous rebate payments made for the Bonds equals (i) in the case of a Final Computation Date as defined in Section 1.148-3(e)(2) of the Regulations, one hundred percent (100%) of the Rebate Amount on such date; and (ii) in the case of any other Computation Date, ninety percent (90%) of the Rebate Amount on such date. In all cases, the rebate payments shall be made at the times, in the installments, to the place and in the manner as is or may be required by section 148(f) of the Code and the Regulations and rulings thereunder, and shall be accompanied by Form 8038-T or such other forms and information as is or may be required by section 148(f) of the Code and the Regulations and rulings thereunder.

d. The City shall exercise reasonable diligence to assure that no errors are made in the calculations and payments required by paragraphs (2) and (3), and if an error is made, to discover and promptly correct such error within a reasonable amount of time thereafter (and in all events within one hundred eighty (180) days after discovery of the error), including payment to the United States of any additional Rebate Amount owed to it, interest thereon, and any penalty imposed under Section 1.148-3(h) of the Regulations.

I. Not to Divert Arbitrage Profits. Except to the extent permitted by section 148 of the Code and the Regulations and rulings thereunder, the City shall not, at any time prior to the earlier of the Stated Maturity or final payment of the Bonds, enter into any transaction that reduces the amount required to be paid to the United States pursuant to Subsection H of this Section because such transaction results in a smaller profit or a larger loss than would have resulted if the transaction had been at arm's length and had the Yield of the Bonds not been relevant to either party.

J. Bonds Not Hedge Bonds.

(1) The City reasonably expects to spend at least 85% of the spendable proceeds of the Bonds within three years after the Bonds are issued.

(2) Not more than 50% of the proceeds of the Bonds will be invested in Nonpurpose Investments having a substantially guaranteed Yield for a period of four years or more.

K. Elections. The City hereby directs and authorizes each Authorized Official, or any combination of them, to make elections permitted or required pursuant to the provisions of the Code or the Regulations, as they deem necessary or appropriate in connection with the Bonds, in the Certificate as to Tax Exemption or similar or other appropriate certificate, form or document. Such elections shall be deemed to be made on the Closing Date.

SECTION 32. Control and Custody of Bonds. The Mayor shall be and is hereby authorized to take and have charge of all necessary orders and records pending investigation by the Attorney General of the State of Texas and shall take and have charge and control of the Bonds pending their approval by the Attorney General of the State of Texas, the registration thereof by the Comptroller of Public Accounts of the State of Texas and the delivery of the Bonds to the Purchaser.

Furthermore, any of the Mayor of the City, Mayor Pro Tem of the City, any Authorized Official, or any combination of them are hereby authorized and directed to furnish and execute such documents relating to the City and its financial affairs as may be necessary for the issuance of the Bonds, the approval of the Attorney General and their registration by the Comptroller of Public Accounts and, together with the City's Bond Counsel and the Paying Agent/Registrar, make the necessary arrangements for the delivery of the Initial Bond to the Purchaser.

SECTION 33. Satisfaction of Obligation of City. If the City shall pay or cause to be paid, or there shall otherwise be paid to the Holders, the principal of, premium, if any, and interest on the Bonds, at the times and in the manner stipulated in this Ordinance, then the lien on and pledge of Junior Lien Pledged Revenues made under this Ordinance and all covenants, agreements, and other obligations of the City to the Holders shall thereupon cease, terminate, and be discharged and satisfied.

