ANNETTE MEDLIN

Summary

Annette is a passionate and skilled organization management professional with 20+ years in non-profit program management.

Experience

United Corpus Christi Chamber of Commerce, President/CEO

January 2016 to Present

An 1100 member chamber representing business in the Corpus Christi Region. The Chamber has a strong program of work including active Advocacy programs, committees, signature events, networking and other small business events. Its mission is one of inclusion and diversity and it works to support that mission with businesses of all sizes and in creating a voice that represents all. Role includes executive management of a staff of 10 and a budget of \$1.1 million.

Speaker/Consultant/Facilitator

Annette Medlin, Organization Management Consultant
April 2012 - Present (3 years 5 months)

Since April of 2012 Annette has been conducting membership campaigns all over the U.S. and Canada. In these events her successful approach is in emphasizing the "why" of the Chamber's message, training volunteers and staff to understand and share that message and then positioning them to have significant momentum for continued growth beyond the campaign. Her most recent campaign with the Roane County Chamber of Commerce resulted in a 28% increase in membership in 2 days. In addition, Annette is a regular speaker, facilitator, coach and writer. Her retreats, presentations and workshops help clients assess their current status and develop systems for growth, sustainability and more efficient organization management.

Co-Founder/Director Membership180

April 2012 - December 2014 (2 years 9 months)

A national membership development company serving client organizations with a program designed to expand membership while strategically pointing organizations in a new direction. Campaign facilitation included staff training, volunteer training, a defined membership growth strategy, and tools for sustainability beyond the campaign. Working with chambers of commerce and associations across the country, Membership180 not only brings new members to the table, generating an increase in revenue, but creates a culture for member engagement and overall retention. It's a triple bottom line: Recruitment, Engagement and Retention!

Georgetown County Chamber of Commerce, President/CEO

January 2005 - July 2012 (7 years 7 months)

A 750 member chamber representing business and tourism for the Georgetown County community located on the coast of South Carolina between Myrtle Beach and Charleston. The service area covers the entire county and reaches out into the region with a year round population of about 65,000, two municipalities, and a blended economic culture that includes traditional manufacturing, small business and tourism. This position required all organization management skills with an emphasis on building and cultivating relationships with stakeholders, investors of all sizes, local, regional and state leadership and elected officials. When hired the membership was 425 with a budget of \$225,000. When I resigned we had a membership of 750 and a budget of \$1.5 million. A significant amount of this growth happened in the years 2008 to 2010 during economic crisis.

Brookgreen Gardens, Vice President Public Operations

May 2000 - August 2003 (3 years 4 months)

Brookgreen is an internationally known outdoor sculpture garden on the coast of South Carolina. This role included executive management for special events, and all income generating venues. Supervised a staff of three managers, 30 additional staff members and a budget of around \$1.5 million. Worked directly with major donors and a national Board of Trustees.

Project Consulting

Pakistan-Afghanistan Joint Chamber of Commerce & Industry October 2013 to February 2014

In 2011, the Center for International Private Enterprise (www.cipe.org) got funding via the British government to start a joint Afghanistan-Pakistan Chamber of Commerce, to promote better cross-border business relations & implementation of a key regional trade deal. CIPE was key in setting up the governance structure, the mission/vision of the organization, getting it off the ground, but they reached a point where they needed to bring in some additional technical expertise with very specific chamber management skills. I was hired by CIPE to help them write & implement a membership recruitment plan – beginning with identifying potential members, how to pitch membership, how to benchmark progress toward membership goals, how to work with membership relationship software, etc., and to help identify & put into place new revenue-generating services for members & non-members.

Testimonials

“Our experience working with Annette exceeded any and all expectations we had about the possibilities for a successful campaign. We admittedly didn’t know how to execute a membership expansion event. But with Annette’s guidance, patience, follow-through, and positive attitude we were able to reach numbers that we didn’t think were possible. In two days we grew our total membership by 28%!

Our Chamber is healthier than it has been in many years, thanks in large part to Annette Medlin. After our experience I couldn’t imagine going through an expansion event with anyone else.”

__ **Wade Creswell, President/CEO, Roane County Alliance; campaign client**

"I am on the Rifle Area Chamber of Commerce Board of Directors and we had Annette come in and facilitate a strategic planning retreat. I was very impressed with Annette's approach, knowledge, and ability to direct the time in a productive manner. The timing was such that it required last minute changes and a different approach to the meeting. I feel Annette handled it very well. So if you are looking for an outside person to facilitate strategic planning, leadership development, etc, Annette will serve you well. "

— **Bryan Vashus, consulting client**

"Annette helped me to realize who and what I was through a series of mentoring/coaching consultations. When I came to her for help, I thought she would just tell me "this is what you need to say and this is what you need to do." Instead, she helped me to find within myself my own message, my own strengths and my own direction/path. And through the process, she was always there to support and guide me. I am truly thankful to have had her as a consultant on what was one of the biggest moves in my career thus far. "

— **Liz Carey, coaching client**

"Annette spoke before 90 Chamber Executives, Staff and Chamber Board members at our Iowa Chamber of Commerce Executives (ICCE) one day conference in April 2015. Her presentation was most informative regarding working with Chamber boards. Board members in attendance had an eye opening experience into the real work of their executive and staff members. I would encourage any Chamber or organization to invite Annette to speak. She is not only great at giving presentations but very understanding about what we as Chambers and organizations really do. Annette, thank you, you truly are one of the best!"

— **Shar Pardubsky, Executive Director, Iowa Chamber of Commerce Executives; association client**

"I was fortunate to come to know Annette through the US Chamber of Commerce Institute of Organization Management. Annette was my year one Class Advisor. She was wonderful. Professional and direct but always conscientious and kept us on time. We have since become friends as well as colleagues. I count on and seek her insights and judgement on issues that arise in our profession. She has great knowledge and outstanding professional judgement. I am proud to call her my friend and colleague."

— **Randy Vivian, IOM, President/CEO, Victoria Chamber of Commerce; IOM student**
