

**AMENDMENT NO. 1  
TO CITY OF CORPUS CHRISTI  
CONTRACT FOR PROFESSIONAL SERVICES**

The City of Corpus Christi, a Texas home rule municipal corporation, P.O. Box 9277, Corpus Christi, Nueces County, Texas 78469-9277 (City) acting through its duly authorized City Manager or Designee (Director of Capital Programs) and **Engineering & Construction Management Services, LLC**, a Texas corporation, 5001 Oakmont Drive, Corpus Christi, Nueces County, Texas 78413, (**Architect/Engineer – A/E**), hereby agree as follows:

**1. SCOPE OF PROJECT**

**Indefinite Delivery/Indefinite Quantity Minor Street Pavement Improvements (Project No. E14034)** – This project is an Indefinite Delivery/Indefinite Quantity (IDIQ) construction project to perform minor street pavement repairs involving pavement rehab/replacement, base repairs with limestone, and sub-grade stabilization throughout the City. The work will be issued in delivery orders that will provide specific scope and requirements. The work will include saw cutting, crack sealing, seal coats, milling, curb & gutter and driveway replacement, curb ramps, minor utility manhole ring and cover and valve adjustments, and gas line utility-cut backfill with limestone and HMAC pavement.

**2. SCOPE OF SERVICES**

The A/E hereby agrees, at its own expense, to perform design services necessary to review and prepare plans, specifications, and bid and contract documents. In addition, A/E will provide monthly status updates (project progress or delays, gantt charts presented with monthly invoices) and provide contract administration services, as described in **Exhibit “A”**, to complete the Project. Work will not begin on Additional Services until requested by the A/E (provide breakdown of costs, schedules), **and** written authorization is provided by the Director of Capital Programs.

A/E services will be "Services for Construction Projects"- (Basic Services for Construction Projects") which are shown and are in accordance with "Professional Engineering Services-A Guide to the Selection and Negotiation Process, 1993" a joint publication of the Consulting Engineer's Council of Texas and Texas Society of Professional Engineers. For purposes of this contract, certain services listed in this publication as Additional Services will be considered as Basic Services.

**3. ORDER OF SERVICES**

The A/E agrees to begin work on those authorized Basic Services for this contract upon receipt of the Notice to Proceed from the Director of Capital Programs. Work will not begin on any phase or any Additional Services until requested in writing by the A/E and written authorization is provided by the Director of Capital Programs. The anticipated schedule of the preliminary phase, design phase, bid phase, and construction phase is shown on **Exhibit “A”**. This schedule is not to be inclusive of all additional time that may be required for review by the City staff and may be amended by or with the concurrence of the Director of Capital Programs.

The Director of Capital Programs may direct the A/E to undertake additional services or tasks provided that no increase in fee is required. Services or tasks requiring an increase of fee will be mutually agreed and evidenced in writing as an amendment to this contract. A/E shall notify the City of Corpus Christi within three (3) days of notice if tasks requested requires an additional fee.

#### 4. INDEMNITY AND INSURANCE

A/E agrees to the mandatory contract indemnification and insurance requirements as set forth in **Exhibit "B"**.

#### 5. FEE

In the original contract, Exhibit "A" FEES shall be modified for a total fee not to exceed \$97,440.00 (Ninety Seven Thousand Four Hundred Forty Dollars and Zero Cents), for a restated fee not to exceed \$114,940.00, (One Hundred Fourteen Thousand Nine Hundred Forty Dollars and Zero Cents) as shown in the attached Amendment No. 1, **Exhibit "A"**. Monthly invoices will be submitted in accordance with **Exhibit "C"**.

#### 6. TERMINATION OF CONTRACT

The City may, at any time, with or without cause, terminate this contract upon seven days written notice to the A/E at the address of record. In this event, the A/E will be compensated for its services on all stages authorized based upon A/E and City's estimate of the proportion of the total services actually completed at the time of termination.

#### 7. LOCAL PARTICIPATION

The City Council's stated policy is that City expenditures on contracts for professional services be of maximum benefit to the local economy. The A/E agrees that at least 75% of the work described herein will be performed by a labor force residing within the Corpus Christi Metropolitan Statistical Area (MSA). Additionally, no more than 25% of the work described herein will be performed by a labor force residing outside the Corpus Christi Metropolitan Statistical Area (MSA.)

#### 8. ASSIGNABILITY

The A/E will not assign, transfer or delegate any of its obligations or duties in this contract to any other person without the prior written consent of the City, except for routine duties delegated to personnel of the A/E staff. If the A/E is a partnership, then in the event of the termination of the partnership, this contract will inure to the individual benefit of such partner or partners as the City may designate. No part of the A/E fee may be assigned in advance of receipt by the A/E without written consent of the City.

The City will not pay the fees of expert or technical assistance and consultants unless such employment, including the rate of compensation, has been approved in writing by the City.

