Question applies to CORPUS CHRISTI CONVENTION & VISITORS BUREAU

The Convention & Visitors Bureau Board must include representatives from certain categories. Do you qualify for any of the following categories? *

None of the above

Verification

City Code Requirement - Residency

As a board, commission, or committee member, you will be asked to adhere to City Code of Ordinances, Section 2-65, which states that all members of City boards and commissions, including ad hoc committees, appointed by the City, must be residents of the city. A move outside the city limits of the city by any member shall constitute automatic resignation from the particular board or commission on which such member served.

I Agree

City Code Requirement - Attendance

As a board, commission, or committee member, you will be asked to adhere to City Code of Ordinances, Section 2-61, which provides that absences from more than 25% of regularly scheduled meetings during a term year on the part of any board, commission, or committee member shall result in an automatic termination. An absence shall be deemed unexcused unless excused by the board, commission or committee for good cause no later than its next meeting after the absence.

I Agree

Consent for Release of Information

I understand that if any member of the public makes a request for information included in this application or in any attachment (e.g. resume or supporting documentation) for appointment it is subject to and must be disclosed under the Texas Public Information Act. I understand that under the Texas Public Information Act, my home address and home telephone number is subject to public disclosure unless I am elected or appointed to the position which I seek. I hereby consent to the release of my home address and home telephone number should it be requested under the Texas Public Information Act prior to my possible appointment or election. I hereby release the City of Corpus Christi, and its agents, employees and officers, from any and all liability whatsoever if the information must be released pursuant to the Texas Public Information Act.

Objective

To gain full time, long term employment with a stable employer.

I am looking for a career with the opportunity for advancement. I have extensive knowledge of logistics, contract negotiation, budgeting, scheduling, and operations. My current position is Director fleet services. My ideal next position would allow me to share my maritime maintenance knowledge, while increasing my knowledge in operations.

Experience

Director, Fleet Services

Southern Fleet & Logistics Group. Corpus Christi, TX.

Jul 2021 – Oct 2023

Plan and execute goals for the M&R, Fuel, and Logistics divisions. Ensure our customer vessels receive timely repairs in order to maintain operational readiness. Provide logistical support such as fuel, water, groceries, vessel supplies, crew change assistance, etc. Build and maintain spreadsheets to ensure ideal stock levels are kept. Lead training and evaluation of vessel service technicians. Ensure all personnel are performing job safety assessments for each task as required by our company SMS.

Port Engineer

Marquette Transportation Company. Laporte, Tx.

Aug 2018 – Jun 2020

Day to Day operations and maintenance of vessels. Our objective is to keep the towboat fleet in operational status. Services include, electrical, mechanical, hydraulics, Drydocks, compliance, and general maintenance. To ensure ABS, SIRE, USCG, & Customer audit readiness.

Owner

Dockside Maritime Services Corpus Christi, Tx.

Jan 2016 – Present

Our objective is to keep barge, tug, and ATB fleets in operational status. Services include, electrical, mechanical, hydraulics, barge maintenance, Sire readiness, barge tank alarms,

Branch Manager,

Rio Marine Inc., Corpus Christi, TX.

Mar 2007 – Jan 2016

Manage local branch of Rio Marine. Ensure branch is meeting or exceeding Corp. expectations. Rio Marine is a Service Company specializing in Barge Maintenance, and tug repairs/new construction. Electrical design, load analysis, autocad, as built prints, for new construction.

Leadership

Owner of small businesses, and manager of International Marine Service Company. have worked projects on marine vessels all over the US, and project lead in Rio De Janeiro, Brazil.

Proud Veteran of the U.S Army.

Performed Design work and project management for dozens of new constuction pushboats.

Skillset

Licensed Master Marine Surveyor, ABS certified for shipboard electrical, other areas of expertise include: budgeting, vessel construction/retrofit, electrical design, controls, automation, Fire suppression/detection systems, Autocad design, windows office suite, net design, and automating processes.

- Over \$2000 in donations were made

Southern Careers Institute – Presentation to Students

Give presentation on interviews/resumes, other employment info

- PowerPoint
- Interact with students
- Give advice and gather resumes

MISCELLANEOUS ACTIVITIES

Volunteer

ASPCA Dog Walker June 2009 – August 2009

- Leash and walk dogs.
- Clean kennels and refresh water bowls.
- Groom and wash dogs.