The Bonds, or any principal amount(s) thereof, shall be deemed to have been paid within the meaning and with the effect expressed above in this Section when (i) money sufficient to pay in full such Bonds or the principal amount(s) thereof at Stated Maturity or to the redemption date therefor, together with all interest due thereon, shall have been irrevocably deposited with and held

in trust by the Paying Agent/Registrar or an authorized escrow agent and/or (ii) Government Securities shall have been irrevocably deposited in trust with the Paying Agent/Registrar, or an authorized escrow agent, which Government Securities mature as to principal and interest in such amounts and at such times as will insure the availability, without reinvestment, of sufficient money, together with any money deposited therewith, if any, to pay when due the principal of and interest on such Bonds, or the principal amount(s) thereof, on and prior to the Stated Maturity thereof or (if notice of redemption has been duly given or waived or if irrevocable arrangements therefor acceptable to the Paying Agent/Registrar have been made) the redemption date thereof. In the event of a defeasance of the Bonds, the City shall deliver a certificate from its financial advisor, the Paying Agent/Registrar, an independent accounting firm, or another qualified third party concerning the deposit of cash and/or Government Securities to pay, when due, the principal of, redemption premium (if any), and interest due on any defeased Bonds. To the extent applicable, if at all, the City covenants that no deposit of money or Government Securities will be made under this Section and no use made of any such deposit which would cause the Bonds to be treated as arbitrage bonds within the meaning of section 148 of the Code (as defined in Section 31 hereof).

Any money so deposited with the Paying Agent/Registrar, and all income from Government Securities held in trust by the Paying Agent/Registrar, or an authorized escrow agent, pursuant to this Section which is not required for the payment of the Bonds, or any principal amount(s) thereof, or interest thereon with respect to which such money has been so deposited shall be remitted to the City or deposited as directed by the City. Furthermore, any money held by the Paying Agent/Registrar for the payment of the principal of and interest on the Bonds and remaining unclaimed for a period of three (3) years after the Stated Maturity or applicable redemption date, of the Bonds such money was deposited and is held in trust to pay shall upon the request of the City be remitted to the City against a written receipt therefor, subject to the unclaimed property laws of the State of Texas.

Notwithstanding any other provision of this Ordinance to the contrary, it is hereby provided that any determination not to redeem defeased Bonds that is made in conjunction with the payment arrangements specified in subsection (i) or (ii) above shall not be irrevocable, provided that: (1) in the proceedings providing for such defeasance, the City expressly reserves the right to call the defeased Bonds for redemption; (2) gives notice of the reservation of that right to the owners of the defeased Bonds immediately following the defeasance; (3) directs that notice of the reservation be included in any redemption notices that it authorizes; and (4) at the time of the redemption, satisfies the conditions of (i) or (ii) above with respect to such defeased debt as though it was being defeased at the time of the exercise of the option to redeem the defeased Bonds, after taking the redemption into account in determining the sufficiency of the provisions made for the payment of the defeased Bonds.

SECTION 34. Ordinance a Contract; Amendments – Outstanding Bonds. The City acknowledges that the covenants and obligations of the City herein contained are a material inducement to the purchase of the Bonds. This Ordinance shall constitute a contract with the Holders from time to time, binding on the City and its successors and assigns, and it shall not be amended or repealed by the City so long as any Bond remains Outstanding except as permitted in this Section. The City may, without the consent of or notice to any Holders, from time to time and at any time, amend this Ordinance in any manner not detrimental to the interests of the Holders, including the curing of any ambiguity, inconsistency, or formal defect or omission herein. In

addition, the City may, with the written consent of Holders holding a majority in aggregate principal amount of the Bonds then Outstanding affected thereby, amend, add to, or rescind any of the provisions of this Ordinance; provided that, without the consent of all Holders of Outstanding Bonds, no such amendment, addition, or rescission shall (1) extend the time or times of payment of the principal of and interest on the Bonds, reduce the principal amount thereof, the redemption price therefor, or the rate of interest thereon, or in any other way modify the terms of payment of the principal of or interest on the Bonds, (2) give any preference to any Bond over any other Bond, or (3) reduce the aggregate principal amount of Bonds required for consent to any such amendment, addition, or rescission.

SECTION 35. Printed Opinion. The Purchaser's obligation to accept delivery of the Bonds is subject to their being furnished a final opinion of Norton Rose Fulbright US LLP, as Bond Counsel, approving certain legal matters as to the Bonds, said opinion to be dated and delivered as of the date of initial delivery and payment for such Bonds. Printing of a true and correct copy of said opinion on the reverse side of each of said Bonds, with appropriate certificate pertaining thereto executed by facsimile signature of the City's Secretary is hereby approved and authorized.

