Subject: King's Landing Unit 2

Dear Gloria:

Please accept this letter as my request that the Planning Commission grant the subject plat a six month approval extension. This request is being made as we have experienced considerable weather delay in the construction of Unit 1 and we need it in place to do Unit 2. Also there has been substantial inflation in the price of materials so we prefer to construct Unit 2 later than we anticipated. Enclosed is a check for \$38.00 for extension fee. Thank you.

Sincerely,

Nixon M. Welsh, P.E.