#### 9. OWNERSHIP OF DOCUMENTS

All documents including contract documents (plans and specifications), record drawings,

contractor's field data, and submittal data will be the sole property of the City, may not be used again by the A/E without the express written consent of the Director of Capital Programs. However, the A/E may use standard details that are not specific to this project. The City agrees that any modification of the plans will be evidenced on the plans, and be signed and sealed by a professional engineer prior to re-use of modified plans.

**10. DISCLOSURE OF INTEREST**

A/E further agrees, in compliance with City of Corpus Christi Ordinance No. 17112, to complete, as part of this contract, the *Disclosure of Interests* form.

**AMENDMENT NO. 1**

**I. SCOPE OF SERVICES**

**A. Basic Services.**

1. **Preliminary Phase. The Architect/Engineer-A/E will:**
  - a. Prepare the necessary bid documents for advertising the proposed construction contract.
  - b. Assist City staff during the bidding process as may be necessary.
  - c. Conduct and/or attend and participate in meetings with the City staff as required towards the award of the construction contract.
  
2. **Construction Phase. The A/E will perform contract administration to include the following:**
  - a. Participate in pre-construction meeting conference and provide a recommended agenda for critical construction activities and elements impacted the project.
  - b. Review for conformance to contract documents, shop and working drawings, materials and other submittals.
  - c. Review field and laboratory tests.
  - d. Provide interpretations and clarifications of the contract documents for the contractor and authorize required changes, which do not affect the contractor's price and are not contrary to the general interest of the City under the contract.
  - e. Make regular visits to the site of the Project to confer with the City project inspector and contractor to observe the general progress and quality of work, and to determine, in general, if the work is being done in accordance with the contract documents. This will not be confused with the project representative observation or continuous monitoring of the progress of construction.
  - f. Prepare change orders as authorized by the City (coordinate with the City's construction division); provide interpretations and clarifications of the plans and specifications for the contractor and authorize minor changes which do not affect the contractor's price and are not contrary to the general interest of the City under the contract.
  - g. Make final inspection with City staff and provide the City with a Certificate of Completion for the project.
  - h. As applicable, review and assure compliance with plans and specifications, the preparation of operating and maintenance manuals (by the Contractor) for all equipment installed on this Project. These manuals will be in a "multimedia format" suitable for viewing with Microsoft's Internet Explorer, version 3.0. As a minimum the Introduction, Table of Contents, and Index will be in HTML (HyperText Markup Language) format, with HyperText links to the other parts of the manual. The remainder of the manual can be scanned images or a mixture of scanned images and text. Use the common formats for scanned images - GIF, TIFF, JPEG, etc.. Confirm before delivery of the manuals that all scanned image formats are compatible with the image-viewing software available on the City's computer -

Imaging for Win95 (Wang) and Microsoft Imaging Composer. Deliver the manuals on a CD-ROM, not on floppy disks.

- i. Review construction "red-line" drawings, prepare record drawings of the Project as constructed (from the "red-line" drawings, inspection, and the contractor provided plans) and deliver to the Engineering Services a reproducible set and electronic file (AutoCAD r.14 or later) of the record drawings within two (2) months of final acceptance of the project. All drawings will be CADD drawn using dwg format in AutoCAD, and graphics data will be in dxf format with each layer being provided in a separate file. Attribute data will be provided in ASCII format in tabular form. All electronic data will be compatible with the City GIS system.

The City staff will:

- a. Prepare applications/estimates for payments to contractor.
- b. Conduct the final acceptance inspection with the Engineer.

#### **B. Additional Services (ALLOWANCE)**

This section defines the scope (and ALLOWANCE) for compensation for additional services that may be included as part of this contract, but the A/E will not begin work on this section without specific written approval by the Director of Engineering Services. Fees for Additional Services are an allowance for potential services to be provided and will be negotiated by the Director of Engineering Services as required. The A/E will, with written authorization by the Director of Engineering Services, do the following:

1. **Construction Observation Services.** Provide a project representative (PR) to provide periodic construction inspection.
  - A. Through such additional observations of Contractor's work in progress and field checks of materials and equipment by the PR and assistants, the A/E shall endeavor to provide further protection for the CITY against defects and deficiencies in the work.
  - B. The duties and responsibilities of the PR are described as follows:
    1. **General:** PR will act as directed by and under the supervision of A/E, and will confer with A/E regarding PR's actions. PR's dealings in matters pertaining to the Contractor's work in progress shall in general be with A/E and Contractor, keeping the CITY advised as necessary.
    2. **Conference and Meetings:** Attend meetings with Contractor, such as pre-construction conferences, progress meetings, job conferences and other project-related meetings as required by the City, and prepare and circulate copies of minutes thereof.
    3. **Liaison:**
      - A. Serve as liaison with Contractor, working principally through Contractor's superintendent and assist in understanding the intent of the Contract Documents.
      - B. PR shall communicate with CITY with the knowledge of and under the direction of A/E
    4. **Interpretation of Contract Documents:** Report when clarifications and interpretations of the Contract Documents are needed and transmit to Contractor clarifications and interpretations as issued.
    5. **Shop Drawings and Samples:**