SECTION 36. CUSIP Numbers. CUSIP numbers may be printed or typed on the definitive Bonds. It is expressly provided, however, that the presence or absence of CUSIP numbers on the definitive Bonds shall be of no significance or effect as regards the legality thereof, and neither the City nor attorneys approving said Bonds as to legality are to be held responsible for CUSIP numbers incorrectly printed or typed on the definitive Bonds.

SECTION 37. Effect of Headings. The Section headings herein are for convenience only and shall not affect the construction hereof.

SECTION 38. Benefits of Ordinance. Nothing in this Ordinance, expressed or implied, is intended or shall be construed to confer upon any person other than the City, Bond Counsel, Paying Agent/Registrar, and the Holders, any right, remedy, or claim, legal or equitable, under or by reason of this Ordinance or any provision hereof, this Ordinance and all its provisions being intended to be and being for the sole and exclusive benefit of the City, Bond Counsel, Financial Advisors, the Paying Agent/Registrar, and the Holders.

SECTION 39. Inconsistent Provisions. All resolutions and ordinances, or parts thereof, which are in conflict or inconsistent with any provision of this Ordinance are hereby repealed to the extent of such conflict, and the provisions of this Ordinance shall be and remain controlling as to the matters ordained herein.

SECTION 40. Governing Law. This Ordinance shall be construed and enforced in accordance with the laws of the State of Texas and the United States of America.

SECTION 41. Severability. If any provision of this Ordinance or the application thereof to any person or circumstance shall be held to be invalid, the remainder of this Ordinance and the application of such provision to other persons and circumstances shall nevertheless be valid, and the City Council hereby declares that this Ordinance would have been enacted without such invalid provision.

SECTION 42. Incorporation of Preamble Recitals. The recitals contained in the preamble hereof are hereby found to be true, and such recitals are hereby made a part of this Ordinance for all purposes and are adopted as a part of the judgment and findings of the City Council.

SECTION 43. Authorization of Paying Agent/Registrar Agreement. The City Council hereby finds and determines that it is in the best interest of the City to authorize the execution of a Paying Agent/Registrar Agreement concerning the payment, exchange, and transferability of the Bonds. A copy of the Paying Agent/Registrar Agreement is attached hereto, in substantially final form, as Exhibit A and is incorporated by reference to the provisions of this Ordinance.

SECTION 44. Authorization of Escrow Agreement. To the extent the hereinafter-described Escrow Agreement is required to comply with the Purchaser's requirements, the City Council of the City hereby finds and determines that it is in the best interest of the City to authorize the execution of an Escrow Agreement to comply with the Purchaser's pre-design funding option rules and regulations. A copy of the Escrow Agreement is attached hereto, in substantially final form, as Exhibit B, and is incorporated by reference to the provisions of this Ordinance. Any Authorized Official, or his or her designee is authorized to execute the Escrow Agreement as the act and deed of the City Council.

SECTION 45. Application to Texas Water Development Board. The City Council ratifies and confirms its prior approval of the form and content of the Application to the Texas Water Development Board (the *Application*) prepared in connection with the sale of the Bonds to the Purchaser and hereby approves the form and content of any addenda, supplement, or amendment thereto.

SECTION 46. Public Meeting. It is officially found, determined, and declared that the meeting at which this Ordinance is adopted was open to the public and public notice of the time, place, and subject matter of the public business to be considered at such meeting, including this Ordinance, was given, all as required by Chapter 551, as amended, Texas Government Code.

SECTION 47. Continuing Disclosure of Information.