Volunteer

Beach Clean-up Crew Events 2009 – 2010 / 2012 – 2014

- Pick up trash and dispose into appropriate disposal areas.
- Move pallets and glass.

Volunteer

Bake Sales and Prom fundraisers 2010 – 2012

- Make bake items and set up bake sale area.
- Handle cash and assist customers.
- Using tools to create prom sets and canvas local business for donations.
- Cleaning and breaking down sets and bake sale areas.

Volunteer

Neighborhood Clean-ups and Beautifications 2010 – 2012

- Pick up trash and dispose into appropriate disposal areas.
- Pull weeds, clean gutters, sweep street areas.
- Creating bus stop seating areas with shade and painting in local high school team colors.
- Creating cute painted mascot plaques to hang in public places.

- Decorating town for holidays and sports events.

Yearbook

Photographer and Assistant 2011

- Photograph all activities and events, travel to away games to document events.
- Creating pages for yearbook to be proofed by editor.
- Canvas local businesses for ad space and donations to fund production.

Yearbook

Editor in Chief 2012

- Arrange teams of student photographers to document all school events and activities.
- Determine which pictures are appropriate for yearbook.
- Arrange and proof all pages before publications.
- Canvas town and local businesses for ad space and donations to fund production.

Volunteer

Texas Longboard Surf Club June 2019 – 2021 (Membership current)

- Arrange TGSA events – sign in participants and assign shirts.
- Meetings and networking to retain and maintain membership.
- Assist group leaders.

Autocross SCCA Waldron

Autocross participant 2014 - 2017

- Divide into classes and heats based on vehicle.
- Drive course as well as possible to qualify your time for the day.
- Pick up and arrange cones for other heats and report cones down for total points to deduct.
- Pay monthly dues and pass security background check to drive on base.

LETTERS OF RECOMMENDATION

September 1, 2022

To Whom it may concern,

It's my absolute pleasure to recommend Janie Gifford for your employment.

Janie and I were coworkers at Unique Employment for the 7 months that I was employed there. I have since moved on, but have kept in close contact with her.

I thoroughly enjoyed working with Janie and always admired her positive, upbeat spirit and willingness to learn. Her organization skills and commitment are top-notch and I believe she can do anything she puts her mind to because she fully engulfs herself in any task she is presented with.

Her goals and ambitions are an inspiration to others as she continues her journey through life. Her willingness to be part of a team, foster positive discussions, and her dedication were truly admirable. Couple that with her ever-growing intelligence, insights and ideas, and work/life experiences, I believe she would be an asset to any organization that chooses her to be part of their team.

Please feel free to contact me at (806)-893-4263 or jaycezuniga16@gmail.com should you like to discuss Janie's qualifications and experience further. I'd be happy to expand on my recommendation.

Sincerely,

Jayce Zuniga

December 7, 2021

To Whom This May Concern:

I am pleased to write this letter of recommendation for Janie Gifford, who is currently applying to your graduate program.

I have had the pleasure of knowing Janie for a little over a year. She was a student in my upper-level research methods course at Texas A&M University – Corpus Christi. As a student in the classroom, Janie was engaged and performed well overall. She picked up new tasks quickly and was able to present her results effectively both in written and oral form. She also worked well under the unusual circumstances created by the early stages of the COVID-19 pandemic and was able to continue her learning process, even in a format that may not have been her first choice.

In addition to her work in the classroom, Janie has worked in the field, often in positions that would give her more insight into the courtroom and surrounding processes. She has been a paralegal as well as a receptionist/court runner for several legal firms. As a result, Janie, more than many other undergraduate students that I have taught, may have a clearer sense of the role in the criminal justice system that she is wishing to undertake. As a result of Janie's knowledge of the system, her persistence when it comes to continued learning, her ability to successfully complete difficult new tasks under difficult conditions, and her abilities to communicate both orally and in writing, I highly recommend Janie for your program. If there is anything else I can do to further her application, please do not hesitate to contact me.

