

THE CITY OF CORPUS CHRISTI-GAS DEPARTMENT Natural Gas Distribution Expansion Update

Council Presentation
June 29, 2021

Background

The City of Corpus Christi Gas Department collaborated with builders to offer Natural Gas as a standard feature in newly constructed homes.

An incentive rebate is offered to all builders that commit to building homes with Natural Gas.

\$1,000 rebate is given to the builder after an inspection of the Natural Gas appliances.

Program established- 2009
Approx. 60 builders enrolled