A. Definitions. As used in this Section, the following terms have the meanings ascribed to such terms below:

B. Annual Reports. The City shall file annually with the MSRB, (1) within six months after the end of each Fiscal Year of the City ending in or after 2022 financial information and operating data with respect to the System of the general type described in Exhibit C hereto, and (2) if not provided as part such financial information and operating data, audited financial statements of the City, when and if available. Any financial statements so to be provided shall be (i) prepared in accordance with the accounting principles described in Exhibit C hereto, or such other accounting principles as the City may be required to employ from time to time pursuant to state law or regulation, and (ii) audited, if the City commissions an audit of such financial statements and the audit is completed within the period during which they must be provided. If the audit of such financial statements is not complete within such period, then the City shall file unaudited financial statements within such period and audited financial statements for the applicable Fiscal Year to the MSRB, when and if the audit report on such statements becomes available.

If the City changes its Fiscal Year, it will file notice thereof with the MSRB of the change (and of the date of the new Fiscal Year end) prior to the next date by which the City otherwise would be required to provide financial information and operating data pursuant to this Section.

C. Notice of Certain Events. The City shall file notice of any of the following events with respect to the Bonds to the MSRB in a timely manner and not more than 10 business days after occurrence of the event:

- (1) Principal and interest payment delinquencies;
- (2) Non-payment related defaults, if material;

- (16) Default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a Financial Obligation of the City, any of which reflect financial difficulties.

For these purposes, (a) any event described in the immediately preceding paragraph (12) is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent, or similar officer for the City in a proceeding under the United States Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the City, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement, or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the City, and (b) the City intends the words used in the immediately preceding paragraphs (15) and (16) and the definition of Financial Obligation in this Section to have the same meanings as when they are used in the Rule, as evidenced by SEC Release No. 34-83885, dated August 20, 2018.

The City shall file notice with the MSRB, in a timely manner, of any failure by the City to provide financial information or operating data in accordance with this Section by the time required by this Section.

D. Limitations, Disclaimers, and Amendments. The City shall be obligated to observe and perform the covenants specified in this Section for so long as, but only for so long as, the City remains an “obligated person” with respect to the Bonds within the meaning of the Rule, except

that the City in any event will give notice of any deposit that causes the Bonds to be no longer Outstanding.

The provisions of this Section are for the sole benefit of the Holders and beneficial owners of the Bonds, and nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The City undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Section and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the City's financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Section or otherwise, except as expressly provided herein. The City does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Bonds at any future date.

UNDER NO CIRCUMSTANCES SHALL THE CITY BE LIABLE TO THE HOLDER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE CITY, WHETHER NEGLIGENT OR WITH OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS SECTION, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR *MANDAMUS* OR SPECIFIC PERFORMANCE.

No default by the City in observing or performing its obligations under this Section shall constitute a breach of or default under this Ordinance for purposes of any other provision of this Ordinance.

Nothing in this Section is intended or shall act to disclaim, waive, or otherwise limit the duties of the City under federal and state securities laws.

The provisions of this Section may be amended by the City from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the City, but only if (1) the provisions of this Section, as so amended, would have permitted an underwriter to purchase or sell Bonds in the primary offering of the Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (2) either (a) the Holders of a majority in aggregate principal amount (or any greater amount required by any other provision of this Ordinance that authorizes such an amendment) of the Outstanding Bonds consent to such amendment or (b) a person that is unaffiliated with the City (such as nationally recognized bond counsel) determines that such amendment will not materially impair the interests of the Holders and beneficial owners of the Bonds. The City may also repeal or amend the provisions of this Section if the SEC amends or repeals the applicable provisions of the Rule or any court of final jurisdiction enters judgment that such provisions of the Rule are invalid, and the City also may amend the provisions of this Section in its discretion in any other manner or circumstance, but in either case only if and to the extent that the provisions of this sentence would not have prevented an underwriter from lawfully purchasing or selling Bonds in the primary offering of the Bonds, giving effect to (a) such

provisions as so amended and (b) any amendments or interpretations of the Rule. If the City so amends the provisions of this Section, the City shall include with any amended financial information or operating data next provided in accordance with this Section an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information or operating data so provided.

