

SISTER CITY COMMITTEE

One (1) vacancy with term to 9-1-23.

Duties

The Sister City Committee studies ways and means of improving relations with the Corpus Christi Sister Cities and to advise and consult with and assist the Mayor, the City Council, the City Manager and all other City agencies, boards and officials in accomplishing the purposes of the Sister City Program.

Composition

The Committee shall consist of nine (9) members who shall be appointed by the City Council and shall serve three-year terms. In addition, representatives from the following City departments shall serve as ex-officio, non-voting members of the steering committee: Mayor's Office, Corpus Christi International Airport and Parks and Recreation. The officers of the steering committee shall consist of a General Chair and Vice-Chair. The Chair and Vice-Chair shall be elected by majority vote of the Sister City Committee annually. If the General Chair is absent, the Vice-Chair shall serve as General Chair during his/her absence. The steering committee may appoint any other subcommittee as, in its judgment, will aid it in carrying out its duties. The steering committee shall determine the membership of each said subcommittee, its duties and chairman. The membership of each said subcommittee shall consist of members of the steering committee and, at the option of the steering committee, members from the community at-large.

Member Size	Term Length	Term Limit

Which Boards would you like to apply for?

SISTER CITY COMMITTEE: Submitted

Interests & Experiences

Do you currently serve on any other City board, commission or committee at this time? If so, please list:

No.

Education, Professional and/or Community Activity (Present)

High School. No other professional or community activities at this time.

If you applied for multiple boards, which boards are you most interested in serving on, in order of preference? (Limit to top three)

N/A.

Why are you interested in serving on a City board, commission or committee?

I am originally from Mexico and am very interested in working with our Sister Cities in Mexico to strengthen our relationships with these Sister Cities. I am fluent in Spanish and believe this would be a great asset to the Committee

Are you an ex-Officio member of a City Board, commission or committee?

Yes No

No person shall be appointed by the Mayor or Council Members to serve on more than one board, commission, committee or corporation at the same time. If you currently serve as a voting member for a board, commission, committee or corporation are you willing to resign your current seat to serve on another board, commission, committee or corporation?

Yes No

Demographics

Code of Ethics - Rules of Conduct/Conflicts of Interest

Do you represent any person or organization in any claim or lawsuit or proceeding involving the City?

Yes No

Do you, your spouse, your business or your spouse's business have a City contract?

Yes No

Does your employer or your spouse's employer have a City contract?

Yes No

Are you involved with any activities or employment that would conflict with the official duties on the City boards for which you are applying?

Yes No

Are you, your spouse, your business or your spouse's business involved in any pending bid, proposal or negotiation in connection with a contract with the City?

Yes No

Do you or your spouse have a pending claim, lawsuit or proceeding against the City?

Yes No

If you answer "Yes" to any of the questions above, please explain or ask to speak with the City's Legal Department. If you answer "NO" to all questions above, please enter N/A.

N/A

Board-specific questions (if applicable)

Verification

City Code Requirement - Residency

As a board, commission, or committee member, you will be asked to adhere to City Code of Ordinances, Section 2-65, which states that all members of City boards and commissions, including ad hoc committees, appointed by the City, must be residents of the city. A move outside the city limits of the city by any member shall constitute automatic resignation from the particular board or commission on which such member served.

I Agree

City Code Requirement - Attendance

As a board, commission, or committee member, you will be asked to adhere to City Code of Ordinances, Section 2-61, which provides that absences from more than 25% of regularly scheduled meetings during a term year on the part of any board, commission, or committee member shall result in an automatic termination. An absence shall be deemed unexcused unless excused by the board, commission or committee for good cause no later than its next meeting after the absence.

