Briefing on the new Water Supply Dashboard and Water Sources

STAFF PRESENTER(S):

<u>Name</u>	<u>Title/Position</u>	<u>Department</u>
1. Drew Molly, P.E.	Chief Operations Officer	Corpus Christi Water
2. Michael Pinckney, P.E.	Senior Engineer	Carollo Engineers

BACKGROUND:

The City of Corpus Christi and Corpus Christi Water (CCW) have launched a new online water dashboard webpage. This webpage provides information about water availability as well as comprehensive monitoring of both western and eastern water supplies. In this briefing, Drew Molly will walk through the steps to access the dashboard.

Additionally, Michael Pinckney, P.E., Senior Engineer with Carollo Engineers, will brief the Council on how the hydrology in the Nueces River Basin continues to impact the water levels in the western reservoir system.