E. Information Format – Incorporation by Reference. The City information required under this Section shall be filed with the MSRB through EMMA in such format and accompanied by such identifying information as may be specified from time to time thereby. Under the current rules of the MSRB, continuing disclosure documents submitted to EMMA must be in word-searchable portable document format (PDF) files that permit the document to be saved, viewed, printed, and retransmitted by electronic means and the series of obligations to which such continuing disclosure documents relate must be identified by CUSIP number or numbers.

Financial information and operating data to be provided pursuant to this Section may be set forth in full in one or more documents or may be included by specific reference to any document (including an official statement or other offering document) available to the public through EMMA or filed with the United States Securities and Exchange Commission.

F. General Policies and Procedures Concerning Compliance with the Rule.

Because the issuance of the Bonds is subject to the provisions of the Rule and because the potential “underwriters” in a negotiated sale of the Bonds or the initial purchasers in a competitive sale of the Bonds may be subject to MSRB rules and regulations with respect to such sale (including certain due diligence and suitability requirements, among others), the City hereby adopts the General Policies and Procedures Concerning Compliance with the Rule (the *Policies and Procedures*), attached hereto as Exhibit E, with which the City shall follow to assure compliance with the Undertaking. The City has developed these Policies and Procedures for the purpose of meeting its requirements of the Undertaking and, in connection therewith, has sought the guidance from its internal staff charged with administering the City’s financial affairs, its municipal or financial advisors, its legal counsel (including its Bond Counsel), and its independent accountants (to the extent determined to be necessary or advisable). The Policies and Procedures can be amended at the sole discretion of the City and any such amendment will not be deemed to be an amendment to the Undertaking. Each Authorized Official is hereby authorized to amend the Policies and Procedures as a result of a change in law, a future issuance of indebtedness subject to the Rule, or another purpose determined by the Authorized Official to be necessary or desirable for or with respect to future compliance with the Undertaking.

SECTION 48. Book-Entry Only System. The Bonds initially shall be registered so as to participate in a securities depository system (the *DTC System*) with the Depository Trust Company, New York, New York, or any successor entity thereto (*DTC*), as set forth herein. Each Stated Maturity of the Bonds shall be issued (following cancellation of the Initial Bond described in Section 7) in the form of a separate single definitive Bond. Upon issuance, the ownership of each such Bond shall be registered in the name of Cede & Co., as the nominee of DTC, and all of the Outstanding Bonds shall be registered in the name of Cede & Co., as the nominee of DTC. The City and the Paying Agent/Registrar are authorized to execute, deliver, and take the actions set

forth in such letters to or agreements with DTC as shall be necessary to effectuate the DTC System, including the Letter of Representations attached hereto as Exhibit D (the *Representation Letter*).

With respect to the Bonds registered in the name of Cede & Co., as nominee of DTC, the City and the Paying Agent/Registrar shall have no responsibility or obligation to any broker-dealer, bank, or other financial institution for which DTC holds the Bonds from time to time as securities depository (a *Depository Participant*) or to any person on behalf of whom such a Depository Participant holds an interest in the Bonds (an *Indirect Participant*). Without limiting the immediately preceding sentence, the City and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co., or any Depository Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any Depository Participant or any other person, other than a registered owner of the Bonds, as shown on the Security Register, of any notice with respect to the Bonds, including any notice of redemption, or (iii) the delivery to any Depository Participant or any Indirect Participant or any other Person, other than a Holder of a Bond, of any amount with respect to principal of, premium, if any, or interest on the Bonds. While in the DTC System, no person other than Cede & Co., or any successor thereto, as nominee for DTC, shall receive a bond certificate evidencing the obligation of the City to make payments of principal, premium, if any, and interest pursuant to this Ordinance. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Ordinance with respect to interest checks or drafts being mailed to the Holder, the word "Cede & Co." in this Ordinance shall refer to such new nominee of DTC.