- A. Receive Samples, which are furnished at the Site by Contractor, and notify of availability of Samples for examination.
  - B. Record date of receipt of Samples and approved Shop Drawings.
  - C. Advise Contractor of the commencement of any portion of the Work requiring a Shop Drawing or Sample submittal for which PR believes that the submittal has not been approved.
6. Review of Work and Rejection of Defective Work:
- A. Conduct on-Site observations of Contractor's work in progress to assist A/E in determining if the Work is in general proceeding in accordance with the Contract Documents.
  - B. Report whenever PR believes that any part of Contractor's work in progress will not produce a completed Project that conforms to the Contract Documents or will prejudice the integrity of the design concept of the completed Project, or has been damaged, or does not meet the requirements of any inspection, test or approval required to be made; and advise City and A/E of that part of work in progress that PR believes should be corrected or rejected or should be uncovered for observation, or requires special testing, inspection or approval.
  - C. Observe whether Contractor has arranged for inspections required by Laws and Regulations, including but not limited to those to be performed by public agencies having jurisdiction over the Work.
7. Records:
- A. Maintain orderly files for correspondence, reports of job conferences, reproductions of original Contract Documents including all Change Orders, Field Orders, Work Change Directives, Addenda, additional Drawings issued subsequent to the Contract, A/E's clarifications and interpretations of the Contract Documents, progress reports, Shop Drawing and Sample submittals received from and delivered to Contractor, and other Project related documents.
  - B. Prepare a daily report utilizing approved City format, recording Contractor's hours on the Site, weather conditions, data relative to questions of Change Orders, Field Orders, Work Change Directives, or changed conditions, Site visitors, daily activities, decisions, observations in general, and specific observations in more detail as in the case of observing test procedures; and send copies to A/E and the City.
8. Reports:
- A. Furnish periodic reports as required of progress of the Work and of Contractor's compliance with the progress schedule and schedule of Shop Drawing and Sample submittals.
  - B. Report immediately to the CITY and A/E the occurrence of any Site accidents, any Hazardous Environmental Conditions, emergencies, or acts of God endangering the work, and property damaged by fire or other causes.
  - C. Provide project photo report on CD-ROM at the rate of a minimum of two photographs per day, including an adequate amount of photograph documentation of utility conflicts.
9. Completion:
- A. Before the issue of Certificate of Completion, submit to Contractor a list of observed items requiring completion or correction.
  - B. Participate in a final inspection in the company of A/E, the CITY, and Contractor and prepare a final list of items to be completed or corrected.
  - C. Observe whether all items on final list have been completed or corrected and make recommendations concerning acceptance and issuance of the Notice of Acceptability of the Work.

2. **Start-up Services.** Provide on-site services and verification for all start-up procedures during actual start up of major Project components, systems, and related appurtenances if needed and required.

**3 Warranty Phase.** Provide a maintenance guaranty inspection toward the end of the one-year period after acceptance of the Project. Note defects requiring contractor action to maintain, repair, fix, restore, patch, or replace improvement under the maintenance guaranty terms of the contract. Document the condition and prepare a report for the City staff of the locations and conditions requiring action, with its recommendation for the method or action to best correct defective conditions and submit to City Staff. Complete the inspection and prepare the report no later than sixty (60) days prior to the end of the maintenance guaranty period.

4 Provide the services above authorized in addition to those items shown on Exhibit "A-1" Task List, which provides supplemental description to Exhibit "A". Note: The Exhibit "A-1" Task List does not supersede Exhibit "A".

**2. SCHEDULE**

Day	Date	Activity
Monday	February 2, 2015	Submit final bid package
Tuesday	March 3, 2015	Pre-bid meeting
Wednesday	March 11, 2015	Bid opening
Tuesday	April 14, 2015	Contract Award
Wednesday	May 15, 2015	Begin Construction
Thursday	May 15, 2016	Complete Construction

**3. FEES**

**A. Fee for Basic Services.** The City will pay the A/E a fixed fee for providing for all "Basic Services" authorized as per the table below. The fees for Basic Services will not exceed those identified and will be full and total compensation for all services outlined in Section I.A.1-4 above, and for all expenses incurred in performing these services. **The fee for this project is subject to the availability of funds. The Engineer may be directed to suspend work pending receipt and appropriation of funds.** For services provided in Section I.A.1-4, A/E will submit monthly statements for basic services rendered. In Section I.A.1-3, the statement will be based upon A/E's estimate (and City concurrence) of the proportion of the total services actually completed at the time of billing. For services provided in Section I.A.4, the statement will be based upon the percent of completion of the construction contract. City will make prompt monthly payments in response to A/E's monthly statements.

**B. Fee for Additional Services.** For services authorized by the Director of Engineering Services under Section I.B. "Additional Services," the City will pay the A/E a not-to-exceed fee as per the table below:

**Summary of Fees**