I Agree

Consent for Release of Information

I understand that if any member of the public makes a request for information included in this application or in any attachment (e.g. resume or supporting documentation) for appointment it is subject to and must be disclosed under the Texas Public Information Act. I understand that under the Texas Public Information Act, my home address and home telephone number is subject to public disclosure unless I am elected or appointed to the position which I seek. I hereby consent to the release of my home address and home telephone number should it be requested under the Texas Public Information Act prior to my possible appointment or election. I hereby release the City of Corpus Christi, and its agents, employees and officers, from any and all liability whatsoever if the information must be released pursuant to the Texas Public Information Act.

I Agree

Oath

I swear that all of the statements included in my application and attached documents, if any, are true and correct.

Engineering/Energy

Why are you interested in serving on a City board, commission or committee?

I have recently lived in Japan and found out that the city I lived in is the sister city to Corpus Christi. Also, their 50 year anniversary is in 2022 and I would love to participate in it. Also, working as a utility and energy manager for a military base in Japan, allowed me to have contact and meet with multiple Japanese businessmen in the oil and gas business; most specifically Tokyo Gas. I believe there is great opportunity for the city of Corpus Christi to increase their business relationship with Japan and hopefully bring in some investor development.

16 YEARS EXPERIENCE IN TECHNICAL/ENGINEERING SYSTEMS RANGING FROM NAVAL AIRCRAFT, TO RAPID RAIL POWER DISTRIBUTION, TO UTILITY PRODUCTION AND DISTRIBUTION SYSTEMS AND FACILITY MAINTENANCE/OPERATIONS. EXCELLENT TEAM BUILDING SKILLS, TRAINING/MENTORSHIP, AND LEADERSHIP SKILLS.

Quality Assurance Standards • Team Builder • Performance Evaluations • Logistics Management • Time & Resource Management • Diverse Engineering Experience

PROFESSIONAL EXPERIENCE

U.S. NAVY, NAVFAC SE Jan2020 - Present

Production Division Director, GS-1601-13, NAS Corpus Christi, Texas

Leads and supervises 68 employees that is responsible for all trade skilled and in-house labor, utility production and distribution, and all transportation and heavy equipment needs for Naval Air Station Corpus Christi. Provides all products and services for CNIC (Commander, Naval Installations Command) and all tenant commands for NAS Corpus Christi. Treats and distributes over 1 million gallons per day of potable water, as well as 800,000 gallons of wastewater treatment per day to serve a population of 10,000 people. Manages the UP (Utilities Privatization) contract for NAS Corpus Christi's electrical distribution system which supplies 35 MW-hr of electrical power to the base 24/7. Manages and directs all in-house shop force labor, with 48 trades people ranging from electricians, HVAC techs, pipefitters, plumbers, carpenters, locksmiths to alarm/fire/maintenance technicians. Ensures all scheduled work, to include preventative maintenance and projects, are in alliance with mission goals and budget. Advises senior management on all matters pertaining to core infrastructure, transportation, and mobilization of shop forces. Gives presentations on metrics and condition of readiness within core infrastructure of the installation. Manages utility project development, to include: specifications, CAD drawings, scopes of work, and independent government estimates. Develop apprenticeship and training programs for shop trades. Coordinate with the local community college to develop curriculum to aid in the "formal training" aspect of a formal apprenticeship.

U.S. NAVY, NAVFAC FE Dec2017- Jan2020

Utilities Director, GS-1601-12, NAF Atsugi, Japan

Responsible for military installation's entire core infrastructure, which is to include: electrical transformation and delivery (300MW-hr/day), steam generation (up to 2,000t/day), water treatment (1 million gallons/day) and wastewater treatment (800,000 gallons/day) and oversight of all supporting distribution infrastructure for all core operating systems. Reviews and interprets engineering plans and specifications, manages production processes that include planning, estimating, material procurement, scheduling, work execution, quality control and resource management required to ensure continuous operations. Subject Matter Expert of all commodities and all aspects of operations within Utilities and Energy Management. Advises upper management on all utility matters involving organization and operations, and potential/actual emergencies. Works with foremen and work management software systems (Maximo) to develop projects for long term planning and efficient operation of equipment and assets. Works with the Installation Energy Manager to determine any conservation and energy efficiencies within systems and implements such projects through energy funding streams. Also, coordinates with the energy manager on Energy Services Performance Contracts (ESPC) for the installation. Supervises 55 employees; to include host nation employees, and USCS personnel. Initiates and manages personnel recruitment, promotions, awards, budget, and workload. Serve as Navy Working Capital manager for UEM and is responsible for the overall planning and execution of a \$57 million operating budget. Responsible for all utility funding programs, including SRM, CIP, MMRP, and J-FIP funding programming.

