

Update on Water Restrictions
Corpus Christi City Council
September 20, 2022

STAGE 1 WATER RESTRICTIONS

Watering with irrigation or sprinklers allowed one day per week on your trash day with no watering on that day between 10:00am - 6:00pm

- **Citations for not following Stage 1 water restrictions will be issued**
- **Citations could result in fines up to \$500 per violation per day**
- **Enforcement will include nights and weekends**
- **To report water violations, call 311**

- Stage 1 Water Restrictions may be lifted when the combined capacity of Lake Corpus Christi and Choke Canyon Reservoir rises above 50%
- When Stage 1 Water Restrictions are lifted, the community will be notified
- Water conservation is a 365-day effort
 - Turn off the faucet while brushing teeth or shaving
 - Only run full loads in the washer and dishwasher
 - Water landscaping only three days a week
 - Plant xeriscape and drought-resistant shrubs and flowers
 - Fix leaking pipes, faucets and toilets
 - Install water efficient fixtures, toilets and appliances