Sincerely,

Wendi Pollock

Corpus Christi, TX 78401

November 17, 2021

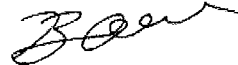

To Whom It May Concern:

I am highly recommending Janie Gifford to you. I am a paralegal at Bandas Law Firm and I have worked with Janie in redeveloping our litigation filing system. I believe Janie would be a great asset to the position she applies for.

Janie has displayed a very positive and ambitious work ethic with all tasks I did present to her. On top of that, she had excellent organizational skills and was very prompt.

I believe that Janie will be a great fit for your business. She was amazing to work with and shows she is very knowledgeable while also has a interest to learn more.

Sincerely

Brittani Ortiz
Paralegal

To Whom It May Concern:

It is my great pleasure to write this recommendation letter to Janie Gifford for her application to law school. Janie Gifford is one of my students at Texas A&M University of Corpus Christi. She took communication theory course with me. I was impressed by her diligence, critical thinking, and exceptional communication skills.

I am an assistant professor of Department of Communication and Media at Texas A&M University-Corpus Christi. I have taught communication related courses since 2015. Janie Gifford is one of the most talented students I have worked with.

In Communication Theory class, Janie is one of the students who progressed tremendously at the end of the class. At the beginning, Janie was a little bit struggled with her case study idea. With tons of hard work and deep research, at the end of the semester, Janie developed a great piece of final work. I am surprised by her perseverance and determination. Her immense improvement resulted from her hard work and unstoppable spirit.

In addition to schoolwork, Janie also has various professional experience. She has been a hiring recruiter for unique employment agency. In addition to that, she also worked as a paralegal for years. Janie is enthusiastic about her work and developing numerous important skills and abilities for her future career. With years of working experience, Janie is excellent at multitasking, planning and communication. To be a good paralegal, she needs to greet clients, take calls, manage social networking, interact with courthouse, jails, and police officers. Her extraordinary multitasking and planning skills made her survive and thrive in her job. Meanwhile, communication is another integral part in her work, an exceptional communication skill made Janie work with various people smoothly and productively.

To sum up, Janie is a self-motivated person with great passion on her study and job. With all the above-mentioned remarkable qualities, I believe that Janie Gifford will continue to be great in her future. I highly recommend her for admission to your program. She is talented, dedicated, hardworking and never stops chasing her dream. Janie's outstanding multitasking abilities, planning and communication skills will also make her a brilliant student in law school. Please feel free to contact me if you have any questions at sining.kong@tamucc.edu.

Sincerely,

Sining Kong

Assistant Profess of Communication
Department of Communication & Media
Texas A&M University-Corpus Christi

Attn: Law School Admissions Committee

Re: Recommendation for Admission to Law School
Janie Gifford

Dear Law School Admissions Committee,

It is with great pleasure that I recommend Ms. Janie Gifford for admission to your law school. Throughout her employment with my prior law firm, Ms. Gifford has proven to be very observant, a quick learner and exhibited professionalism and commitment to her work.

Ms. Gifford was initially brought into my office as additional office support with the understanding her responsibilities would be increased after her abilities were demonstrated. Ms. Gifford quickly shined and excelled.

Ms. Gifford was entrusted with maintaining client communications, handling sensitive documents and financial information, and keeping the office a welcoming and professional environment for my clients and colleagues. I was most impressed with her inquisitive nature. I took that to be demonstrative of both her attention to detail but also sincere desire to learn. Unfortunately, my prior partner began transitioning to retirement in August of 2018, and I was unable to continue to employ her as our office staff was downsized.

I believe Ms. Gifford has the character, work ethic and natural abilities necessary to excel in law school as well as practice. Having Ms. Gifford as a student at your law school will be a credit to your institution.

Sincerely,

STEVE LOPEZ

OBJECTIVE

Selection for Corpus Christi Marina Advisory Board Member

SUMMARY OF QUALIFICATIONS

- Member of Bay Yacht Club 2012 – Present
- Member of the Bay Yacht Club Board of Directors 2013
- Rear Commodore Bay Yacht Club 2014
- Member of Sierra Point Yacht Club (San Francisco, CA) 2006 -2012
- Member of Longview Yacht Club (Texas) 1994 – 2005
- Commodore Longview Yacht Club 2000
- Member of Longview Yacht Club Board of Directors 1998 -1999
- American Sailing Association Instructor 2004 - 2006
- Sailing experience of over 55 years
- Areas of sailing experience include:
 - Inland lakes
 - Great Lakes (Michigan, Erie, Superior)
 - San Francisco Bay/Pacific Ocean
 - Gulf of Mexico (TX to FL)
 - Bahamas
 - British Virgin Islands
- History of progressive responsibilities in business.
- Extensive experience in problem solving.
- Excellent manager with proven ability to build high performance teams.

