Dear Mr. Saldaña:

As per our conversation earlier today, I would like to formally request a refund of my "Wastewater System acreage fee" plus accrued interest and any other refunds that I am entitled to. Attached you will find copies of the checks used to pay my platting fees and a copy of the letter advising me of said fees dated 9/16/2004 from you. I do not have a receipt for the fees since they were handled through the engineering company that filed the plats, but if you need any more information I can contact them to see what they have on file. Thank you for your cooperation and please call me if you have any questions.

Sincerely,

Pedro S. Bazan
