Subject: Agenda Item Request

From: Rudy Garza, Councilman, At-Large
To: Peter Zaroni, City Manager
CC: Rebecca Huerta, City Secretary
SUBJECT: AGENDA ITEM FOR ALTERNATIVE WATER SOURCE PRESENTATIONS

In order to ensure that the process of acquiring additional water sources be as transparent as possible and that the City Council and the public be fully informed of all alternatives formally presented to city staff regarding additional water supplies, I and three fellow councilmembers request that city staff invite the original respondents to the City of Corpus Christi RFI for Alternative Water Sources issued in August 2018 to make a presentation to city council on the contents of their respective responses. Other companies who approached the City of Corpus Christi regarding alternative water supplies outside of the RFI should be invited to present as well.

Presentations shall be scheduled on Tuesday September 29, 2020. Each respondent should be instructed to provide price range estimates in their presentations. Respondents will be given the option of appearing before council in person. Presentations will last no longer than 10 minutes with time added for questions by council.

Respectfully,

Rudy Garza

Date: September 4, 2019

From: Gil Hernandez, Councilman, District 5

To: Peter Zaroni, City Manager

CC: Rebecca Huerta, City Secretary