BUSINESS ACHIEVEMENTS

Assisted several food handling facilities to become fully compliant with the Food Safety Modernization Act (FSMA) and the Global Food Safety Initiative (GFSI) by designing and constructing food safety plans. Assisted with the implementation of the plans and assisted through audits and inspections.

Experienced auditor for GFSI schemes for food and packaging. Qualified for the full range of PrimusGFS scopes. Qualified for IFS PACsecure scopes of flexible plastic, rigid plastic, and paper. Qualified to review GFSI audits performed by other auditors.

Designed and implemented Food Safety Programs for food packing operations to meet or exceed the requirements of the Global Food Safety Initiative. Audited operations ranging from farming to processing of produce throughout North America. Provided accredited HACCP/HARPC training for food safety professionals.

Designed new process at Fresh Leaf Farms to provide improved quality at reduced cost. Features of the new process include reduced cut to cool time, more thorough washing, improved drying, and incorporation of modified atmosphere packaging. Plant headcount was reduced by 60% through the use of automation.

Increased EBIT of Fresh Leaf Farms by 33% (\$1.2mm) in first year by reducing direct labor, reducing inventory levels, and implementing performance metrics.

Designed World-Class Food Safety and Quality program for Fresh Leaf Farms. Achieved “Excellent” ratings on all SQF Code 2000 Level 3 audits, exceeding all customer requirements regarding the Global Food Safety Initiative. Implemented new technology for monitoring and controlling Food Safety.

Managed the start up of two manufacturing plants for Packaging Plus. Installed equipment, recruited and trained associates, developed Good Manufacturing Practices, and implemented performance metrics. The plants have combined sales in excess of \$25MM annually with all key metrics exceeding budget targets.

Implemented an Inventory Management System for Packaging Plus. Designed a program of checks and balances utilizing Lean Manufacturing Techniques for shipping, receiving, production reporting and cycle counting. Inventory variances for materials have been reduced to less than 0.5% of inventory value and inventory turns have increased to 24 for finished goods and 52 for raw material.

Managed the project of installing a reconditioned production line for Carthage Cup. Upgraded a production line which had been unsuccessfully installed in a sister plant and commissioned the line two months ahead of schedule. The high performance of the line and its early availability allowed Carthage Cup to add \$2MM in unbudgeted revenue.

Secured an interest-free loan in the form of a Texas State Grant to help fund a plant expansion for Carthage Cup. Collaborated with State and Local officials to detail economic growth plans, prepare proposals, file applications, and submit progress reports. The State of Texas awarded the City of Carthage and Carthage Cup \$1.3MM in economic development aid which was used to help fund a 100,000 square foot plant expansion.

Pioneered the use of a material substitute to reduce the cost and enhance the performance of Carthage Cup’s products. Introduced a new raw material, which reduced the cost of the product while enhancing the material properties. The implementation provided annual savings of \$1.2MM.

Overhauled the Carthage Cup facility and its operations to meet the stringent requirements of the food service industry. Introduced Good Manufacturing Practices, implemented Lean Manufacturing Techniques such as Kan Ban Inventory Control, Visual Factory Management and the 5 S Program and upgraded the facility and its equipment. The plant consistently scored Excellent on all third-party audits enabling it to capture new markets worth \$20MM in annual revenue.

Launched a low-cost product to maintain a competitive advantage in Carthage Cup's retail distribution channels. Capitalized on the use of superior technology to introduce a lightweight cup into the low margin retail market. The new product generated \$200,000 savings in its first year.

As Plant Engineer of Ivex Corporation, I commissioned a state-of-the-art Oriented Polystyrene plant. Installed equipment, recruited and trained supervisors and hourly associates, and implemented Preventative Maintenance programs. The plant was brought on line on schedule and became the company's least cost producer within one year.

