Engineering Construction Contract for Citywide Street Striping and Pavement Markings

CAPTION:

Motion authorizing the City Manager, or designee, to execute a Construction Contract with Highway Barricades and Services, LLC. of Corpus Christi, Texas for the City-wide Street Striping and Pavement Markings project in the amount of \$129,770.00 for the Base Bid.

PURPOSE:

To award the construction contract for the City-wide Street Striping and Pavement Markings project.

BACKGROUND AND FINDINGS:

This project consists of furnishing and placing reflectorized pavement markings and raised pavement markers at various locations throughout the City under multiple work authorizations [indefinite delivery / indefinite quantity (IDIQ)] for a period of one (1) calendar year (12 calendar months), with the option to extend the contract for up to two (2) additional one (1) calendar year terms, subject to the approval of the Contractor and the City. The minimum quantity of work for most authorizations will be 40,000 LF of striping. However, authorizations of less than 40,000 LF striping are anticipated three (3) times per year.

On April 17, 2013, the City received proposals from two (2) bidders and their bids are as follows:

Contractor	Base Bid
Highway Barricade and Services, LLC. Corpus Christi, Texas	\$129,770.00
Highway Technologies, Inc. Austin, Texas	\$124,592.00

ALTERNATIVES:

1. Award Project to Highway Barricade and Services, LLC., the second apparent low bidder, as recommended by staff.
2. Do not award contract.

OTHER CONSIDERATIONS:

The low bidder (Highway Technologies, Inc.) on this project was non-responsive and with legal counsel concurrence when it was determined that the company had filed for Chapter 11 bankruptcy and advised the City they could not perform the work. Staff determined it to be in the best interests of the City to award the construction contract to the next lowest bidder.

CONFORMITY TO CITY POLICY:

Conforms to statutes regarding Request for Bids process; FY 2013-14 Operating Budget.

EMERGENCY / NON-EMERGENCY:

Not applicable

DEPARTMENTAL CLEARANCES:

Traffic Engineering

FINANCIAL IMPACT:

X Operating Revenue Capital Not applicable