In the event that (a) the City determines that DTC is incapable of discharging its responsibilities described herein and in the Representation Letter, (b) the Representation Letter shall be terminated for any reason, or (c) DTC or the City determines that it is in the best interest of the beneficial owners of the Bonds that they be able to obtain certificated Bonds, the City shall notify the Paying Agent/Registrar, DTC, and the Depository Participants of the availability within a reasonable period of time through DTC of bond certificates, and the Bonds shall no longer be restricted to being registered in the name of Cede & Co., as nominee of DTC. However, the City will not discontinue the use of DTC without prior notice and consent of the Purchaser for so long as the Purchaser is the Holder of any of the Bonds. At that time, the City may determine that the Bonds shall be registered in the name of and deposited with a successor depository operating a securities depository system, as may be acceptable to the City, or such depository's agent or designee, and if the City and the Paying Agent/Registrar do not select such alternate securities depository system then the Bonds may be registered in whatever name or names the Holders of Bonds transferring or exchanging the Bonds shall designate, in accordance with the provisions hereof.

Notwithstanding any other provision of this Ordinance to the contrary, so long as any Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, premium, if any, and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, in the manner provided in the Representation Letter.

SECTION 49. Further Procedures. The officers and employees of the City are hereby authorized, empowered and directed from time to time and at any time to do and perform all such acts and things and to execute, acknowledge and deliver in the name and under the corporate seal

and on behalf of the City all such instruments, whether or not herein mentioned, as may be necessary or desirable in order to carry out the terms and provisions of this Ordinance, the initial sale and delivery of the Bonds, the Agreement, the Paying Agent/Registrar Agreement, and the Application to the Purchaser. In addition, prior to the initial delivery of the Bonds, each Authorized Official and Bond Counsel are hereby authorized and directed to approve any technical changes or corrections to this Ordinance or to any of the instruments authorized and approved by this Ordinance necessary in order to (i) correct any ambiguity or mistake or properly or more completely document the transactions contemplated and approved by this Ordinance, (ii) obtain a rating from any of the national bond rating agencies, or (iii) obtain the approval of the Bonds by the Texas Attorney General's office. In case any officer of the City whose signature shall appear on any certificate shall cease to be such officer before the delivery of such certificate, such signature shall nevertheless be valid and sufficient for all purposes the same as if such officer had remained in office until such delivery.

SECTION 50. Unavailability of Authorized Publication. If, because of the temporary or permanent suspension of any newspaper, journal, or other publication, or, for any reason, publication of notice cannot be made meeting any requirements herein established, any notice required to be published by the provisions of this Ordinance shall be given in such other manner and at such time or times as in the judgment of the City or of the Paying Agent/Registrar shall most effectively approximate such required publication and the giving of such notice in such manner shall for all purposes of this Ordinance be deemed to be in compliance with the requirements for publication thereof.

SECTION 51. No Recourse Against City Officials. No recourse shall be had for the payment of principal of, premium, if any, or interest on any Bond or for any claim based thereon or on this Ordinance against any official of the City or any person executing any Bond.

SECTION 52. Automatic Budget Amendments to Reflect Final Debt Service Payments. To the extent that the City Council has adopted an annual budget that includes payment of debt service on any Bonds issued (or to be issued) pursuant to this Ordinance based on the City's reasonable expectations and projections relative to those Bonds, such budget entries shall, upon the issuance of Bonds, be automatically adjusted to reflect actual debt service payments on those Bonds coming due during the period of time covered by such budget. Each Authorized Official, or the designee thereof, is authorized to make such necessary budget entries and/or adjustments to reflect these final debt service amounts.

SECTION 53. Covenants of Compliance. The City shall faithfully and punctually perform all duties with reference to the System required by Chapter 1502, all other applicable laws of the State of Texas, and the provisions of this Ordinance and that the City shall render no free service to any customers or other persons.

SECTION 54. Construction of Terms. If appropriate in the context of this Ordinance, words of the singular number shall be considered to include the plural, words of the plural number shall be considered to include the singular, and words of the masculine, feminine, or neuter gender shall be considered to include the other genders.