Invented a hydraulic hose assembly for recreational marine out drives that was resistant to rodent attack. Designed a hose fitting to simplify manufacturing and utilize low-cost components to meet the design criteria. A U.S. patent was awarded for the invention.

BUSINESS TECHNICAL SKILLS

- Certified auditor for the PrimusGFS Global Food Safety Initiative scheme
- Certified auditor for the Primus Standard scheme
- Certified auditor for the IFS PACsecure Global Food Safety Initiative scheme
- Registered consultant for the IFS PACsecure Global Food Safety Initiative scheme
- Trained in Kan Ban Inventory Control, Visual Factory Management, and 5S.
- Trained as PCQI
- Well versed in Good Manufacturing Practices.
- Trainer for HACCP Principles.

City Code Requirement - Residency

As a board, commission, or committee member, you will be asked to adhere to City Code of Ordinances, Section 2-65, which states that all members of City boards and commissions, including ad hoc committees, appointed by the City, must be residents of the city. A move outside the city limits of the city by any member shall constitute automatic resignation from the particular board or commission on which such member served.

I Agree

City Code Requirement - Attendance

As a board, commission, or committee member, you will be asked to adhere to City Code of Ordinances, Section 2-61, which provides that absences from more than 25% of regularly scheduled meetings during a term year on the part of any board, commission, or committee member shall result in an automatic termination. An absence shall be deemed unexcused unless excused by the board, commission or committee for good cause no later than its next meeting after the absence.

I Agree

Consent for Release of Information

I understand that if any member of the public makes a request for information included in this application or in any attachment (e.g. resume or supporting documentation) for appointment it is subject to and must be disclosed under the Texas Public Information Act. I understand that under the Texas Public Information Act, my home address and home telephone number is subject to public disclosure unless I am elected or appointed to the position which I seek. I hereby consent to the release of my home address and home telephone number should it be requested under the Texas Public Information Act prior to my possible appointment or election. I hereby release the City of Corpus Christi, and its agents, employees and officers, from any and all liability whatsoever if the information must be released pursuant to the Texas Public Information Act.

I Agree

Oath

I swear that all of the statements included in my application and attached documents, if any, are true and correct.

Professional Summary

A dynamic, creative, results-oriented professional with over 37 years of expertise in sales, marketing, manufacturing and contract negotiations for the oilfield and marine industries. Proven success in developing and executing profitable markets. Exceptional reputation for exceeding goals and expectations.

Key Areas of Expertise

- Executive management
- Leadership and team building
- Cost controls and profitability
- Discovering untapped market potential
- Product knowledge and applications
- Competitive market positioning
- Realistic visionary
- Production oversight
- Strategic negotiations and alliances
- Developing and maintaining client relationships

Achievements

- Developed and implemented the pleasure craft segment of the marine market for Stewart & Stevenson. This group became highly profitable delivering power solutions to clients around the world and exceeded revenue forecast every year. Negotiated long term contracts with most marine manufactures to achieve an 80% market penetration in the yacht market.
- Structured and implemented programs for Stewart & Stevenson to assist customers during the largest financial downturn in the oil and gas market. These programs once implemented aided in the company's regrowth while protecting company assets and saving jobs.
- Led team to negotiate long term price concessions on major components. Implemented a cost control program to allow set pricing across the company for reman engines and transmissions for strategic clients. Increased this market by 35% first year doubling gross profit for that segment.

Professional Experience

Stewart & Stevenson

2013 - present

Corpus Christi, TX

- Built a strong presence with major accounts in the Oil & Gas, Generator, and Fork Lift Rental divisions of the business
- Pursued and obtained strategic accounts throughout the Oil & Gas industry and was responsible for manufacturing products from start to finish by using the existing infrastructure
- Organized the sales team throughout the state of Texas
- Initiated a refurb program for frac and cement trucks, blenders and power units using the capacity of the local branches throughout the state of Texas

Murray Group LLC

2003 - 2013

Tampa, FL

- Developed project financing for investors and private mortgage companies by creating a foreign national program for short term leasing
- Worked with major developers to establish multi-level housing units and subdivisions for the jumbo loan market
- Partnered with the FDIC to facilitate forbearance and workouts during the mortgage crisis

Mega-Yacht LLC

1999 - 2003

Orlando, FL

- Engaged in the purchase and repair of yachts over 80 feet
- Organized and developed a system to handle inventory and marketing of these yachts worldwide