Michael A. Crowley

Phone:312-597-0458 **Email:** [REDACTED]

U.S. NAVY, NAVFAC FE Aug2015- Dec2017

Utilities Commodity Manager, GS-0301-12, NAF Atsugi, Japan

Serves as Installation Utilities Commodity Manager for Naval Air Facility Atsugi, Japan. Primary responsibilities include management and oversight of the ODW (Overseas Drinking Water) program for the installation. Serve as SME for installation's 1.32 million gallon/day drinking water treatment facility. Acts as ORC (Operator in Responsible Charge), which assumes authority of the entire water treatment and distribution system. Work with the Environmental department to properly monitor the water quality and ensure it is of the best quality available. Work with work management software, Maximo, to write work requests, track work orders, and help in project development. Aid in the development of the Utilities Infrastructure Condition Assessment Program (U-ICAP) for UEM for asset tracking and work management. Also, develop the Preventative Maintenance Program, within U-ICAP, to help optimize resources and manpower. Develop scopes of work (SOW) and estimates for projects to correct deficiencies and changes in infrastructure or customer demand. Work with the Installation Energy Manager to develop projects and programs to reduce energy and conserve resources. Execute projects and SOW for water/wastewater systems for the treatment plant upgrades as well as assist in the development of alternative treatment technologies. Develop projects through multiple funding streams (MMRP, SRM, CIP, JFIP) for long term, high value projects for all commodities within the Utilities and Energy Management department. Attend WIB meetings and track work induction and ensure projects meet budget and schedule. Work with Japanese MLC (Master labor Contractors) within all aspects of duties and responsibilities. Aid in translating all correspondence between MLC and the US government within the UEM department.

SOCIAL SECURITY ADMINISTRATION, July2014-Aug2015

Mechanical Inspector/Estimator, Chicago, Ill.

Performs a variety of inspection duties relating to the performance of contractors charged with the building maintenance and repairs. Performs daily inspections of some or all of the following areas: heating, ventilation, air conditioning, electrical, plumbing, security and fire protection equipment to insure that equipment is in good mechanical condition and capable of operating at specified performance levels; makes examinations of elevator systems and the various components while in operation as well as in a stand-by condition; performs inspection of space alterations and construction projects while work is in progress to ensure conformance with the contract specifications and industry standards; reviews initial work list prepared by the contractor regarding deficiencies existing prior to the beginning of the contract; ensures that the contractor develops and maintains all schedules, check charts and reports required by the contract; accompanies design and construction division inspectors in the performance of inspections; and checks and evaluates service call reports to determine if proper response time is being maintained and to determine cause of recurrent malfunctioning of equipment and systems, etc. Managed ESPC contract during performance period. Prepares project Statements of Work (SOW), assumes the role of Project Officer, when necessary. Develops Independent Government Cost Estimates (GCE) and prepare requests to the contracting officer to modify the Consolidated Facility Management Contract (CFM) and other contracts awarded by the SSA.

