Mr. Gotberg suggested bringing in fire Captains Rivera and Wade to discuss their perspective of the Marker 37 fire and how they handled it. His advice was to be proactive in planning. Make sure all parties know where they should be staged in the event of a fire. Mr. Atwood advised the largest difference between the boats at Marker 37 and the ones in our marina are that very few if any in the marina have trolling motors, which some boaters have a habit of leaving hooked up to lithium batteries.