Volvo Penta North America

1996 - 1999

Orlando, FL

- Established and coordinated power centers and factory direct accounts from Florida to California
- Participated in extensive team building
- Created a customer base throughout the country including the obtaining of strategic accounts
- Introduced new commercial marine products to the industry

Florida Detroit Diesel

1994 - 1996

Orlando, FL

- Oversaw the design and construction of 2 large production facilities to service pleasure craft and the on-highway market.
- Managed 6 branches that serviced generator, on highway, marine and industrial segments of DDC
- Directed the production facility that manufactured fire pumps, pleasure craft marine and power units. Negotiated the purchase of VM Motori for Penske Leasing Group North America

Professional Experience cont'd

Stewart & Stevenson

1982 - 1994

Houston, TX

- Developed the S&S I-10 group to handle Oil & Gas, EMD, Storm Water Pumps, Pleasure Craft and Commercial Marine Equipment and Service Worldwide - a highly profitable and industry recognized division
- Pioneered the super yacht business for American power at 2400hp and above using the Detroit Diesel 149 power plant
- Organized the strategic sales efforts to promote DDC power plants in the mega yacht market

Education

- Roger Penske DDC Management Development Training
- Sales/Management Training with General Motors, Detroit Diesel Corporation, Stewart & Stevenson, Mercedes Benz, MTU and American Management Association

Military Experience

Sergeant E5, 10th Special Forces **1977 - 1980**

Fort Devens, MA

Active Reserves, 109th Signal

Psychological Warfare Unit **1980 - 1981**

Austin, TX

Inactive Reserves, Department of the Army **1981 - 1982**

Education, Professional and/or Community Activity (Present)

Registered Professional Engineer, State of Texas, Number 66328 Bachelor of Science, Maritime Systems Engineering, Texas A & M University, 1979

If you applied for multiple boards, which boards are you most interested in serving on, in order of preference? (Limit to top three)

Marina

Why are you interested in serving on a City board, commission or committee?

I believe in serving the community and have skills that will add value to decisions made. When I moved to Corpus Christi as a young Engineer I personally conducted the underwater survey of damage to our Seawall and L-Head/T-Head structures with Goldston Engineering. The resultant reports and design proposal was adopted by the city and is in place today. Furthermore I was instrumental in collecting and presenting data to Congress that brought the Homeport to Corpus Christi. I worked on the GCCA Redfish hatchery and King Ranch Shrimp Farm in the 1980. I went on to work in the International Oil and Gas Industry as an engineer and progressed to VP of a Major Supplier of Equipment and Services Worldwide. I had 200 employees and offices in Corpus Christi, Houston, Chicago, Norway, Dubai and Singapore. After retiring I started an independent engineering company focused on Texas Windstorm Certifications and Marine Industrial Infrastructure.

- Performed the design, fabrication and erection of an enclosed conveyor system 1.2 miles long
- Estimated construction costs and designed structural modules and special fixtures for fabrication and assembly

GOLDSTON ENGINEERING, Corpus Christi, TX

- Performed site surveys of Marina Facilities for the City of Corpus Christi
- Supervised the survey inclusive of underwater inspections, soil borings, and utility assessments
- Project planning, permitting, design and construction management for a major shrimp farm on the King Ranch encompassing over 1,000 acres and capable of pumping over 1 million gallons per day of water
- Conceptual planning for US Navy Home Port facilities on the Corpus Christi Bay

LOCKHEED OCEAN SYSTEMS, Corpus Christi, TX

- Design improvement of oil skimming equipment, which incorporated a variety of specialized power trains. Supervised offshore installations of impressed current systems and designed several special tools for difficult installation logistics in heavy seas.
- Design modifications, trouble shooting and spares planning for all hydraulic systems utilized for the installation of the first compliant drilling and production structure deployed in 1,000 feet of water. Planned, permitted and designed marine construction yards and associated waterways.
- Performed hazard analysis and reliability assessments for several offshore platforms in the North Sea.
- Design and analysis of mechanical and structural components for advanced offshore installations. Analyzed stresses induced on shipboard handling equipment for deploying and retrieving specialized payloads in rough seas.

