Accepting and appropriating the Texas Automobile Burglary and Theft Prevention Authority grant

CAPTION:

Ordinance authorizing the City Manager or designee to execute all documents necessary to accept a grant from the Texas Automobile Burglary and Theft Prevention Authority (ABTPA) in the amount of \$392,474 to continue the motor vehicle theft enforcement grant within the Police Department for Year 12, with a City match of \$478,212, in-kind match of \$14,019 in the No. 1020 Police General Fund, and program income match of \$8,541 in the NO. 1061 Police Grants Fund for a total project cost of \$893,246; and appropriating the \$392,474 in the No. 1061 Police Grants Fund to continue the motor vehicle theft enforcement grant in the Police Department.

PURPOSE:

Accept the grant and appropriate the funds.

BACKGROUND AND FINDINGS:

The City of Corpus Christi has received Year 12 funding from the Texas Automobile Burglary and Theft Prevention Authority (ABTPA) to continue the motor vehicle theft unit in the Police Department. The ABTPA was established in 1991 due to rising auto thefts and is funded through an annual fee on every insured vehicle in Texas charged to insurance companies who provide vehicle insurance coverage in Texas.

The unit focuses not only on detection and apprehension, but also on the salvage yards in the City and County to reduce the sale of stolen vehicles and parts. There is an extensive public awareness campaign that is a requirement of the grant.; numerous crime prevention programs focusing on reducing auto burglaries and thefts occur during each grant year. Since the inception of the unit in 2001, auto thefts have decreased by 69% from 1,515 to 467 in 2011.

The grant provides funds for one Lieutenant to supervise the Unit, two sworn CCPD officers, and three civilians. The three civilians conduct data analysis, crime analysis,

manage the required public awareness campaign, and maintain grant paperwork. In-kind contributions include office supplies, copy machine, and office space. Cash contributions from program income will cover travel expenses. The General Fund cash match is for three sworn officers who also work auto theft and auto burglary.

Because these funds are neither Federal nor State but from an insurance fee, there is no set time limit for the grant to end; other grantees have been continuously funded for over 15 years. The City must reapply each year because the ATPA requires a very close review of performance and the grantee's ability to utilize the funds efficiently.
