

**Urban Transportation Plan (UTP) Amendment –
Deletion of Civitan Drive between
Ayers and West ROW of State Highway 286**

Urban Transportation Plan – Civitan Drive

Urban Transportation Plan - Civitan Drive

Background: Civitan Drive Project

- IDEA Public Schools purchased the 15.42 ac tract previously owned by South Padre Investment Inc.
 - Current UTP calls for the extension of Civitan Drive, from East to West across of State Hwy 28.
 - The construction of Civitan Drive to the west of Ayers appears to, no longer be warranted given the current transportation network.