EDUCATION

Registered Professional Engineer, State of Texas

B.S., Maritime Systems Engineering, Texas A & M University

Preferred Mailing Address

Home/Primary Address

Which Boards would you like to apply for?

MARINA ADVISORY COMMITTEE: Submitted

Interests & Experiences

Are you a Nueces County registered voter?

Yes No

Do you currently serve on any other City board, commission or committee at this time? If so, please list:

No

Education, Professional and/or Community Activity (Present)

No

If you applied for multiple boards, which boards are you most interested in serving on, in order of preference? (Limit to top three)

Marina Advisory Committees

Why are you interested in serving on a City board, commission or committee?

I love Corpus Christi and want to see it continue to flourish.

[Upload a Resume](#)

Are you an ex-Officio member of a City Board, commission or committee?

Yes No

No person shall be appointed by the Mayor or Council Members to serve on more than one board, commission, committee or corporation at the same time. If you currently serve as a voting member for a board, commission, committee or corporation are you willing to resign your current seat to serve on another board, commission, committee or corporation?

Yes No

Are you a current candidate in an election for a non-city public office?

Yes No

Do you currently serve as an elected official for a non-city public office?

Yes No

Will you seek re-election to the non-city public office? If not in a non-city public office, please enter N/A

N/A

Demographics

Gender

Male

Code of Ethics - Rules of Conduct/Conflicts of Interest

Do you represent any person or organization in any claim or lawsuit or proceeding involving the City?

Yes No

Do you, your spouse, your business or your spouse's business have a City contract?

Yes No

Does your employer or your spouse's employer have a City contract?

Yes No

Are you involved with any activities or employment that would conflict with the official duties on the City boards for which you are applying?

Yes No

Are you, your spouse, your business or your spouse's business involved in any pending bid, proposal or negotiation in connection with a contract with the City?

Yes No

Do you or your spouse have a pending claim, lawsuit or proceeding against the City?

Yes No

If you answer "Yes" to any of the questions above, please explain or ask to speak with the City's Legal Department. If you answer "NO" to all questions above, please enter N/A.

N/A

Board-specific questions (if applicable)

Question applies to WATERSHORE AND BEACH ADVISORY COMMITTEE

The Watershore & Beach Advisory Committee must include members representing certain categories. Do you qualify for any of the following categories? *

- Scientist i.e., Marine Biologist)
- Environmentalist

Verification

City Code Requirement - Residency

As a board, commission, or committee member, you will be asked to adhere to City Code of Ordinances, Section 2-65, which states that all members of City boards and commissions, including ad hoc committees, appointed by the City, must be residents of the city. A move outside the city limits of the city by any member shall constitute automatic resignation from the particular board or commission on which such member served.

I Agree

City Code Requirement - Attendance

As a board, commission, or committee member, you will be asked to adhere to City Code of Ordinances, Section 2-61, which provides that absences from more than 25% of regularly scheduled meetings during a term year on the part of any board, commission, or committee member shall result in an automatic termination. An absence shall be deemed unexcused unless excused by the board, commission or committee for good cause no later than its next meeting after the absence.

I Agree

Consent for Release of Information

I understand that if any member of the public makes a request for information included in this application or in any attachment (e.g. resume or supporting documentation) for appointment it is subject to and must be disclosed under the Texas Public Information Act. I understand that under the Texas Public Information Act, my home address and home telephone number is subject to public disclosure unless I am elected or appointed to the position which I seek. I hereby consent to the release of my home address and home telephone number should it be requested under the Texas Public Information Act prior to my possible appointment or election. I hereby release the City of Corpus Christi, and its agents, employees and officers, from any and all liability whatsoever if the information must be released pursuant to the Texas Public Information Act.

I Agree

Oath

I swear that all of the statements included in my application and attached documents, if any, are true and correct.

I Agree

JOHN S. WOOD, Ph.D.

