

December 28, 2017

City of Corpus Christi Department of Engineering Services
PO Box 9277
Corpus Christi, Texas 78469-9277

**Re: E17059 NEW BEACH OPERATIONS BUILDING
CORPUS CHRISTI, TEXAS
AWARD RECOMMENDATION**

To Whom It May Concern:

The bids for the referenced project were opened on Wednesday, 13 December 2017. At that time there were three (3) bids received and subsequently reviewed for accuracy and compliance with the bid documents. All the documentation was in order and that, in our opinion, all bidders offered qualified bids. ABBA Construction, LLC out of Laredo, Texas is the apparent low bidder.

Based on the information provided with the bid documents we are confident that ABBA Construction is qualified to complete the work. We recommend that the City of Corpus Christi select ABBA Construction, LLC out of Laredo, Texas base bid for a total construction cost of \$399,777.00. The contractor will have 150 calendar days from the issuance of a notice to proceed to complete the project.

Should you have any questions or require any additional information, please do not hesitate to contact us.

Sincerely,

MUNOZ ENGINEERING, LLC

Thomas Tiffin, P.E.

Project Manager
