Bond 2024 Residential Streets Program

STAFF PRESENTER(S):

<u>Name</u>	<u>Title/Position</u>	<u>Department</u>
1. Ernesto De La Garza	Director	Public Works

BACKGROUND:

On November 5, 2024, voters approved the City of Corpus Christi’s Bond 2024 Program for a total of \$175 million with thirty-eight projects. The propositions passed on election day include projects for streets, parks and recreation, public safety, and cultural facilities.

Proposition A (Streets) includes a total of eighteen street projects located citywide with an estimated cost of \$89.5 million. One of the eighteen projects is Bond 2024 Residential Streets which included \$35 million to repair residential streets. The repair of residential streets is a crucial aspect of maintaining the overall infrastructure of our city. By investing in these projects, we are not only improving the safety and functionality of our streets but also enhancing the quality of life for our residents.

The briefing today will present the Bond 2024 Residential Streets Project Workplan including a list of streets selected from the Council-approved FY 2026 Rapid Pavement Program and the implementation plan.
