B.S. in Aviation Logistics from the University of North Texas Work as Head of Logistics for voestalpine Texas LLC. Responsible for freight procurement, inventory management, and customs compliance. My primary love is conservation. I have previous experience working in Fiji for a conservation group mapping coral cover, and fish and wildlife populations. In Corpus Christi, I have been involved with Young Business Professionals of the Coastal Bend where I took a role in funding and organizing volunteer-athon. While not exactly community activity, but related to the board position, I feel very strongly "adopt don't shop". My current dog, and all previous family dogs have either been from a shelter, a voluntary surrender, or accidental litter.

This is the only board I am currently applying to.

Why are you interested in serving on a City board, commission or committee?

I moved from Dallas to Corpus about 6 years ago. When I first moved I always considered Corpus Christi a temporary location. As I've lived here longer, I feel a sense of belonging to the City, and feel it is my duty to give back in some way.
