

TEXAS PARKS AND WILDLIFE DEPARTMENT
COMMUNITY OUTDOOR OUTREACH PROGRAM AGREEMENT

Project Name and Number: Observing Science Outdoors (OSO) Summer Guardians 2016; 52-000629

Project Period: TPWD Approval Date to November 1, 2017

Total Project Cost: \$61,374.00

Approved State Funds: \$48,033.00

PROJECT DESCRIPTION (SCOPE):

City of Corpus Christi Parks and Recreation- Oso Bay Wetlands Preserve & Learning Center will administer "Observing Science Outdoors (OSO) Summer Guardians 2016" which will provide an outdoor and environmental education program for 352 participants which will include at least 50% females, 50% ethnic minority and physically/mentally challenged youth. Five of the following will be utilized: Texas State Parks or other TPWD approved facilities, TPWD approved programs, and/or TPWD personnel. Five of the following activities will be included: camping, environmental education, fishing/angling, backpacking/hiking, canoe/kayaking, birding/wildlife viewing, and/or nature photography. The project will include an outdoor service project.

For and in consideration of the mutual covenants and benefits hereof, the Texas Parks and Wildlife Department ("Department") and the "Sponsor" hereby contract with respect to the above described project as follows:

1. The Sponsor is obligated to adhere to all requirements for the Texas Recreation and Parks Account Program including program guidelines set out at 31 TAC Sec. 61.135.
2. No work on the project by the Sponsor shall commence until there is a signed contract by both parties is on file with the department.
3. All changes to this agreement must be approved in advance by the Department.
4. The General Provisions and Budget Summary of Project Costs attached hereto are hereby made part of this agreement.
5. The Agreement is effective upon execution by the Department.
6. Documentation must be provided for reimbursement. This Grant Program does not reimburse for indirect costs.
