

TAXIWAY ECHO REHABILITATION PROJECT

Corpus Christi
International Airport

Taxiway Echo Rehabilitation Project #26122

SUMMARY & RECOMMENDATION

- Project needed to stay in FAA Part 139 compliance
- Pavement Rehabilitation (mill and overlay) of approximately 150,000 square feet
- Project funding available
 - 2024 FAA Entitlement Grant
 - Airport operating budget

RECOMMENDATION:

- Staff recommends approving the amendment to the FY 2026 Operating Budget for \$150,000 to complete the design for Taxiway Echo Rehabilitation Project #26122 at the Corpus Christi International Airport and adding the project to the CIP.
