

Library Improvements – Citywide (Neyland)

Council Presentation
February 13, 2024

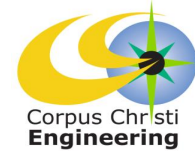

Anita & W.T. Neyland Public Library

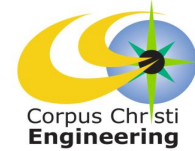

Project Scope

- This project proposes repairs to the corroded sanitary sewer lines and upgrades to the public and staff restrooms.
- The scope is summarized below:
 - Replace corroded sewer lines.
 - Renovate existing restrooms to comply with current ADA and fire codes.
 - Convert the existing child's restroom into a family restroom.
 - Close rear building windows to repurpose space for relocation of the staff restroom.
 - Add new ADA and fire code compliant exit ramp.
