

Seawall Capital Repairs (CIP – Type A)

Type A Board Presentation
October 15, 2018

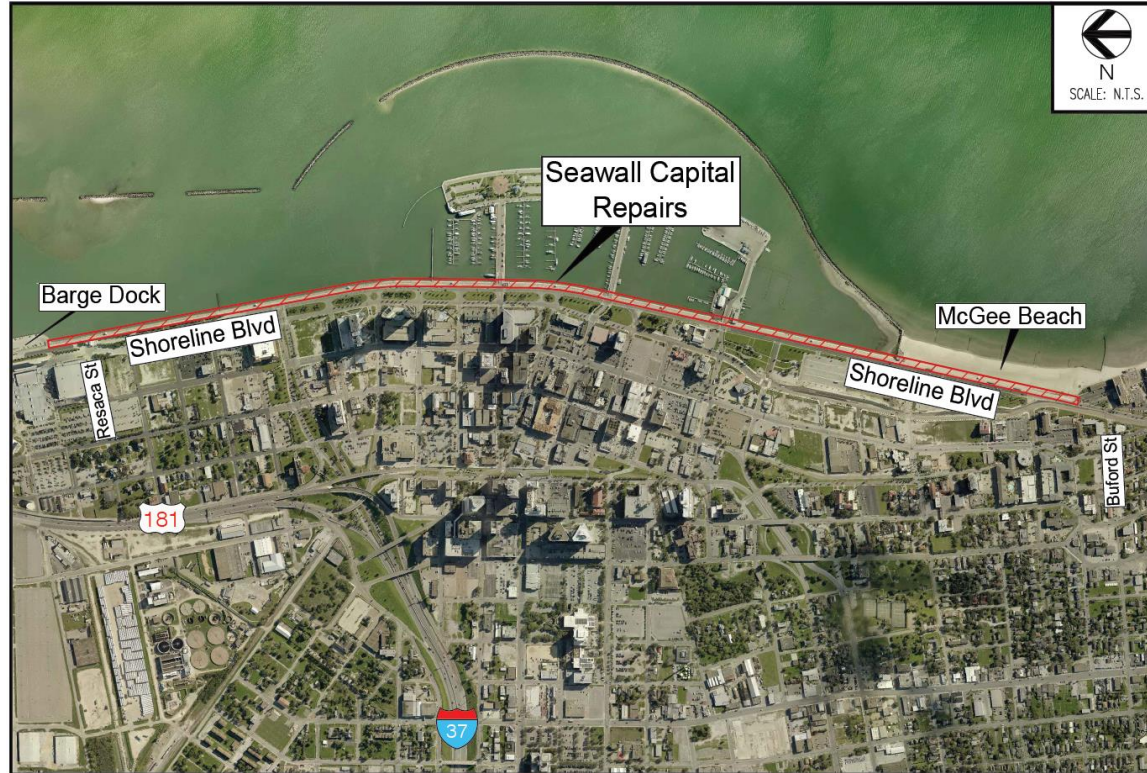

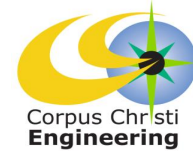

Project Location

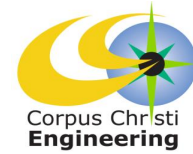

Project Vicinity

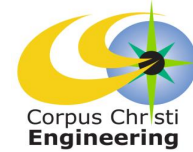

Project Scope

- Downtown Seawall must be inspected and repaired on a regular schedule
 - Routine repairs can defer potentially costly major structural reconstruction efforts
 - Major reconstruction completed in 2006
 - Subsequent minor repairs completed in 2014
- Original contract inspected the Seawall and provided recommendations for repairs
- This amendment provides design services for construction documents to repair the Seawall structure and miradors
