Interests & Experiences**Are you a Nueces County registered voter?**

Do you currently serve on any other City board, commission or committee at this time? If so, please list:

No, I unfortunately do not.

Education, Professional and/or Community Activity (Present)

GED graduate. I previously maintained a Personal Training Certification, as well as co-owned numerous fitness organizations.

If you applied for multiple boards, which boards are you most interested in serving on, in order of preference? (Limit to top three)

Currently, I only have interest in the Committee for Persons with Disabilities

Why are you interested in serving on a City board, commission or committee?

I became a teen parent during my junior year of high school. As if that wasn't scary enough, my son was born with a cleft nose malformation. We endured a series of rhinoplasty surgeries, with more being recommended, though my son has learned to love the way he looks. In 2009, when my son was approximately 6.5 years old, he suffered his first of many seizures. He had been having debilitating headaches for years, but we were denied an MRI until that day. That was the Day we found out about the Brain Tumor on his temporal and frontal lobes. Interestingly enough, he takes some of the same medications as my now disabled mother. On Thursday April 24, 2014, my mother suffered a series of ruptured brain aneurysms, leading to 5 strokes. Though I am the youngest of 4, with my wife's added strength, we have worked hard to keep her in home with us. Part of the reason we moved to Texas from Catskill, Ny was based on her overall wellbeing. 2009 was also unfortunately the year I lost my father by suicide. His onsetting health problems and disabilities weighed heavy on his mind. I miss him endlessly. Over the years we have experienced ups and downs pertaining to public amenities, program availabilities, and maintaining a sense of self dignity. I would love to share lessons and hope learned from previous positive happenings, as well as continue to learn and grow as a person myself.

Education, Professional and/or Community Activity (Present)

I graduated from college and earned certifications in real estate and film. As a Sales Consultant at Palm Harbor Homes, I help people move from difficult situations into better living conditions, which has strengthened my passion for supporting others. I'm also the founder of Ignite World, a nonprofit dedicated to fostering meaningful conversations through The Unspoken, a card game that encourages open dialogue on important social issues. My greatest strengths are listening, learning, and communicating with compassion. I'm committed to seeing things through and making a real impact. While I haven't worked extensively one-on-one with individuals with disabilities, I've been in situations where I've helped, and I'm eager to do more.

If you applied for multiple boards, which boards are you most interested in serving on, in order of preference? (Limit to top three)

N/A

Why are you interested in serving on a City board, commission or committee?

I want to join the Committee for Persons with Disabilities because I genuinely care about people and believe everyone deserves the opportunity to thrive, no matter their challenges. Growing up with a learning disability, I faced my own struggles, and I know firsthand how frustrating it can be to feel limited. Being part of this committee would give me the chance to advocate for others, help improve accessibility and resources, and ensure that people with disabilities in our community feel heard, supported, and empowered. It's something I'd find deeply fulfilling, and I'm excited about the opportunity to make a real difference.