SECTION 55. Ancillary Bond Contracts. EXHIBIT E

General Policies and Procedures Concerning Compliance with the Rule

I. Capitalized terms used in this Exhibit have the meanings ascribed thereto in Section 47 of the Ordinance. *Bonds* refer to the Bonds that are the subject of the Ordinance to which this Exhibit is attached.

II. As a capital markets participant, the City is aware of its continuing disclosure requirements and obligations existing under the Rule prior to February 27, 2019, the effective date of the most recent amendment to the Rule (the *Effective Date*), and has implemented and maintained internal policies, processes, and procedures to ensure compliance therewith. Adherence to these internal policies, processes, and procedures has enabled underwriters in non-exempt negotiated sales and initial purchasers in non-exempt competitive sales to comply with their obligations arising under various MSRB rules and regulations concerning due diligence and findings of suitability, among other matters, regarding the City's compliance with the Rule.

III. The City is aware that the Rule was amended as of the Effective Date (the *Rule Amendment*) and has accommodated this amendment by adding subparagraphs (15) and (16) to Section 47C of the Ordinance, which provisions are a part of the Undertaking.

IV. The City is aware that "participating underwriters" (as such term is defined in the Rule) of the Bonds must make inquiry and reasonably believe that the City is likely to comply with the Undertaking and that the standards for determining compliance have increased over time as a result of, among others, the United States Securities and Exchange Commission's Municipalities Continuing Disclosure Cooperation Initiative and regulatory commentary relating to the effectiveness of the Rule Amendment.

V. The City now establishes the following general policies and procedures (the *Policies and Procedures*) for satisfying its obligations pursuant to the Undertaking, which policies and procedures have been developed based on the City's informal policies, procedures, and processes utilized prior to the Effective Date for compliance with the City's obligations under the Rule, the advice from and discussions with the City's internal senior staff (including staff charged with administering the City's financial affairs), its co-municipal or financial advisors, its legal counsel (including Bond Counsel), and its independent accountants, to the extent determined to be necessary or advisable (collectively, the *Compliance Team*):

1. The Director of Financial Services (the *Compliance Officer*) shall be responsible for satisfying the City's obligations pursuant to the Undertaking through adherence to these Policies and Procedures;
2. the Compliance Officer shall establish reminder or "tickler" systems to identify and timely report to the MSRB, in the format thereby prescribed from time to time, the City's information of the type described in Section 47B of the Ordinance;

3. the Compliance Officer shall promptly determine the occurrence of any of the events described in Section 47C of the Ordinance;
4. the Compliance Officer shall work with external consultants of the City, as and to the extent necessary, to timely prepare and file with the MSRB the annual information of the City and notice of the occurrence of any of the events referenced in Clauses 2 and 3 above, respectively, the foregoing being required to satisfy the terms of the Undertaking;
5. the Compliance Officer shall establish a system for identifying and monitoring any Financial Obligations, whether now existing or hereafter entered into by the City, and (upon identification) determining if such Financial Obligation has the potential to materially impact the security or source of repayment of the Bonds;
6. upon identification of any Financial Obligation meeting the materiality standard identified in Clause 5 above, the Compliance Officer shall establish a process for identifying and monitoring any City agreement to covenants, events of default, remedies, priority rights, or other similar terms under such Financial Obligation;
7. the Compliance Officer shall establish a process for identifying the occurrence of any default, event of acceleration, termination event, modification of terms, or other similar events under the terms of any Financial Obligation, the occurrence of any of which reflect financial difficulties of the City; and
8. the Compliance Officer shall annually review these Policies and Procedures with the remainder of the Compliance Team, make any modifications on an internal document retained by the Compliance Officer and available to any “participating underwriter” (as defined in the Rule), if requested, and on the basis of this annual review (to the extent determined to be necessary or desirable), seek additional training for herself or himself, as well as other members of the City’s internal staff identified by the Compliance Officer to assist with the City’s satisfaction of the terms and provisions of the Undertaking.
