

# ONSWTP Filter Building Rehabilitation Phase II

Council Presentation  
April 12, 2022

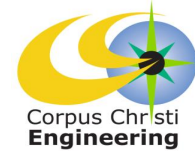

# Project Location

# Project Background

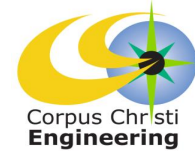

---

- The ONSWTP provides treated drinking water to the City of Corpus Christi.
  - The City of Corpus Christi built the two-story filter building at ONSTP in 1954.
  - In 2013 Phase I of the Filter Building Rehabilitation project renovated the North Wing Filter Building Two.
-

# Project Scope

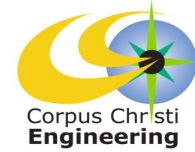

## Phase II

- Rehabilitate the South-wing of Filter Building 1.
- Create approximately 5,376 square feet of office space.
- Improved space will be energy-efficient, ADA accessible, and fire-sprinklered.

The City of Corpus Christi has designated ONSWTP as a hurricane shelter for essential employees.
