

Packery Channel Dredging and Beach Nourishment

-
- Dredging Material Transport:** The contractor, Callan Marine, will move dredging material via a pipeline to Whitecap Beach.
 - Safety Precautions:** Temporary disturbances including safety buffers around work zones will be in place.
 - Access Points:** Vehicular crossings will be located at each roadway where the pipeline crosses and wooden stairways for pedestrians will be provided.
 - Work Hours and Community Consideration:** A continuous 24/7 work plan with a noise and lighting control plan from 7:00 PM – 7:00 AM to minimize community disturbance.