6929 Aswan Drive, Corpus Christi, Texas 78412 | Telephone: (361) 548-2528

E-mail: [REDACTED]

October 11, 2021

RELATED PROFESSIONAL EXPERIENCE

01/2016 – Present Adjunct Faculty, Texas A&M University-Corpus Christi (TAMUCC)
01/2014 – Present Wood Environmental Systems & Technologies (WEST), Principal
01/2013 – 08/2015 Post-Doctoral Research Associate/GIS Analyst, Harte Research Institute
08/2005 – 12/2012 Fellow, Research Assistant, Harte Research Institute for Gulf of Mexico Studies
01/2003 – 08/2005 Research Associate, Center for Coastal Studies, TAMUCC
05/1999 – 05/2001 Undergraduate Student Intern - Center for Coastal Studies, TAMUCC

EDUCATION

12/2012 Ph.D., Texas A&M University-Corpus Christi, Coastal and Marine System Sciences, GPA 3.92/4.0
12/2002 M.S., University of Redlands, Geographic Information Sciences, GPA 3.83/4.0, emphasis in GIS Project Management
05/2001 B.S., Texas A&M University-Corpus Christi, Geographic Information Sciences, GPA 3.65/4.0, emphasis in Geographic Information Systems, Minor in Computer Science

AWARDS, OFFICES and HONORS

Harte Research Institute	Fellowship	Texas Field Archery Association - Past President, Field Governor, Editor
Corpus Christi Sunrise Rotary	Past President	Tejas Field Archery Club - Past President, Vice President
GIS Student Organization	Past President	

COURSES TAUGHT

GISc/GEOG 1301	Physical Geography and Mapping	SP. 2019, 2020,
ESCI 4202	Issues in Environmental Science	SP.2017/2018/2019/21, Fall 2017/18/19/20/21
ESCI 3443	Environmental Biology	SP. 2017/18/19/20/21, Fall 2017/18/19/20/21
ESCI 1401	Introduction to Env. Science (*w/ Lab)	Fall 2016*/2017/2018/19/20/21
ESCI 3202	Professional Skills for Env. Science	SP. Fall 2016/17/18/19/20/21
ESCI 3351	Oceanography	SP. 2020/21, Fall 2019/20/21
BIOL/BIMS 2201	Professional Skills for Biol./Biomed Sci.	SP. 2016/2017/18/19
BIOL 1406	Introduction to Biology (Lab Portion)	Fall 2016/Spr. 2016
ESCI 5490	GIS in the Environmental Sciences	Summer 2007
BIOL 4590	GIS in the Biological Sciences	Summer 2006
CMSS 6407	Data Integration and Interpretation (Lab)	Fall 2005
GISCI 3301	Geographic Information Systems II	SP. 2004
GEOG 3331	Geography of North America	Fall 2019

PROFESSIONAL DEVELOPMENT

ODELT: Best Practices in Online Learning	ESRI: Introduction to Programming ArcObjects with VBA
ASPRS: Assessing the Accuracy of GIS Information Created from Remotely Sensed Data: Principles and Practices	ESRI: Working with ArcGIS Spatial Analyst
ESRI: Introduction to the Multiuser Geodatabase	ESRI: Introduction to ArcGIS Server
ESRI: Introduction to Python Programming	ESRI: Introduction to ArcGIS I & II
ESRI: Database Design Concepts	ESRI: Introduction to ArcIMS

PROFESSIONAL ACTIVITIES

Member, Sigma Xi Society 2005–Present
Member, Texas Seagrass Monitoring Workgroup
Member, Oso Creek Watershed Steering Committee
Member, Texas Geographic Information Council
Member, South Central Arc Users Group
Member, American Geophysical Union
Member, Union of Concerned Scientists
Member, Coastal Bend Bays Foundation

Member, American Society for Photogrammetry and Remote Sensing
Member, Estuarine Research Federation
Member, American Association for the Advancement of Science
Member, National Audubon Society
Member, Surfrider Foundation

GRANTS & CONTRACTS (TEXAS A&M UNIVERSITY-CORPUS CHRISTI)

“Gulf Ecological Management Sites Restoration Portal”, Gulf of Mexico Foundation, 04/01/2013-9/30, 2013, \$39,996.68. OSRS # 1312963. Post-Doctoral Research Associate.

“Acquisition of Texas Coastal Imagery for Seagrass and Oyster Reef Mapping and Management” National Oceanic and Atmospheric Administration (NOAA), NOAA Grant NAO5NOS4730008, 5/01/2005-4/30/2007, \$24,439. John S. Wood (Co-P.I.), James Simons (TPWD) (Co-P.I.).