HYPERLOOP TRANSPORTATION TECHNOLOGIES, June2014-June2016

Sr. Engineering Technologist

Responsible for management and milestone creation/tracking for engineering specialists. Team leader for the Geometry Control/Intake design team. Provided engineering analysis to HTT upper management on the feasibility of certain paths/routes for Hyperloop tubes, as well as intake design options for

Michael A. Crowley

Phone:312-597-0458 **Email:** [REDACTED]

subsonic, trans-sonic, and supersonic speeds. Provides advanced technical guidance to the company, own and drive quality metrics. Also act as an individual contributor within HTT. Provide schedule estimates, feasibility analysis, and expected delivery dates including scope of delivery to senior HTT management as well as Product Management teams.

CHICAGO TRANSIT AUTHORITY, Mar2011-June2014

Sr. Power Engineer, Chicago, Ill.

Responsible for all engineering design, O&M, PM, and troubleshooting of the Authority's rail department, with over 220 miles of electrified rail, 61 substations, and over 3GW-hr of power delivered every month. Supervised over 60 field personnel to ensure compliance with the Authority's standards, procedures, preventive maintenance schedules, applicable government regulations, and established safe work methods. Investigates electrical problems to determine cause of malfunctions and failures. Developed, engineered, and applied solutions to reduce or prevent future problems. Read, interpret, and modify specifications, electrical schematics, and construction drawings to ensure compliance to the Authority's standards and methods. Design and modify various electrical circuits by applying engineering methods and principles. Receives and analyzes requests for traction power distribution, electrical equipment installations, and modifications. Prepares, reviews, analyzes, and estimates cost to perform requested work. Develops, proposes, and implements maintenance procedures for all traction and ancillary power equipment. Coordinates training for all Power Maintenance linemen and lineman helpers. Directs department personnel and the Control Center during rail service emergencies. Conducts disciplinary interviews. Makes sure that CTA negotiated Labor Agreements are followed. Assists in the development of budgets and maintains adherence to them.

UNITED STATES NAVY, July2004-December2010

Supervisor, Electrical Organizational Maintenance, Naval Air Facility Atsugi, Japan (2007-2010)

Managed all functions and activities within the Aviation Electricians' work center, maintaining 12 SH-60F/H helicopters and supervising 14 aviation electricians. Subject Matter Expert on all electrical systems. Managed 2 Naval Aviation Maintenance Programs; the Compass Calibration Program and Battery Safety Program. Evaluated and modified training programs, inspected aircraft for safety of flight related discrepancies, and trained personnel in all electrical matters. Analyzed trends to identify aircraft discrepancies, inspection procedures, and workmanship. Ensured compliance with all proper instruction manuals. Knowledge of DoD Regulations governing the use of computer/information systems (Vulnerability Management System), and Security Technical Implementation Guide.

Aviation Electrical Technician, Naval Air Station, San Diego, CA (2005-2007)

Maintained and repaired electrical, instrument, and power systems on 22 SH-60F/H helicopters. Includes electrical power generation, conversion, and distribution systems; aircraft/airframe systems, including hydraulic, landing gear, flight control, anti-icing, rain control, anti-skid braking, fire protection, utility, and power plant and power plant related systems; instrument systems, including aircraft engine, flight, and other indicating and warning systems; automatic flight control and stabilization systems; aircraft compass systems; attitude reference systems, inertial navigation; uses computers in various aspects of work; applies hazmat procedures and corrosion control techniques.

Michael A. Crowley

Phone:312-597-0458 **Email:** [REDACTED]

EDUCATION & CREDENTIALS

High School Diploma: St. Rita High School, Chicago, Ill.

College: Illinois Institute of Technology, 100 credit hours toward a BS in Physics.

Professional Development: Cross Connection and Backflow Prevention Specialist, ODW Level 1 Operator for Water Treatment and Distribution, General/Avionics Corrosion Control means and methods, Contract writing, COTR (Contract Officer Technical Representative) certification. Familiar with computer programming languages (C#, Java, Python) and multiple operating systems and programs ranging from open source and proprietary software (AutoCAD, Matlab, Mathematica, Python) association. Can speak conversational Japanese and some Spanish.

Activities, Honors, and Awards: NAVFAC FE Employee of the Quarter, 2nd QTR, FY17 & FY20

Certificate of Commendation for On the Spot Award, August '16

Member of the International Electrical and Electronic Engineers (IEEE)

City Code Requirement - Residency

As a board, commission, or committee member, you will be asked to adhere to City Code of Ordinances, Section 2-65, which states that all members of City boards and commissions, including ad hoc committees, appointed by the City, must be residents of the city. A move outside the city limits of the city by any member shall constitute automatic resignation from the particular board or commission on which such member served.

I Agree

City Code Requirement - Attendance

As a board, commission, or committee member, you will be asked to adhere to City Code of Ordinances, Section 2-61, which provides that absences from more than 25% of regularly scheduled meetings during a term year on the part of any board, commission, or committee member shall result in an automatic termination. An absence shall be deemed unexcused unless excused by the board, commission or committee for good cause no later than its next meeting after the absence.

I Agree

Consent for Release of Information

I understand that if any member of the public makes a request for information included in this application or in any attachment (e.g. resume or supporting documentation) for appointment it is subject to and must be disclosed under the Texas Public Information Act. I understand that under the Texas Public Information Act, my home address and home telephone number is subject to public disclosure unless I am elected or appointed to the position which I seek. I hereby consent to the release of my home address and home telephone number should it be requested under the Texas Public Information Act prior to my possible appointment or election. I hereby release the City of Corpus Christi, and its agents, employees and officers, from any and all liability whatsoever if the information must be released pursuant to the Texas Public Information Act.

I Agree

Oath

I swear that all of the statements included in my application and attached documents, if any, are true and correct.

Previous Experience

- Engineering roles with Titan Rig (mobile oil rigs), Funk Manufacturing (now John Deere) and Ajax-Atlas (structural steel buildings)

Highlights

- Exemplary integrity
- Mentor to middle managers, resulting in much higher performance
- Oversaw multiple locations, shifts and departments simultaneously
- Implement/foster lean manufacturing using 5S, Six Sigma and SPC methodology
- Chairman of the Board of Directors of the esteemed Oklahoma Manufacturing Alliance
- President of Grand Lake Manufacturers' Council
- Team Leader for the Oklahoma Quality Award Foundation
- Influence many companies through lean, ISO, Baldrige Award criteria and Six Sigma
- OSHA 10 Certification

Skills

- Lean Manufacturing, team building and employee empowerment
- Human Resources leadership and staff development
- Customer/vendor relationships and partnerships
- Contract negotiations (union, vendor, supplier and customer)

Core Accomplishments

- State record for longest running SHARP safety award
- Doubled revenue, increased capacity, reduced costs through lean transformation
- Increased annual profits by 150% through continuous improvement processes
- Reduced employee turnover to under 5% per year
- Improved safety from 16 accidents at \$500,000 per year to 4 accidents at \$50,000
- Coached middle managers to higher efficiency and success
- Improved workplace morale through various employee involvement initiatives
- Applied visual workplace techniques and posted measurable metrics
- Raised workplace organization, neatness and cleanliness through 5S programs
- Reduced foot travel by many miles through pull systems
- Decreased production line work station count, saving considerable WIP and space
- Created kanban systems and 2-tiered racking to improve inventory management

Education, Professional and/or Community Activity (Present)

I am the Goodwill Ambassador of the city of Corpus Christi, TX since 2012. I am a retired professional international athlete. I am a former precinct chair for precinct 20. I am a former member BOD for Habitat for Humanity Corpus Christi. I am a former member of executive committees of the ambassadors of the Chamber of Commerce.

Why are you interested in serving on a City board, commission or committee?

I have extensively traveled the globe representing our city or state and our country. I have extensive experience dealing with other countries around the world and was on the international sports Congress. I have developed other countries for our sports and dealt with governments in their areas. I was also recognized by the state of Texas in house resolution 1427.
